Steps to create GWP C&I portal as Fav-Icon on Home Screen

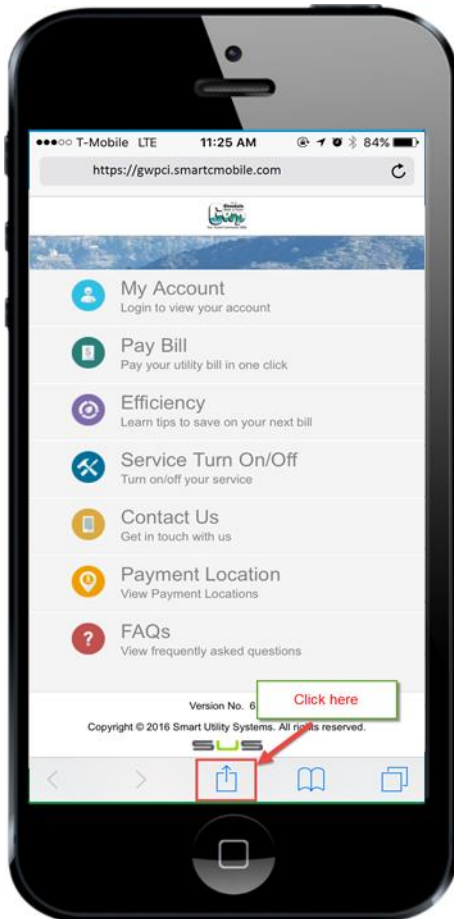

1. Go to Safari browser on you iPhone/ iPad:

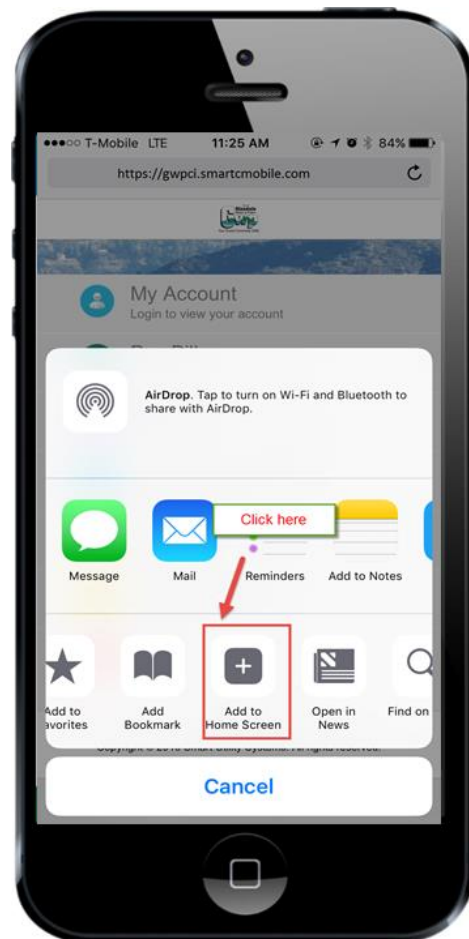

2. Type in the URL <https://gwpci.smartcmobile.com> to be redirected to GWP commercial website

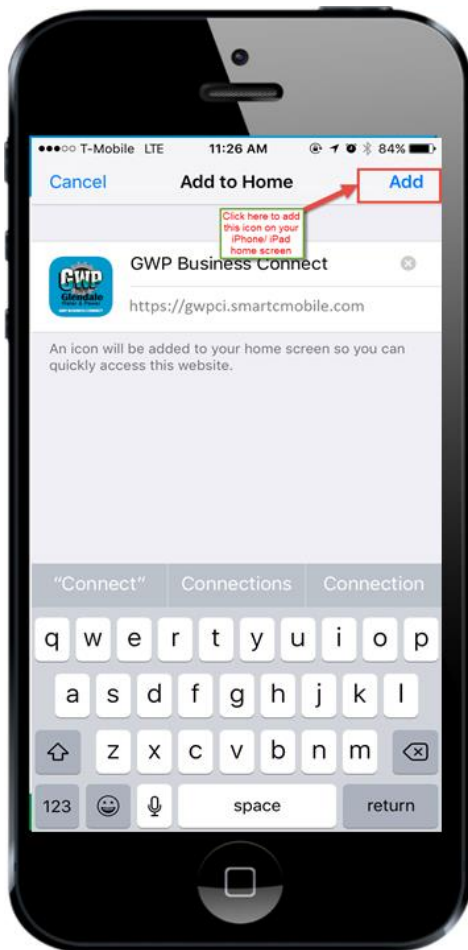

3. Click on the below icon as shown in the image

4. Click on 'Add to Home Screen' as shown in below image

5. Click on 'Add' and GWP C&I Portal will be displayed as Fav-Icon on Home Screen

6. GWP icon will be visible on the homescreen
