House Fire  
2212 E. Glenoaks Blvd.  
Incident #GLN1615702  
10/23/16  
2:12 p.m.

### **East Glenoaks House Fire**

On Sunday, October 23, 2016 at 2:12 p.m., eleven units from the Glendale Fire Department responded to a reported house fire located at 2212 East Glenoaks Boulevard. Under the direction of Battalion Chief Brian Richey, responding personnel included five engine companies, two ladder truck companies, one air utility vehicle, and one basic life support ambulance, along with one Burbank Battalion Chief.

Engine 25 was the first unit to arrive on scene and discovered smoke showing from the rear of a single-story single-family dwelling. Upon further investigation, the fire was located within a room addition at the rear of the main house. Firefighters quickly deployed multiple hose lines and conducted ventilation to both limit the spread and extinguish the fire. Firefighters initially encountered a large amount of debris within the home that limited their access to the location of the fire. Despite this fact, knock down of the fire was declared at 2:34 p.m., 22 minutes after units were dispatched to the scene.

The cause of the fire is under investigation. There were no injuries sustained during this incident. The estimated loss to the homeowner was \$100,000 in structural damage and \$40,000 in contents destroyed. The Glendale Fire Department encourages residents to ensure sprinklers and smoke detectors are working properly on a regular basis. Glendale Fire Department resources were on scene for three hours and 16 minutes.

*The mission of the Glendale Fire Department is to protect life and property by providing the highest level of service to the community. For more information about the Glendale Fire Department, go to*
