FY 2017-18 Citywide Fee Schedule

DESCRIPTION & PROCESS

FY 2017-18 Citywide Fee Schedule was adopted by the City Council on June 13, 2017, through Resolution Numbers 17-74 and 17-75, which are included in this schedule.

The Finance Department is charged with the general maintenance of the Citywide Fee Schedule. However, City Departments have a role in fee schedule policies and maintenance. All Departments that levy fees are responsible for:

- Including all fees which are levied in the Citywide Fee Schedule
- Keeping updated copies of the Schedule available and in clear display;
- Proposing fees which reflect the cost of services provided by the City; and
- Providing for the annual revision of fees or proposing changes in fees consistent with the intent of the Citywide Fee Schedule.

This includes reviewing requests to modify the document, periodic review of fees to assure that they are equitable and reflect the cost of services, and preparation of transmittals to the City Council for recommended changes to fees annually.

There are two procedures for revising the Schedule:

1. During the annual budget process; or
2. Outside of the budget process.

During the budget process, departments submit proposed fee changes with their budget proposals. Fee revisions approved by the City Manager are presented to the Council and included in the legislation adopting the budget. At other times of the year (outside of the budget process), departments may submit proposed revisions (by memorandum) to the City Manager for review. If approved by the City Manager, these requested fee changes are presented to the Council in the form of a resolution amendment prepared by the requesting department, accompanied by a staff report from the department. All fee changes, regardless of time of the year, must be reviewed and approved by the Department Heads and the City Attorney's office, and further authorized by the City Manager for presentation to the Council.

For both processes, specific public notifications and procedures are mandated. A notice of a public hearing regarding the fees is published. In addition, the Office of the City Clerk will mail information regarding proposed modifications to any interested party who has filed a written request with the City Clerk for such notice. The Council then holds a public hearing regarding any proposed changes before adoption of revisions. All new and revised fee proposals are reviewed by the City Council and, if adopted, incorporated into this schedule.

Any questions or updates regarding the Citywide Fee Schedule may be directed to Armen Harkalyan, Revenue Manager, at aharkalyan@GlendaleCA.gov

The Citywide Fee Schedule is also available on the City's website at www.GlendaleCA.gov

RESOLUTION NO. 17-74

WHEREAS, the Council of the City of Glendale has determined that in order to continue providing effective services for the public welfare, the City must establish and increase fees for certain municipal services which accurately reflect the City's true cost in providing such services; and

WHEREAS, the Council has also determined that (1) by consolidating fees, rates, charges, penalties, fines (collectively, "fees"), and tables and schedules— which have been previously adopted— into a comprehensive Citywide Fee Schedule, the consolidation will centralize fees, tables, and schedules in a single document which can be published on the City's website and considered each year as part of the budgetary process; and that (2) this Citywide Fee Schedule consolidates most existing fees, tables, and schedules into a single document; and

WHEREAS, Title 12 of the Glendale Municipal Code provides that certain fees for services provided by the Public Works Department must be established or modified by resolution of the City Council; and

WHEREAS, Title 30 of the Glendale Municipal Code provides that fees for services provided by the Community Development Department relating to Zoning Ordinance procedures must be specified by resolution of the City Council; and

WHEREAS, Titles 2, 15, and 16 of the Glendale Municipal Code also provide for services furnished by the Community Development Department for which fees are required but not otherwise specified; and
