In order to receive this award for effective budget presentation, a government entity must publish a budget document that meets program criteria as a policy document, a financial plan, an operations guide, and a communications device. The City of Glendale began to participate in this program in Fiscal Year 2009-10. This was the eleventh year that the City of Glendale has received this prestigious award.

The Distinguished Budget Presentation Award is valid for a period of one year only. The City of Glendale continues to conform to the GFOA program requirements for the Fiscal Year 2020-21 annual budget. This document will be submitted to be considered for another award this year.
