INVITATION TO BID

November 13, 2017

Potential Bidder/Pre-Qualified Contractor:

The City of Glendale, California is accepting bids until **2:00 P.M., December 6, 2017** for the ***Western Avenue and Riverside Drive Rehabilitation Project, Specifications No. 3635.***

The work shall be done in accordance with Specifications No. 3635 and Plan No. 1-3045, 18-109, 49-232, 50-637, with all appurtenant work as shown on the project plans and specifications, Standard Plans for Public Works Construction (SPPWC 2012 Edition), and the Standard Specifications for Public Works Construction (2015 Edition), including all supplements thereto issued prior to bid opening date.

The scope of work generally includes the following:

Selective removal and replacement of Portland cement concrete pavement; surface grinding and placement of Asphalt Rubber Hot Mix (ARHM) over Asphalt Concrete Pavement (Leveling Course); application of crack sealing material; application of emulsion aggregate slurry (Slurry Seal Type II); selective removal and repair of broken and damaged sidewalk, curb, curb and gutter, cross gutters, alley aprons; construction of new curb ramps; adjustment of existing manholes and water meters to finished grade; removal and replacement of existing traffic striping and pavement markings; modification of traffic signal system at Riverside Drive and Chavez Street; realignment of intersection of Riverside Drive and Chavez Street; and, installation of bio-retention facility and monument sign at the intersection of Riverside Drive and Chavez Street.

The **Engineer's Estimate** for this project is in the range of **$1,250,000 and $1,375,000.**

Bond Requirements are as follows:

Bid Bond:	10% of Bid Amount
Labor and Materials Bond:	100% of Contract Amount
Performance Bond:	100% of Contract Amount

If you are interested in bidding on this project, please obtain an electronic copy of the Bidding Documents (plans, specifications and proposal forms) on the City's and/or Ebidboard web sites:
