CITY OF GLENDALE

FILMING PERMIT NEIGHBOR VERIFICATION FORM

Verification must be received that each resident or business within 500 feet of filming and any resident or business whose property is in front of parking being requested has ben notified prior to issuance of any filming permit. Obtain signatures of each such resident or business on this form and return to the City Clerk's office, 613 E. Broadway, Suite 110 (818) 548-2090. When obtaining signatures, provide each individual with a copy of a completed Filming Permit Notification Form and instruct them to indicate whether or not they object to the issuance of a City of Glendale Filming Permit for this proposed filming activity. Applicable residents whose signatures are not received may be treated as "objections". Objections will not automatically result in denial of the permit, but will be used along with other criteria in evaluating whether or not the filming will cause an unreasonable inconvenience to the neighborhood.

Filming will be taking place at (location) _____ by (name of film company) _____ on (date or dates _____ (times) _____. Description of filming: _____

I have indicated below whether or not I object to issuance of a City of Glendale permit for this proposed filming activity.
