PREFACE

This document provides for the consolidation of Assembly Bill No. X1 26 (Chapter 5, filed with Secretary of State June 28, 2011, “AB 26”), with Assembly Bill No. 1484 (Chapter 26, filed with Secretary of State June 27, 2012, “AB 1484”), with Assembly Bill No. 1585 (Chapter 777, filed with Secretary of State September 29, 2012, “AB 1585”), with Senate Bill No. 341 (Chapter 796, filed with the Secretary of State October 13, 2013, “SB 341”), with Assembly Bill No. 471 (Chapter 1, filed with the Secretary of State February 18, 2014, “AB 471”), with Assembly Bill No. 1963 (Chapter 146, filed with the Secretary of State July 18, 2014, “AB 1963”), with Assembly Bill No. 1793 (Chapter 672, filed with the Secretary of State September 27, 2014, “AB 1793”), and with Senate Bill No. 107 (Chapter 325, filed with the Secretary of State September 22, 2015, “SB 107”) which, collectively, amended certain provisions of Part 1, California Community Redevelopment Law, of Division 24 of the California Health and Safety Code, and added Part 1.8, Restriction on Redevelopment Agency Operations, and Part 1.85, Dissolution of Redevelopment Agencies and Designation of Successor Agencies, to Division 24 of the California Health and Safety Code, indexed by Chapter and Article for ready reference.

Concurrently with the enactment of AB 26, the Legislature enacted Assembly Bill No. X1 27 (Chapter 6, filed with the Secretary of State June 28, 2011, “AB 27”), adding Part 1.9, Alternative Voluntary Redevelopment Program, to Division 24 of the California Health and Safety Code. However, subsequent to the enactment of AB 26 and AB 27, the California Supreme Court invalidated certain provisions of AB 26 and all of AB 27 and issued orders relating thereto. (See *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.) Specifically, California Health and Safety Code section 34172, subdivision (a)(2) and sections 34192-34196 were not to be implemented and all statutory deadlines contained in Part 1.85 (California Health and Safety Code sections 34170-34191) and arising before May 1, 2012 were ordered extended by four months. *Id.* Asterisks (*) identify those provisions that were either reformed or, in some cases, invalidated pursuant to *Matosantos*.

For useful reference, the Appendix contains certain provisions of the California Government Code and the California Revenue and Taxation Code that were amended pursuant to the enactment of AB 26, AB 1484, AB 471, and SB 107. Additionally, the Appendix contains certain provisions of the California Business and Professions Code that were amended pursuant to the enactment of Senate Bill No. 684 (Chapter 544, filed with the Secretary of State October 4, 2013, “SB 684”) which relates to outdoor advertising displays within redevelopment project areas.

PART 1. COMMUNITY REDEVELOPMENT LAW

CHAPTER 5. LEGAL ACTIONS

Article 1. Actions Involving Redevelopment Plans or Bonds

Health and Safety Code

33500. (a) Notwithstanding any other provision of law, including Section 33501, an action may be brought to review the validity of the adoption or amendment of a redevelopment plan at any time within 90 days after the date of the adoption of the ordinance adopting or amending the plan, if the adoption of the ordinance occurred prior to January 1, 2011.

(b) Notwithstanding any other provision of law, including Section 33501, an action may be brought to review the validity of any findings or determinations by the agency or the legislative body at any time within 90 days after the date on which the agency or the legislative body made those findings or determinations, if the findings or determinations occurred prior to January 1, 2011.

(c) Notwithstanding any other law, including Section 33501, an action may be brought to review the validity of the adoption or amendment of a redevelopment plan at any time within two years after the date of the adoption of the ordinance adopting or amending the plan, if the adoption of the ordinance occurred after January 1, 2011.

(d) Notwithstanding any other law, including Section 33501, an action may be brought to review the validity of any findings or determinations by the agency or the legislative body at any time within two years after the date on which the agency or the legislative body made those findings or determinations, if the findings or determinations occurred after January 1, 2011.

(e) The time limit for bringing an action under subdivision (c) or (d) shall be tolled with respect to the adoptions, findings, and determinations of any former redevelopment agency or its legislative body until the Department of Finance has issued a finding of completion to the successor agency of that former redevelopment agency pursuant to Section 34179.7. Subdivisions (c) and (d) shall not apply to any adoption, finding, or determination of any former redevelopment agency or its legislative body after the department has issued a finding of completion to the successor agency of that former redevelopment agency pursuant to Section 34179.7.

33501. (a) An action may be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure to determine the validity of bonds and the redevelopment plan to be financed or refinanced, in whole or in part, by the bonds, or to determine the validity of a redevelopment plan not financed by bonds, including without limiting the generality of the foregoing, the legality and validity of all proceedings theretofore taken for or in any way connected with the establishment of the agency, its authority to transact business and exercise its powers, the designation of the survey area, the selection of the project area, the

formulation of the preliminary plan, the validity of the finding and determination that the project area is predominantly urbanized, and the validity of the adoption of the redevelopment plan, and also including the legality and validity of all proceedings theretofore taken and (as provided in the bond resolution) proposed to be taken for the authorization, issuance, sale, and delivery of the bonds, and for the payment of the principal thereof and interest thereon.

(b) Notwithstanding subdivision (a), an action to determine the validity of a redevelopment plan, or amendment to a redevelopment plan that was adopted prior to January 1, 2011, may be brought within 90 days after the date of the adoption of the ordinance adopting or amending the plan.

(c) Any action that is commenced on or after January 1, 2011, which is brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure to determine the validity or legality of any issue, document, or action described in subdivision (a), may be brought within two years after any triggering event that occurred after January 1, 2011. The time limit for bringing an action under this subdivision shall be tolled with respect to the validity or legality of any issue, document, or action described in subdivision (a) of any former redevelopment agency or its legislative body until the Department of Finance has issued a finding of completion to the successor agency of that former redevelopment agency pursuant to Section 34179.7. This subdivision shall not apply to any adoption, finding, or determination of any former redevelopment agency or its legislative body after the department has issued a finding of completion to the successor agency of that former redevelopment agency pursuant to Section 34179.7.

(d) For the purposes of protecting the interests of the state, the Attorney General and the Department of Finance are interested persons pursuant to Section 863 of the Code of Civil Procedure in any action brought with respect to the validity of an ordinance adopting or amending a redevelopment plan pursuant to this section.

(e) For purposes of contesting the inclusion in a project area of lands that are enforceably restricted, as that term is defined in Sections 422 and 422.5 of the Revenue and Taxation Code, or lands that are in agricultural use, as defined in subdivision (b) of Section 51201 of the Government Code, the Department of Conservation, the county agricultural commissioner, the county farm bureau, the California Farm Bureau Federation, and agricultural entities and general farm organizations that provide a written request for notice, are interested persons pursuant to Section 863 of the Code of Civil Procedure, in any action brought with respect to the validity of an ordinance adopting or amending a redevelopment plan pursuant to this section.

PART 1. COMMUNITY REDEVELOPMENT LAW

CHAPTER 6. FINANCIAL PROVISIONS

Article 1. General

Health and Safety Code

33607.5. (a)(1) This section shall apply to each redevelopment project area that, pursuant to a redevelopment plan which contains the provisions required by Section 33670, is either: (A) adopted on or after January 1, 1994, including later amendments to these redevelopment plans; or (B) adopted prior to January 1, 1994, but amended, after January 1, 1994, to include new territory. For plans amended after January 1, 1994, only the tax increments from territory added by the amendment shall be subject to this section. All the amounts calculated pursuant to this section shall be calculated after the amount required to be deposited in the Low and Moderate Income Housing Fund pursuant to Sections 33334.2, 33334.3, and 33334.6 has been deducted from the total amount of tax increment funds received by the agency in the applicable fiscal year.

(2) The payments made pursuant to this section shall be in addition to any amounts the affected taxing entities receive pursuant to subdivision (a) of Section 33670. The payments made pursuant to this section to the affected taxing entities, including the community, shall be allocated among the affected taxing entities, including the community if the community elects to receive payments, in proportion to the percentage share of property taxes each affected taxing entity, including the community, receives during the fiscal year the funds are allocated, which percentage share shall be determined without regard to any amounts allocated to a city, a city and county, or a county pursuant to Sections 97.68 and 97.70 of the Revenue and Taxation Code, and without regard to any allocation reductions to a city, a city and county, a county, a special district, or a redevelopment agency pursuant to Sections 97.71, 97.72, and 97.73 of the Revenue and Taxation Code and Section 33681.12. The agency shall reduce its payments pursuant to this section to an affected taxing entity by any amount the agency has paid, directly or indirectly, pursuant to Section 33445, 33445.5, 33445.6, 33446, or any other provision of law other than this section for, or in connection with, a public facility owned or leased by that affected taxing agency, except: (A) any amounts the agency has paid directly or indirectly pursuant to an agreement with a taxing entity adopted prior to January 1, 1994; or (B) any amounts that are unrelated to the specific project area or amendment governed by this section. The reduction in a payment by an agency to a school district, community college district, or county office of education, or for special education, shall be subtracted only from the amount that otherwise would be available for use by those entities for educational facilities pursuant to paragraph (4). If the amount of the reduction exceeds the amount that otherwise would have been available for use for educational facilities in any one year, the agency shall reduce its payment in more than one year.

(3) If an agency reduces its payment to a school district, community college district, or county office of education, or for special education, the agency shall do all of the following:

(A) Determine the amount of the total payment that would have been made without the reduction.

(B) Determine the amount of the total payment without the reduction which: (i) would have been considered property taxes; and (ii) would have been available to be used for educational facilities pursuant to paragraph (4).

(C) Reduce the amount available to be used for educational facilities.

(D) Send the payment to the school district, community college district, or county office of education, or for special education, with a statement that the payment is being reduced and including the calculation required by this subdivision showing the amount to be considered property taxes and the amount, if any, available for educational facilities.

(4) (A) Except as specified in subparagraph (E), of the total amount paid each year pursuant to this section to school districts, 43.3 percent shall be considered to be property taxes for the purposes of paragraph (1) of subdivision (h) of Section 42238 of the Education Code, and 56.7 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for educational facilities, including, in the case of amounts paid during the 2011-12 fiscal year through the 2015-16 fiscal year, inclusive, land acquisition, facility construction, reconstruction, remodeling, maintenance, or deferred maintenance.

(B) Except as specified in subparagraph (E), of the total amount paid each year pursuant to this section to community college districts, 47.5 percent shall be considered to be property taxes for the purposes of Section 84751 of the Education Code, and 52.5 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for educational facilities, including, in the case of amounts paid during the 2011-12 fiscal year through the 2015-16 fiscal year, inclusive, land acquisition, facility construction, reconstruction, remodeling, maintenance, or deferred maintenance.

(C) Except as specified in subparagraph (E), of the total amount paid each year pursuant to this section to county offices of education, 19 percent shall be considered to be property taxes for the purposes of Section 2558 of the Education Code, and 81 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for educational facilities, including, in the case of amounts paid during the 2011-12 fiscal year through the 2015-16 fiscal year, inclusive, land acquisition, facility construction, reconstruction, remodeling, maintenance, or deferred maintenance.

(D) Except as specified in subparagraph (E), of the total amount paid each year pursuant to this section for special education, 19 percent shall be considered to be property taxes for the purposes of Section 56712 of the Education Code, and 81 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for education facilities, including, in the case of amounts paid during the 2011-12 fiscal year

through the 2015-16 fiscal year, inclusive, land acquisition, facility construction, reconstruction, remodeling, maintenance, or deferred maintenance.

(E) If, pursuant to paragraphs (2) and (3), an agency reduces its payments to an educational entity, the calculation made by the agency pursuant to paragraph (3) shall determine the amount considered to be property taxes and the amount available to be used for educational facilities in the year the reduction was made.

(5) Local education agencies that use funds received pursuant to this section for school facilities shall spend these funds at schools that are: (A) within the project area, (B) attended by students from the project area, (C) attended by students generated by projects that are assisted directly by the redevelopment agency, or (D) determined by the governing board of a local education agency to be of benefit to the project area.

(b) Commencing with the first fiscal year in which the agency receives tax increments and continuing through the last fiscal year in which the agency receives tax increments, a redevelopment agency shall pay to the affected taxing entities, including the community if the community elects to receive a payment, an amount equal to 25 percent of the tax increments received by the agency after the amount required to be deposited in the Low and Moderate Income Housing Fund has been deducted. In any fiscal year in which the agency receives tax increments, the community that has adopted the redevelopment project area may elect to receive the amount authorized by this paragraph.

(c) Commencing with the 11th fiscal year in which the agency receives tax increments and continuing through the last fiscal year in which the agency receives tax increments, a redevelopment agency shall pay to the affected taxing entities, other than the community which has adopted the project, in addition to the amounts paid pursuant to subdivision (b) and after deducting the amount allocated to the Low and Moderate Income Housing Fund, an amount equal to 21 percent of the portion of tax increments received by the agency, which shall be calculated by applying the tax rate against the amount of assessed value by which the current year assessed value exceeds the first adjusted base year assessed value. The first adjusted base year assessed value is the assessed value of the project area in the 10th fiscal year in which the agency receives tax increment revenues.

(d) Commencing with the 31st fiscal year in which the agency receives tax increments and continuing through the last fiscal year in which the agency receives tax increments, a redevelopment agency shall pay to the affected taxing entities, other than the community which has adopted the project, in addition to the amounts paid pursuant to subdivisions (b) and (c) and after deducting the amount allocated to the Low and Moderate Income Housing Fund, an amount equal to 14 percent of the portion of tax increments received by the agency, which shall be calculated by applying the tax rate against the amount of assessed value by which the current year assessed value exceeds the second adjusted base year assessed value. The second adjusted base year assessed value is the assessed value of the project area in the 30th fiscal year in which the agency receives tax increments.

(e) (1) Prior to incurring any loans, bonds, or other indebtedness, except loans or advances from the community, the agency may subordinate to the loans, bonds, or other indebtedness the amount required to be paid to an affected taxing entity by this section, provided that the affected taxing entity has approved these subordinations pursuant to this subdivision.

(2) At the time the agency requests an affected taxing entity to subordinate the amount to be paid to it, the agency shall provide the affected taxing entity with substantial evidence that sufficient funds will be available to pay both the debt service and the payments required by this section, when due.

(3) Within 45 days after receipt of the agency's request, the affected taxing entity shall approve or disapprove the request for subordination. An affected taxing entity may disapprove a request for subordination only if it finds, based upon substantial evidence, that the agency will not be able to pay the debt payments and the amount required to be paid to the affected taxing entity. If the affected taxing entity does not act within 45 days after receipt of the agency's request, the request to subordinate shall be deemed approved and shall be final and conclusive.

(f) (1) The Legislature finds and declares both of the following:

(A) The payments made pursuant to this section are necessary in order to alleviate the financial burden and detriment that affected taxing entities may incur as a result of the adoption of a redevelopment plan, and payments made pursuant to this section will benefit redevelopment project areas.

(B) The payments made pursuant to this section are the exclusive payments that are required to be made by a redevelopment agency to affected taxing entities during the term of a redevelopment plan.

(2) Notwithstanding any other provision of law, a redevelopment agency shall not be required, either directly or indirectly, as a measure to mitigate a significant environmental effect or as part of any settlement agreement or judgment brought in any action to contest the validity of a redevelopment plan pursuant to Section 33501, to make any other payments to affected taxing entities, or to pay for public facilities that will be owned or leased to an affected taxing entity.

(g) As used in this section, a "local education agency" is a school district, a community college district, or a county office of education.

33607.7. (a) This section shall apply to a redevelopment plan amendment for any redevelopment plans adopted prior to January 1, 1994, that increases the limitation on the number of dollars to be allocated to the redevelopment agency or that increases, or eliminates pursuant to paragraph (1) of subdivision (e) of Section 33333.6, the time limit on the establishing of loans, advances, and indebtedness established pursuant to paragraphs (1) and (2) of subdivision (a) of Section 33333.6, as those paragraphs read on December 31, 2001, or that lengthens the period during which the redevelopment plan is effective if the redevelopment plan

being amended contains the provisions required by subdivision (b) of Section 33670. However, this section shall not apply to those redevelopment plans that add new territory.

(b) If a redevelopment agency adopts an amendment that is governed by the provisions of this section, it shall pay to each affected taxing entity either of the following:

(1) If an agreement exists that requires payments to the taxing entity, the amount required to be paid by an agreement between the agency and an affected taxing entity entered into prior to January 1, 1994.

(2) If an agreement does not exist, the amounts required pursuant to subdivisions (b), (c), (d), and (e) of Section 33607.5, until termination of the redevelopment plan, calculated against the amount of assessed value by which the current year assessed value exceeds an adjusted base year assessed value. The amounts shall be allocated between property taxes and educational facilities, including, in the case of amounts paid during the 2011-12 fiscal year through the 2015-16 fiscal year, inclusive, land acquisition, facility construction, reconstruction, remodeling, maintenance, or deferred maintenance, according to the appropriate formula in paragraph (3) of subdivision (a) of Section 33607.5. In determining the applicable amount under Section 33607.5, the first fiscal year shall be the first fiscal year following the fiscal year in which the adjusted base year value is determined.

(c) The adjusted base year assessed value shall be the assessed value of the project area in the year in which the limitation being amended would have taken effect without the amendment or, if more than one limitation is being amended, the first year in which one or more of the limitations would have taken effect without the amendment. The agency shall commence making these payments pursuant to the terms of the agreement, if applicable, or, if an agreement does not exist, in the first fiscal year following the fiscal year in which the adjusted base year value is determined.

PART 1.8. RESTRICTIONS ON REDEVELOPMENT AGENCY OPERATIONS

CHAPTER 1. SUSPENSION OF AGENCY ACTIVITIES AND PROHIBITION ON CREATION OF NEW DEBTS

Health and Safety Code

34161. Notwithstanding Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), and Part 1.7 (commencing with Section 34100), or any other law, commencing on the effective date of this part, no agency shall incur new or expand existing monetary or legal obligations except as provided in this part. All of the provisions of this part shall take effect and be operative on the effective date of the act adding this part.

34162. (a) Notwithstanding Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), and Part 1.7 (commencing with Section 34100), or any other law, commencing on the effective date of this act, an agency shall be unauthorized and shall not take any action to incur indebtedness, including, but not limited to, any of the following:

(1) Issue or sell bonds, for any purpose, regardless of the source of repayment of the bonds. As used in this section, the term "bonds," includes, but is not limited to, any bonds, notes, bond anticipation notes, interim certificates, debentures, certificates of participation, refunding bonds, or other obligations issued by an agency pursuant to Part 1 (commencing with Section 33000), and Section 53583 of the Government Code, pursuant to any charter city authority or any revenue bond law.

(2) Incur indebtedness payable from prohibited sources of repayment, which include, but are not limited to, income and revenues of an agency's redevelopment projects, taxes allocated to the agency, taxes imposed by the agency pursuant to Section 7280.5 of the Revenue and Taxation Code, assessments imposed by the agency, loan repayments made to the agency pursuant to Section 33746, fees or charges imposed by the agency, other revenues of the agency, and any contributions or other financial assistance from the state or federal government.

(3) Refund, restructure, or refinance indebtedness or obligations that existed as of January 1, 2011, including, but not limited to, any of the following:

(A) Refund bonds previously issued by the agency or by another political subdivision of the state, including, but not limited to, those issued by a city, a housing authority, or a nonprofit corporation acting on behalf of a city or a housing authority.

(B) Exercise the right of optional redemption of any of its outstanding bonds or elect to purchase any of its own outstanding bonds.

(C) Modify or amend the terms and conditions, payment schedules, amortization or maturity dates of any of the agency's bonds or other obligations that are outstanding or exist as of January 1, 2011.

(4) Take out or accept loans or advances, for any purpose, from the state or the federal government, any other public agency, or any private lending institution, or from any other source. For purposes of this section, the term "loans" include, but are not limited to, agreements with the community or any other entity for the purpose of refinancing a redevelopment project and moneys advanced to the agency by the community or any other entity for the expenses of redevelopment planning, expenses for dissemination of redevelopment information, other administrative expenses, and overhead of the agency.

(5) Execute trust deeds or mortgages on any real or personal property owned or acquired by it.

(6) Pledge or encumber, for any purpose, any of its revenues or assets. As used in this part, an agency's "revenues and assets" include, but are not limited to, agency tax revenues, redevelopment project revenues, other agency revenues, deeds of trust and mortgages held by the agency, rents, fees, charges, moneys, accounts receivable, contracts rights, and other rights to payment of whatever kind or other real or personal property. As used in this part, to "pledge or encumber" means to make a commitment of, by the grant of a lien on and a security interest in, an agency's revenues or assets, whether by resolution, indenture, trust agreement, loan agreement, lease, installment sale agreement, reimbursement agreement, mortgage, deed of trust, pledge agreement, or similar agreement in which the pledge is provided for or created.

