USAR

Intersection of W. Broadway and N. Pacific

Incident #GLN1614621

10/2/16

4:06 a.m.

## **Traffic Collision near a construction site**

On Sunday, October 2, 2016 at 4:06 a.m., four units from the Glendale Fire Department (1 Battalion Chief command unit, 1 engine company, 1 truck company and 1 basic life support ambulance) along with one Los Angeles City Fire Department heavy rescue unit under the command of Battalion Chief Brian Richey, responded to a traffic collision near a construction site located at the intersection of West Broadway and North Pacific Avenue in the City of Glendale.

Glendale Engine 21 arrived first on scene to discover a single vehicle involved in a traffic collision. During the collision, the vehicle landed in a construction site. Upon further investigation, firefighters discovered the single occupant of the vehicle had self-extricated prior to the arrival of fire personnel. Due to the location of the vehicle, Los Angeles City Fire Department heavy rescue unit assisted with removing the vehicle from the construction site.

Glendale Fire Department paramedics assessed one patient at the scene who was not injured.

The cause of the accident is under investigation. Glendale Fire Department resources were on scene for one hour and 45 minutes. The Glendale Police Department assisted with traffic control during the incident.

*The mission of the Glendale Fire Department is to protect life and property by providing the highest level of service to the community. For more information about the Glendale Fire Department, go to*
