

Community Services & Parks - Watering Schedules

Watering Schedule (Updated September 2014)

Park Facility	Recycled Water*	Watering Times	Days of Week	Reasons for Schedule
Adams Square Mini Park		11:00PM - 5:00AM	SU-T-TH	
Adult Recreation Center	X	10:00PM - 6:00PM	SU-T-TH	
Babe Herman Little League Field		12:01AM - 6:00AM	SU-T-TH	New Sod Infield / seed outfield - more frequent watering through September 2014
Brand Park	X	10:00PM - 6:00PM	SU-T-TH	New Sod Infield / seed outfield - more frequent watering through September 2014
Carr Park		11:00PM - 6:00AM	SU-T-TH	
Casa Adobe de San Rafael		10:00PM - 6:00AM	SU-T-TH	
Central Library		10:00PM - 6:00AM	SU-T-TH	
Cerritos Park	X	11:00PM - 5:00AM	SU-T-TH	
Chess Park				Drip Irrigation
Civic Auditorium	X	10:00PM - 6:00AM	SU-T-TH	
City Hall Complex		10:00PM - 6:00AM	SU-T-TH	
Deukmejian Wilderness Park		10:00PM - 6:00AM	SU-T-TH	
Dunsmore Park		10:00PM - 6:00AM	SU-T-TH	
Elk Mini Park		11:00PM - 5:00AM	SU-T-TH	
Emerald Isle Park		11:00PM - 6:00AM	SU-T-TH	
Fremont Park		10:00PM - 6:00AM	SU-T-TH	
Glenoaks Park	X	11:30PM - 6:00AM	SU-T-TH	
Glorietta Park		10:00PM - 6:00AM	SU-T-TH	
Grandview Library		10:00PM - 6:00AM	SU-T-TH	
Griffith Manor Park		10:00PM - 6:00AM	SU-T-TH	
Harvard Mini Park		10:00PM - 6:00AM	SU-T-TH	
Heritage Garden		11:00PM - 5:00AM	SU-T-TH	
Maple Park		11:00PM - 6:00AM	SU-T-TH	
Maryland Park		11:00PM - 6:00AM	SU-T-TH	
Milford Mini Park		10:00PM - 6:00AM	SU-T-TH	
Montrose Community Park		10:00PM - 6:00AM	SU-T-TH	Newly Seeded outfield - more frequent watering through September 2014
New York Park		10:00PM - 6:00AM	SU-T-TH	
Nibley Park		10:00PM - 6:00AM	SU-T-TH	
Oakmont View Park		10:00PM - 6:00AM	SU-T-TH	
Pacific Park	X	10:00PM - 5:00AM	SU-T-TH	
Palmer Park		11:00PM - 6:30AM	SU-T-TH	
Pelanconi Park	X	10:00PM - 6:00AM	SU-T-TH	
Piedmont Park		11:00PM - 5:00AM	SU-T-TH	
Riverwalk (Glendale Narrows)		10:00PM - 6:00AM	SU-T-TH	
Scholl Canyon Ballfields	X	11:00PM - 6:00AM	SU-T-TH	
Scholl Canyon Park	X	11:00PM - 6:00AM	SU-T-TH	
Sparr Heights Senior Center		12:30AM - 5:00AM	SU-T-TH	
Sports Complex		11:00PM - 5:00AM	SU-T-TH	New Sod - more frequent watering through Sept 2014 on Field 2; and Oct / Nov Field 3
Stengel Ballfield				GUSD monitored and programmed
Verdugo Park		10:30PM - 6:00AM	SU-T-TH	
Verdugo Adobe		6:30AM - 4:00PM	SU-T-TH	Manual watering when staff is on duty
Wilson Mini Park		10:00PM - 6:00AM	SU-T-TH	
Windsor Mini Park		11:00PM - 5:00AM	SU-T-TH	

Watering Schedule

Medians	Recycled Water*	Watering Times	Days of Week	Reasons for Schedule
Beaudry Drive		10:00PM - 6:00AM	SU-T-TH	
Brand Blvd. Medians North		12:01AM - 6:00AM	SU-T-TH	
Brand Blvd. Medians South	X	12:01AM - 6:00AM	SU-T-TH	
Colorado St. Medians	X	12:01AM - 6:00AM	SU-T-TH	
Glendale Ave Medians	X	12:01AM - 5:00AM	SU-T-TH	
Glenoaks Blvd. Medians	X	10:00PM - 6:00AM	SU-T-TH	
Montrose Mall Medians		12:01AM - 6:00AM	M-T-W-TH-F	Watered more frequently with reduced minutes per frequency to prevent run-off
Verdugo Road Medians		12:01AM - 6:00AM	SU-T-TH	

PLEASE NOTE:

* Recycled water use is not restricted by the Water Use Ordinance

Irrigation checks are conducted during the day when staff is on duty.

Parks are not watered on weekends for a specific reason: if there is a break in the water lines, staff are not available to identify and repair the problem. A broken line on a weekend will result in excess water run-off for longer periods of time.

August through October: Park Services conducts ballfield renovations during the months of August / September by either reseeding fields or replacing sod. These ballfields require watering daily for the first two weeks at a frequency of 2-3 times per day. This is done to ensure seed germination and/or proper rooting of the sod.

Staff will monitor water use closely: areas that water runoffs are evident will be evaluated and adjusted to water with more frequency, yet less times per frequency to prevent runoff (as we do at Montrose Mall).

Irrigation utilizing rotary sprinklers are set to water for longer periods of time per cycle to allow ample water coverage. On average, these rotary sprinklers are programmed for 20 minutes per cycle. These are low emission sprinklers and cover significantly larger areas as compared to the sprayhead sprinklers.