(b) Any actions taken that conflict with this section are void from the outset and shall have no force or effect.

(c) Notwithstanding subdivision (a), a redevelopment agency may issue refunding bonds, which are referred to in this part as Emergency Refunding Bonds, only where all of the following conditions are met:

(1) The issuance of Emergency Refunding Bonds is the only means available to the agency to avoid a default on outstanding agency bonds.

(2) Both the county treasurer and the Treasurer have approved the issuance of Emergency Refunding Bonds.

(3) Emergency Refunding Bonds are issued only to provide funds for any single debt service payment that is due prior to [February 1, 2012]*, and that is more than 20 percent larger than a level debt service payment would be for that bond.

(4) The principal amount of outstanding agency bonds is not increased.

[*Deadline reformed pursuant to *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.]

34163. Notwithstanding Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), and Part 1.7 (commencing with Section 34100), or any other law, commencing on the effective date of this part, an agency shall not have the authority to, and shall not, do any of the following:

(a) Make loans or advances or grant or enter into agreements to provide funds or provide financial assistance of any sort to any entity or person for any purpose, including, but not limited to, all of the following:

(1) Loans of moneys or any other thing of value or commitments to provide financing to nonprofit organizations to provide those organizations with financing for the acquisition, construction, rehabilitation, refinancing, or development of multifamily rental housing or the acquisition of commercial property for lease, each pursuant to Chapter 7.5 (commencing with Section 33741) of Part 1.

(2) Loans of moneys or any other thing of value for residential construction, improvement, or rehabilitation pursuant to Chapter 8 (commencing with Section 33750) of Part 1. These include, but are not limited to, construction loans to purchasers of residential housing, mortgage loans to purchasers of residential housing, and loans to mortgage lenders, or any other entity, to aid in financing pursuant to Chapter 8 (commencing with Section 33750).

(3) The purchase, by an agency, of mortgage or construction loans from mortgage lenders or from any other entities.

(b) Enter into contracts with, incur obligations, or make commitments to, any entity, whether governmental, tribal, or private, or any individual or groups of individuals for any purpose, including, but not limited to, loan agreements, passthrough agreements, regulatory agreements, services contracts, leases, disposition and development agreements, joint exercise of powers agreements, contracts for the purchase of capital equipment, agreements for redevelopment activities, including, but not limited to, agreements for planning, design, redesign, development, demolition, alteration, construction, reconstruction, rehabilitation, site remediation, site development or improvement, removal of graffiti, land clearance, and seismic retrofits.

(c) Amend or modify existing agreements, obligations, or commitments with any entity, for any purpose, including, but not limited to, any of the following:

(1) Renewing or extending term of leases or other agreements, except that the agency may extend lease space for its own use to a date not to exceed six months after the effective date of the act adding this part and for a rate no more than 5 percent above the rate the agency currently pays on a monthly basis.

(2) Modifying terms and conditions of existing agreements, obligations, or commitments.

(3) Forgiving all or any part of the balance owed to the agency on existing loans or extend the term or change the terms and conditions of existing loans.

(4) Making any future deposits to the Low and Moderate Income Housing Fund created pursuant to Section 33334.3.

(5) Transferring funds out of the Low and Moderate Income Housing Fund, except to meet the minimum housing-related obligations that existed as of January 1, 2011, to make required payments under Sections 33690 and 33690.5, and to borrow funds pursuant to Section 34168.5.

(d) Dispose of assets by sale, long-term lease, gift, grant, exchange, transfer, assignment, or otherwise, for any purpose, including, but not limited to, any of the following:

(1) Assets, including, but not limited to, real property, deeds of trust, and mortgages held by the agency, moneys, accounts receivable, contract rights, proceeds of insurance claims, grant proceeds, settlement payments, rights to receive rents, and any other rights to payment of whatever kind.

(2) Real property, including, but not limited to, land, land under water and waterfront property, buildings, structures, fixtures, and improvements on the land, any property appurtenant to, or used in connection with, the land, every estate, interest, privilege, easement, franchise, and right in land, including rights-of-way, terms for years, and liens, charges, or encumbrances by way of judgment, mortgage, or otherwise, and the indebtedness secured by the liens.

(e) Acquire real property by any means for any purpose, including, but not limited to, the purchase, lease, or exercising of an option to purchase or lease, exchange, subdivide, transfer, assume, obtain option upon, acquire by gift, grant, bequest, devise, or otherwise acquire any real property, any interest in real property, and any improvements on it, including the repurchase of developed property previously owned by the agency and the acquisition of real property by eminent domain; provided, however, that nothing in this subdivision is intended to prohibit the acceptance or transfer of title for real property acquired prior to the effective date of this part.

(f) Transfer, assign, vest, or delegate any of its assets, funds, rights, powers, ownership interests, or obligations for any purpose to any entity, including, but not limited to, the community, the legislative body, another member of a joint powers authority, a trustee, a receiver, a partner entity, another agency, a nonprofit corporation, a contractual counterparty, a public body, a limited-equity housing cooperative, the state, a political subdivision of the state, the federal government, any private entity, or an individual or group of individuals.

(g) Accept financial or other assistance from the state or federal government or any public or private source if the acceptance necessitates or is conditioned upon the agency incurring indebtedness as that term is described in this part.

34164. Notwithstanding Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), and Part 1.7 (commencing with Section 34100), or any other law, commencing on the effective date of this part, an agency shall lack the authority to, and shall not, engage in any of the following redevelopment activities:

(a) Prepare, approve, adopt, amend, or merge a redevelopment plan, including, but not limited to, modifying, extending, or otherwise changing the time limits on the effectiveness of a redevelopment plan.

(b) Create, designate, merge, expand, or otherwise change the boundaries of a project area.

(c) Designate a new survey area or modify, extend, or otherwise change the boundaries of an existing survey area.

(d) Approve or direct or cause the approval of any program, project, or expenditure where approval is not required by law.

(e) Prepare, formulate, amend, or otherwise modify a preliminary plan or cause the preparation, formulation, modification, or amendment of a preliminary plan.

(f) Prepare, formulate, amend, or otherwise modify an implementation plan or cause the preparation, formulation, modification, or amendment of an implementation plan.

(g) Prepare, formulate, amend, or otherwise modify a relocation plan or cause the preparation, formulation, modification, or amendment of a relocation plan where approval is not required by law.

(h) Prepare, formulate, amend, or otherwise modify a redevelopment housing plan or cause the preparation, formulation, modification, or amendment of a redevelopment housing plan.

(i) Direct or cause the development, rehabilitation, or construction of housing units within the community, unless required to do so by an enforceable obligation.

(j) Make or modify a declaration or finding of blight, blighted areas, or slum and blighted residential areas.

