Honolulu House Fire

On Monday, October 7, 2013 at 2:22 p.m., 9 Glendale units (1 Battalion Chief Command Team, 4 engine companies, 2 ladder truck companies, and 2 basic life support ambulances), along with 1 Los Angeles County Engine company, responded to a reported house fire located at 3437 Honolulu Avenue in the city of Glendale.

Glendale Engine 28 arrived on scene and discovered a fire on an exterior fence that was extinguished prior to firefighters arriving on scene. However, there were signs of fire extension into the attic. Firefighters deployed a hand line hose and conducted ventilation in the involved attic to put the fire out. Knock down of the fire was declared at 2:39 p.m., 17 minutes after units were dispatched to the scene.

The cause of the fire is under investigation. Glendale Fire Department resources were on scene for two hours and 26 minutes. Structural damage was estimated to be \$50,000, with \$5,000 in damage to contents. The Glendale Fire Department encourages residents to ensure sprinklers and smoke detectors are working properly.

The mission of the Glendale Fire Department is to protect life and property by providing the highest level of service to the community. For more information about the Glendale Fire Department, go to www.glendalefire.org.
