Glendale Municipal Code Chapter 1.24.140 – General procedures for all administrative hearings

- A. Administrative hearings are intended to be informal in nature. Formal rules of evidence and discovery do not apply. Other than copies of citations, notices, notice and orders, and inspections reports served on the responsible parties as part of the enforcement action giving rise to the hearing, no pre-hearing discovery of the city's evidence shall be permitted.
- B. The city bears the burden of proof at an administrative hearing to establish the existence of a violation of this code.
- C. A preponderance of the evidence shall be the standard of proof used by the administrative hearing officer in deciding the issues at an administrative hearing.
- D. Each party shall have the opportunity to cross-examine witnesses and present evidence in support of his or her case.
- E. The only evidence that shall be permitted at the hearing and considered by the administrative hearing officer in reaching a decision is that evidence that is relevant to the proof or disproof of:
 - a. Ownership of the subject property when applicable;
 - b. Whether a person noticed by the city as a responsible party is, in fact, a responsible party;
 - c. Whether a violation of this code occurred and/or continues to occur on the date or dates specified in the citation, notice, or notice and order;
 - d. Whether the responsible party has caused, maintained or permitted a violation of this code on the date or dates specified in the citation, notice, or notice and order; and in the event of an administrative enforcement hearing on an administrative civil penalties notice and order, whether the amount of civil penalties proposed by the enforcement officer to be assessed pursuant to the procedures and criteria set forth in this chapter are reasonable.

Glendale Municipal Code Chapter 1.24.150 – Failure to attend administrative hearing

Any responsible party whose property or actions are the subject of an administrative hearing and who fails to appear at the hearing shall be deemed to have waived the right to a hearing; the adjudication of the issues related to the hearing, any and all rights afforded under this code; and shall be deemed to have failed to exhausted their administrative remedies, provided that proper notice of the hearing as required by this or other applicable chapter of this code has been served.

Glendale Municipal Code Chapter 1.24.270 – Administrative citation appeal hearing procedures

- C. At the hearing, the party contesting the administrative citation shall be given the opportunity to testify and present evidence concerning the administrative citation.
- D. The failure of any responsible party who is subject to an administrative citation to appear at the appeal hearing shall constitute a forfeiture of the citation fine and a failure to exhaust his administrative remedies.
- E. The administrative citation and any additional report submitted by the enforcement officer shall constitute prima facie evidence of the respective facts contained in those documents.
- F. The administrative hearing officer may continue the hearing and request additional information from the enforcement officer or the recipient of the administrative citation prior to issuing a written decision.