(k) Make any new findings or declarations that any areas of blight cannot be remedied or redeveloped by private enterprise alone.

(l) Provide or commit to provide relocation assistance, except where the provision of relocation assistance is required by law.

(m) Provide or commit to provide financial assistance.

34165. Notwithstanding Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), and Part 1.7 (commencing with Section 34100), or any other law, commencing on the effective date of this part, an agency shall lack the authority to, and shall not, do any of the following:

(a) Enter into new partnerships, become a member in a joint powers authority, form a joint powers authority, create new entities, or become a member of any entity of which it is not currently a member, nor take on nor agree to any new duties or obligations as a member or otherwise of any entity to which the agency belongs or with which it is in any way associated.

(b) Impose new assessments pursuant to Section 7280.5 of the Revenue and Taxation Code.

(c) Increase the pay, benefits, or contributions of any sort for any officer, employee, consultant, contractor, or any other goods or service provider that had not previously been contracted.

(d) Provide optional or discretionary bonuses to any officers, employees, consultants, contractors, or any other service or goods providers.

(e) Increase numbers of staff employed by the agency beyond the number employed as of January 1, 2011.

(f) Bring an action pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure to determine the validity of any issuance or proposed issuance of revenue bonds under this chapter and the legality and validity of all proceedings previously taken or proposed in a resolution of an agency to be taken for the authorization, issuance, sale, and delivery of the revenue bonds and for the payment of the principal thereof and interest thereon.

(g) Begin any condemnation proceeding or begin the process to acquire real property by eminent domain.

(h) Prepare or have prepared a draft environmental impact report. This subdivision shall not alter or eliminate any requirements of the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

34166. No legislative body or local governmental entity shall have any statutory authority to create or otherwise establish a new redevelopment agency or community development commission. No chartered city or chartered county shall exercise the powers granted in Part 1 (commencing with Section 33000) to create or otherwise establish a redevelopment agency.

34167. (a) This part is intended to preserve, to the maximum extent possible, the revenues and assets of redevelopment agencies so that those assets and revenues that are not

needed to pay for enforceable obligations may be used by local governments to fund core governmental services including police and fire protection services and schools. It is the intent of the Legislature that redevelopment agencies take no actions that would further deplete the corpus of the agencies' funds regardless of their original source. All provisions of this part shall be construed as broadly as possible to support this intent and to restrict the expenditure of funds to the fullest extent possible.

(b) For purposes of this part, "agency" or "redevelopment agency" means a redevelopment agency created or formed pursuant to Part 1 (commencing with Section 33000) or its predecessor or a community development commission created or formed pursuant to Part 1.7 (commencing with Section 34100) or its predecessor.

(c) Nothing in this part in any way impairs the authority of a community development commission, other than in its authority to act as a redevelopment agency, to take any actions in its capacity as a housing authority or for any other community development purpose of the jurisdiction in which it operates.

(d) For purposes of this part, "enforceable obligation" means any of the following:

(1) Bonds, as defined by Section 33602 and bonds issued pursuant to Section 5850 of the Government Code, including the required debt service, reserve set-asides and any other payments required under the indenture or similar documents governing the issuance of the outstanding bonds of the redevelopment agency.

(2) Loans of moneys borrowed by the redevelopment agency for a lawful purpose, including, but not limited to, moneys borrowed from the Low and Moderate Income Housing Fund, to the extent they are legally required to be repaid pursuant to a required repayment schedule or other mandatory loan terms.

(3) Payments required by the federal government, preexisting obligations to the state or obligations imposed by state law, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183, or legally enforceable payments required in connection with the agencies' employees, including, but not limited to, pension payments, pension obligation debt service, and unemployment payments.

(4) Judgments or settlements entered by a competent court of law or binding arbitration decisions against the former redevelopment agency, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183. Along with the successor agency, the oversight board shall have the authority and standing to appeal any judgment or to set aside any settlement or arbitration decision.

(5) Any legally binding and enforceable agreement or contract that is not otherwise void as violating the debt limit or public policy.

(6) Contracts or agreements necessary for the continued administration or operation of the redevelopment agency to the extent permitted by this part, including, but not

limited to, agreements to purchase or rent office space, equipment and supplies, and pay-related expenses pursuant to Section 33127 and for carrying insurance pursuant to Section 33134.

(e) To the extent that any provision of Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), or Part 1.7 (commencing with Section 34100) conflicts with this part, the provisions of this part shall control. Further, if any provision in Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), or Part 1.7 (commencing with Section 34100) provides an authority that this part is restricting or eliminating, the restriction and elimination provisions of this part shall control.

(f) Nothing in this part shall be construed to interfere with a redevelopment agency's authority, pursuant to enforceable obligations as defined in this chapter, to (1) make payments due, (2) enforce existing covenants and obligations, or (3) perform its obligations.

(g) The existing terms of any memorandum of understanding with an employee organization representing employees of a redevelopment agency adopted pursuant to the Meyers-Milias-Brown Act that is in force on the effective date of this part shall continue in force until [January 31, 2012]*, unless a new agreement is reached with a recognized employee organization prior to that date.

(h) After the enforceable obligation payment schedule is adopted pursuant to Section 34169, or after 60 days from the effective date of this part, whichever is sooner, the agency shall not make a payment unless it is listed in an adopted enforceable obligation payment schedule, other than payments required to meet obligations with respect to bonded indebtedness.

(i) The Department of Finance and the Controller shall each have the authority to require any documents associated with the enforceable obligations to be provided to them in a manner of their choosing. Any taxing entity, the department, and the Controller shall each have standing to file a judicial action to prevent a violation under this part and to obtain injunctive or other appropriate relief.

(j) For purposes of this part, "auditor-controller" means the officer designated in subdivision (e) of Section 24000 of the Government Code.

[*Deadline reformed pursuant to *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.]

34167.5. Commencing on the effective date of the act adding this part, the Controller shall review the activities of redevelopment agencies in the state to determine whether an asset transfer has occurred after January 1, 2011, between the city or county, or city and county that created a redevelopment agency or any other public agency, and the redevelopment agency. If such an asset transfer did occur during that period and the government agency that received the assets is not contractually committed to a third party for the expenditure or encumbrance of those assets, to the extent not prohibited by state and federal law, the Controller shall order the

available assets to be returned to the redevelopment agency or, on or after [February 1, 2012]*, to the successor agency, if a successor agency is established pursuant to Part 1.85 (commencing with Section 34170). Upon receiving such an order from the Controller, an affected local agency shall, as soon as practicable, reverse the transfer and return the applicable assets to the redevelopment agency or, on or after [February 1, 2012]*, to the successor agency, if a successor agency is established pursuant to Part 1.85 (commencing with Section 34170). The Legislature hereby finds that a transfer of assets by a redevelopment agency during the period covered in this section is deemed not to be in the furtherance of the Community Redevelopment Law and is thereby unauthorized.

[*Deadline reformed pursuant to *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.]

