

Storage, Display & Sale of Graffiti Implements

What are graffiti implements?

Any aerosol paint container, felt-tip marker, sticker, paint or graffiti stick, etching tool, etching cream and substances, or any other device capable of scarring or leaving a visible mark on glass, metal, concrete or wood or any other surface.

Businesses that sell items considered to be graffiti implements must restrict access to those items by placing them behind a locked counter, cabinet or other storage facility so that access to them can not be gained without their being unlocked by an authorized employee.

Businesses that sell items considered to be graffiti implements must keep them in a location where they can be in constant view of the employee authorized to sell the items.

It is unlawful to sell graffiti implements to anyone under the age of 18 years. *
