

The Glendale Public Library's mobile app puts the Library in the palm of your hand.

- Download eBooks
- Search the Library catalog
- Renew your books and DVDs
- Learn a new language
- Any time, any place--on the go!

To download the **GPL2GO!** app, search your app store for **Glendale Public Library**.

iTunes App Store (iOS)

Google Play (Android)

# GPL2GO!

Search for books, music, and DVDs

Renew your books, check on your requests, and see when books are due

Search the GPL catalog by scanning a book's ISBN with your phone or tablet

Download eBooks and digital audiobooks on OverDrive

Access the 3M Cloud Library, Mango Languages, and other GPL databases

Find your closest library and see when it is open

Browse the Library's photo collections on Flickr, HistoryPin, and Calisphere