34167.10. (a) Notwithstanding any other law, for purposes of this part and Part 1.85 (commencing with Section 34170), the definition of a city, county, or city and county includes, but is not limited to, the following entities:

(1) Any reporting entity of the city, county, or city and county for purposes of its comprehensive annual financial report or similar report.

(2) Any component unit of the city, county, or city and county.

(3) Any entity which is controlled by the city, county, or city and county, or for which the city, county, or city and county is financially responsible or accountable.

(b) The following factors shall be considered in determining that an entity is controlled by the city, county, or city and county, and are therefore included in the definition of a city, county, or city and county for purposes of this part and Part 1.85 (commencing with Section 34170):

(1) The city, county, or city and county exercises substantial municipal control over the entity's operations, revenues, or expenditures.

(2) The city, county, or city and county has ownership or control over the entity's property or facilities.

(3) The city, county, or city and county and the entity share common or overlapping governing boards, or coterminous boundaries.

(4) The city, county, or city and county was involved in the creation or formation of the entity.

(5) The entity performs functions customarily or historically performed by municipalities and financed through levies of property taxes.

(6) The city, county, or city and county provides administrative and related business support for the entity, or assumes the expenses incurred in the normal daily operations of the entity.

(c) For purposes of this section, it shall not be relevant that the entity is formed as a separate legal entity, nonprofit corporation, or otherwise, or is not subject to the constitution debt limitation otherwise applicable to a city, county, or city and county. The provisions in this section are declarative of existing law as the entities described herein are and were intended to be included within the requirements of this part and Part 1.85 (commencing with Section 34170) and any attempt to determine otherwise would thwart the intent of these two parts.

34168. (a) Notwithstanding any other law, any action contesting the validity of this part or Part 1.85 (commencing with Section 34170) or challenging acts taken pursuant to these parts shall be brought in the Superior Court of the County of Sacramento.

(b) If any provision of this part or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this part which can be given effect without the invalid provision or application, and to this end, the provisions of this part are severable.

PART 1.8. RESTRICTIONS ON REDEVELOPMENT AGENCY OPERATIONS

CHAPTER 2. REDEVELOPMENT AGENCY RESPONSIBILITIES

Health and Safety Code

34169. Until successor agencies are authorized pursuant to Part 1.85 (commencing with Section 34170), redevelopment agencies shall do all of the following:

(a) Continue to make all scheduled payments for enforceable obligations, as defined in subdivision (d) of Section 34167.

(b) Perform obligations required pursuant to any enforceable obligations, including, but not limited to, observing covenants for continuing disclosure obligations and those aimed at preserving the tax-exempt status of interest payable on any outstanding agency bonds.

(c) Set aside or maintain reserves in the amount required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(d) Consistent with the intent declared in subdivision (a) of Section 34167, preserve all assets, minimize all liabilities, and preserve all records of the redevelopment agency.

(e) Cooperate with the successor agencies, if established pursuant to Part 1.85 (commencing with Section 34170), and provide all records and information necessary or desirable for audits, making of payments required by enforceable obligations, and performance of enforceable obligations by the successor agencies.

(f) Take all reasonable measures to avoid triggering an event of default under any enforceable obligations as defined in subdivision (d) of Section 34167.

(g) (1) Within 60 days of the effective date of this part, adopt an Enforceable Obligation Payment Schedule that lists all of the obligations that are enforceable within the meaning of subdivision (d) of Section 34167 which includes the following information about each obligation:

(A) The project name associated with the obligation.

(B) The payee.

(C) A short description of the nature of the work, product, service, facility, or other thing of value for which payment is to be made.

(D) The amount of payments obligated to be made, by month, through December 2011.

(2) Payment schedules for issued bonds may be aggregated, and payment schedules for payments to employees may be aggregated. This schedule shall be adopted at a public meeting and shall be posted on the agency's Internet Web site or, if no Internet Web site exists, on the Internet Web site of the legislative body, if that body has an Internet Web site. The schedule may be amended at any public meeting of the agency. Amendments shall be posted to the Internet Web site for at least three business days before a payment may be made pursuant to an amendment. The Enforceable Obligation Payment Schedule shall be transmitted by mail or electronic means to the county auditor-controller, the Controller, and the Department of Finance. A notification providing the Internet Web site location of the posted schedule and notifications of any amendments shall suffice to meet this requirement.

(h) Prepare a preliminary draft of the initial recognized obligation payment schedule, no later than [January 31, 2012]*, and provide it to the successor agency, if a successor agency is established pursuant to Part 1.85 (commencing with Section 34170).

(i) The Department of Finance may review a redevelopment agency action taken pursuant to subdivision (g) or (h). As such, all agency actions shall not be effective for three business days, pending a request for review by the department. Each agency shall designate an official to whom the department may make these requests and who shall provide the department with the telephone number and e-mail contact information for the purpose of communicating with the department pursuant to this subdivision. In the event that the department requests a review of a given agency action, the department shall have 10 days from the date of its request to approve the agency action or return it to the agency for reconsideration and this action shall not be effective until approved by the department. In the event that the department returns the agency action to the agency for reconsideration, the agency must resubmit the modified action for department approval and the modified action shall not become effective until approved by the department. This subdivision shall apply to a successor agency, if a successor agency is established pursuant to Part 1.85 (commencing with Section 34170), as a successor entity to a dissolved redevelopment agency, with respect to the preliminary draft of the initial recognized obligation payment schedule.

[*Deadline reformed pursuant to *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.]

PART 1.8. RESTRICTIONS ON REDEVELOPMENT AGENCY OPERATIONS

**CHAPTER 3. APPLICATION OF PART TO FORMER PARTICIPANTS
OF THE ALTERNATIVE VOLUNTARY
REDEVELOPMENT PROGRAM**

Health and Safety Code

34169.5. (a) It is the intent of the Legislature that a redevelopment agency, that formerly operated pursuant to the Alternative Voluntary Redevelopment Program (Part 1.9 (commencing with Section 34192)), but that becomes subject to this part pursuant to Section 34195, shall be subject to all of the requirements of this part, except that dates and deadlines shall be appropriately modified, as provided in this section, to reflect the date that the agency becomes subject to this part.

(b) For purposes of a redevelopment agency that becomes subject to this part pursuant to Section 34195, the following shall apply:

(1) Any reference to "January 1, 2011," shall be construed to mean January 1 of the year preceding the year that the redevelopment agency became subject to this part, but no earlier than January 1, 2011.

(2) Any reference to a date "60 days from the effective date of this part" shall be construed to mean 60 days from the date that the redevelopment agency becomes subject to this part.

(3) Except as provided in paragraphs (1) and (2), any reference to a date certain shall be construed to be the date, measured from the date that the redevelopment agency became subject to this part that is equivalent to the duration of time between the effective date of this part and the date certain identified in statute.

**PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND
DESIGNATION OF SUCCESSOR AGENCIES**

**CHAPTER 1. EFFECTIVE DATE, CREATION OF FUNDS, AND
DEFINITION OF TERMS**

Health and Safety Code

34170. (a) Unless otherwise specified, all provisions of this part shall become operative on [February 1, 2012]*.

