

NOTICE OF CONSTRUCTION ACTIVITY

Kenneth Road Rehabilitation Project

Dear Resident and Property Owner:

The City of Glendale's Public Works Department has retained our company to make certain landscape improvements in your neighborhood as part of the Kenneth Road Rehabilitation Project. In order to construct new sidewalk, we are scheduled to begin tree removals on June 7th and are expected to be completed by June 15th, barring any unforeseen circumstances and adverse weather conditions.

Our company is committed to working with you to help alleviate the impact of the construction on your daily activities. Every effort will be made to minimize any inconveniences to you. If you need to drive through the construction zone, please allow additional commuting time.

We are responsible for sequencing and scheduling the work. We will post a door hanger that targets the day we expect to be in your neighborhood. We will also post "NO PARKING" signs in the work zone 30-hours in advance of working on your street.

Unfortunately, the project is sometimes delayed in which case, the previous day's work may not be finished and construction activities will resume the next working day. Thank you for your patience while we work to improve the City of Glendale.

For questions or concerns, please contact:

CONTRACTOR'S COMPANY: West Coast Arborists Inc.
CONTRACTOR'S PROJECT FOREMAN: Herminio Padilla