(b) If any provision of this part or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this part which can be given effect without the invalid provision or application, and to this end, the provisions of this part are severable.

[*Deadline reformed pursuant to *California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.*]

34170.1. Any action by the department carrying out the department's obligations under this part and Part 1.8 (commencing with Section 34161) constitutes a department action for the preparation, development, or administration of the state budget pursuant to Section 11357 of the Government Code, and is exempt from Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. This section applies retroactively to any action by the department described in this section that occurred on or after June 28, 2011.

34170.5. (a) The successor agency shall create within its treasury a Redevelopment Obligation Retirement Fund to be administered by the successor agency.

(b) The county auditor-controller shall create within the county treasury a Redevelopment Property Tax Trust Fund for the property tax revenues related to each former redevelopment agency, for administration by the county auditor-controller.

34171. The following terms shall have the following meanings:

(a) "Administrative budget" means the budget for administrative costs of the successor agencies as provided in Section 34177.

(b) (1) "Administrative cost allowance" means the maximum amount of administrative costs that may be paid by a successor agency from the Redevelopment Property Tax Trust Fund in a fiscal year.

(2) The administrative cost allowance shall be 5 percent of the property tax allocated to the successor agency on the Recognized Obligation Payment Schedule covering the period January 1, 2012, through June 30, 2012. The administrative cost allowance shall be up to 3 percent of the property tax allocated to the Redevelopment Obligation Retirement Fund for each fiscal year thereafter ending on June 30, 2016. However, the administrative cost allowance shall not be less than two hundred fifty thousand dollars (\$250,000) in any fiscal year, unless this amount is reduced by the oversight board or by agreement with the successor agency.

(3) Commencing July 1, 2016, and for each fiscal year thereafter, the administrative cost allowance shall be up to 3 percent of the actual property tax distributed to the successor agency by the county auditor-controller in the preceding fiscal year for payment of approved enforceable obligations, reduced by the successor agency's administrative cost allowance and loan repayments made to the city, county, or city and county that created the redevelopment agency that it succeeded pursuant to subdivision (b) of Section 34191.4 during the preceding fiscal year. However, the administrative cost allowance shall not be less than two hundred fifty thousand dollars (\$250,000) in any fiscal year, unless this amount is reduced by the oversight board or by agreement between the successor agency and the department.

(4) Notwithstanding paragraph (3), commencing July 1, 2016, a successor agency's annual administrative costs shall not exceed 50 percent of the total Redevelopment Property Tax Trust Fund distributed to pay enforceable obligations in the preceding fiscal year, which latter amount shall be reduced by the successor agency's administrative cost allowance and loan repayments made to the city, county, or city and county that created the redevelopment agency that it succeeded pursuant to subdivision (b) of Section 34191.4 during the preceding fiscal year. This limitation applies to administrative costs whether paid within the administrative cost allowance or not, but does not apply to administrative costs paid from bond proceeds or grant funds, or, in the case of a successor agency that is a designated local authority, from sources other than property tax.

(5) The administrative cost allowance shall be approved by the oversight board and shall be the sole funding source for any legal expenses related to civil actions brought by the successor agency or the city, county, or city and county that created the former redevelopment agency, including writ proceedings, contesting the validity of this part or Part 1.8 (commencing with Section 34161) or challenging acts taken pursuant to these parts. Employee costs associated with work on specific project implementation activities, including, but not limited to, construction inspection, project management, or actual construction, shall be considered project-specific costs and shall not constitute administrative costs.

(c) "Designated local authority" shall mean a public entity formed pursuant to subdivision (d) of Section 34173.

(d) (1) “Enforceable obligation” means any of the following:

(A) Bonds, as defined by Section 33602 and bonds issued pursuant to Chapter 10.5 (commencing with Section 5850) of Division 6 of Title 1 of the Government Code, including the required debt service, reserve set-asides, and any other payments required under the indenture or similar documents governing the issuance of the outstanding bonds of the former redevelopment agency. A reserve may be held when required by the bond indenture or when the next property tax allocation will be insufficient to pay all obligations due under the provisions of the bond for the next payment due in the following half of the calendar year.

(B) Loans of moneys borrowed by the redevelopment agency for a lawful purpose, to the extent they are legally required to be repaid pursuant to a required repayment schedule or other mandatory loan terms.

(C) Payments required by the federal government, preexisting obligations to the state or obligations imposed by state law, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183, or legally enforceable payments required in connection with the agencies’ employees, including, but not limited to, pension payments, pension obligation debt service, unemployment payments, or other obligations conferred through a collective bargaining agreement. Costs incurred to fulfill collective bargaining agreements for layoffs or terminations of city employees who performed work directly on behalf of the former redevelopment agency shall be considered enforceable obligations payable from property tax funds. The obligations to employees specified in this subparagraph shall remain enforceable obligations payable from property tax funds for any employee to whom those obligations apply if that employee is transferred to the entity assuming the housing functions of the former redevelopment agency pursuant to Section 34176. The successor agency or designated local authority shall enter into an agreement with the housing entity to reimburse it for any costs of the employee obligations.

(D) Judgments or settlements entered by a competent court of law or binding arbitration decisions against the former redevelopment agency, other than passthrough payments that are made by the county auditor-controller pursuant to Section 34183. Along with the successor agency, the oversight board shall have the authority and standing to appeal any judgment or to set aside any settlement or arbitration decision.

(E) Any legally binding and enforceable agreement or contract that is not otherwise void as violating the debt limit or public policy. However, nothing in this act shall prohibit either the successor agency, with the approval or at the direction of the oversight board, or the oversight board itself from terminating any existing agreements or contracts and providing any necessary and required compensation or remediation for such termination. Titles of or headings used on or in a document shall not be relevant in determining the existence of an enforceable obligation.

(F) (i) Contracts or agreements necessary for the administration or operation of the successor agency, in accordance with this part, including, but not limited to,

agreements concerning litigation expenses related to assets or obligations, settlements and judgments, and the costs of maintaining assets prior to disposition, and agreements to purchase or rent office space, equipment and supplies, and pay-related expenses pursuant to Section 33127 and for carrying insurance pursuant to Section 33134. Beginning January 1, 2016, any legal expenses related to civil actions, including writ proceedings, contesting the validity of this part or Part 1.8 (commencing with Section 34161) or challenging acts taken pursuant to these parts shall only be payable out of the administrative cost allowance.

(ii) A sponsoring entity may provide funds to a successor agency for payment of legal expenses related to civil actions initiated by the successor agency, including writ proceedings, contesting the validity of this part or Part 1.8 (commencing with Section 34161) or challenging acts taken pursuant to these parts. If the successor agency obtains a final judicial determination granting the relief requested in the action, the funds provided by the sponsoring entity for legal expenses related to successful causes of action pled by the successor agency shall be deemed an enforceable obligation for repayment under the terms set forth in subdivision (h) of Section 34173. If the successor agency does not receive a final judicial determination granting the relief requested, the funds provided by the sponsoring entity shall be considered a grant by the sponsoring entity and shall not qualify for repayment as an enforceable obligation.

(G) Amounts borrowed from, or payments owing to, the Low and Moderate Income Housing Fund of a redevelopment agency, which had been deferred as of the effective date of the act adding this part; provided, however, that the repayment schedule is approved by the oversight board. Repayments shall be transferred to the Low and Moderate Income Housing Asset Fund established pursuant to subdivision (d) of Section 34176 as a housing asset and shall be used in a manner consistent with the affordable housing requirements of the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(2) For purposes of this part, “enforceable obligation” does not include any agreements, contracts, or arrangements between the city, county, or city and county that created the redevelopment agency and the former redevelopment agency. However, written agreements entered into (A) at the time of issuance, but in no event later than December 31, 2010, of indebtedness obligations, and (B) solely for the purpose of securing or repaying those indebtedness obligations may be deemed enforceable obligations for purposes of this part. Additionally, written agreements entered into (A) at the time of issuance, but in no event later than June 27, 2011, of indebtedness obligations solely for the refunding or refinancing of other indebtedness obligations that existed prior to January 1, 2011, and (B) solely for the purpose of securing or repaying the refunded or refinanced indebtedness obligations may be deemed enforceable obligations for purposes of this part. Notwithstanding this paragraph, loan agreements entered into between the redevelopment agency and the city, county, or city and county that created it, within two years of the date of creation of the redevelopment agency, may be deemed to be enforceable obligations. Notwithstanding this paragraph, an agreement entered

into by the redevelopment agency prior to June 28, 2011, is an enforceable obligation if the agreement relates to state highway infrastructure improvements to which the redevelopment agency committed funds pursuant to Section 33445. Notwithstanding this paragraph, an agreement between the city, county, or city and county that created the former redevelopment agency and the former redevelopment agency is an enforceable obligation if that agreement requires the former redevelopment agency to repay or fulfill an outstanding loan or development obligation imposed by a grant or loan awarded or issued by a federal agency, including the United States Department of Housing and Urban Development, to the city, county, or city and county which subsequently loaned or provided those funds to the former redevelopment agency.

(3) Contracts or agreements between the former redevelopment agency and other public agencies, to perform services or provide funding for governmental or private services or capital projects outside of redevelopment project areas that do not provide benefit to the redevelopment project and thus were not properly authorized under Part 1 (commencing with Section 33000) shall be deemed void on the effective date of this part; provided, however, that such contracts or agreements for the provision of housing properly authorized under Part 1 (commencing with Section 33000) shall not be deemed void.

(e) "Indebtedness obligations" means bonds, notes, certificates of participation, or other evidence of indebtedness, issued or delivered by the redevelopment agency, or by a joint exercise of powers authority created by the redevelopment agency, to third-party investors or bondholders to finance or refinance redevelopment projects undertaken by the redevelopment agency in compliance with the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(f) "Oversight board" shall mean each entity established pursuant to Section 34179.

(g) "Recognized obligation" means an obligation listed in the Recognized Obligation Payment Schedule.

(h) "Recognized Obligation Payment Schedule" means the document setting forth the minimum payment amounts and due dates of payments required by enforceable obligations for each six-month fiscal period until June 30, 2016, as provided in subdivision (m) of Section 34177. On and after July 1, 2016, "Recognized Obligation Payment Schedule" means the document setting forth the minimum payment amounts and due dates of payments required by enforceable obligations for each fiscal year as provided in subdivision (o) of Section 34177.

(i) "School entity" means any entity defined as such in subdivision (f) of Section 95 of the Revenue and Taxation Code.

(j) "Successor agency" means the successor entity to the former redevelopment agency as described in Section 34173.

(k) “Taxing entities” means cities, counties, a city and county, special districts, and school entities, as defined in subdivision (f) of Section 95 of the Revenue and Taxation Code, that receive passthrough payments and distributions of property taxes pursuant to the provisions of this part.

(l) “Property taxes” include all property tax revenues, including those from unitary and supplemental and roll corrections applicable to tax increment.

(m) “Department” means the Department of Finance unless the context clearly refers to another state agency.

(n) “Sponsoring entity” means the city, county, or city and county, or other entity that authorized the creation of each redevelopment agency.

(o) “Final judicial determination” means a final judicial determination made by any state court that is not appealed, or by a court of appellate jurisdiction that is not further appealed, in an action by any party.

(p) From July 1, 2014, to July 1, 2018, inclusive, “housing entity administrative cost allowance” means an amount of up to 1 percent of the property tax allocated to the Redevelopment Obligation Retirement Fund on behalf of the successor agency for each applicable fiscal year, but not less than one hundred fifty thousand dollars (\$150,000) per fiscal year.

(1) If a local housing authority assumed the housing functions of the former redevelopment agency pursuant to paragraph (2) or (3) of subdivision (b) of Section 34176, then the housing entity administrative cost allowance shall be listed by the successor agency on the Recognized Obligation Payment Schedule. Upon approval of the Recognized Obligation Payment Schedule by the oversight board and the department, the housing entity administrative cost allowance shall be remitted by the successor agency on each January 2 and July 1 to the local housing authority that assumed the housing functions of the former redevelopment agency pursuant to paragraph (2) or (3) of subdivision (b) of Section 34176.

(2) If there are insufficient moneys in the Redevelopment Obligations Retirement Fund in a given fiscal year to make the payment authorized by this subdivision, the unfunded amount may be listed on each subsequent Recognized Obligation Payment Schedule until it has been paid in full. In these cases the five-year time limit on the payments shall not apply.

**PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND
DESIGNATION OF SUCCESSOR AGENCIES**

CHAPTER 2. EFFECT OF REDEVELOPMENT AGENCY DISSOLUTION

Health and Safety Code

34172. (a) (1) All redevelopment agencies and redevelopment agency components of community development agencies created under Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), and Part 1.7 (commencing with Section 34100) that were in existence on the effective date of this part are hereby dissolved and shall no longer exist as a public body, corporate or politic. Nothing in this part dissolves or otherwise affects the authority of a community redevelopment commission, other than in its authority to act as a redevelopment agency, in its capacity as a housing authority or for any other community development purpose of the jurisdiction in which it operates. For those other nonredevelopment purposes, the community development commission derives its authority solely from federal or local laws, or from state laws other than the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(2) [Section invalidated pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

(b) All authority to transact business or exercise powers previously granted under the Community Redevelopment Law (Part 1 (commencing with Section 33000)) is hereby withdrawn from the former redevelopment agencies.

(c) Solely for purposes of Section 16 of Article XVI of the California Constitution, the Redevelopment Property Tax Trust Fund shall be deemed to be a special fund of the dissolved redevelopment agency to pay the principal of and interest on loans, moneys advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise incurred by the redevelopment agency to finance or refinance, in whole or in part, the redevelopment projects of each redevelopment agency dissolved pursuant to this part.

(d) Revenues equivalent to those that would have been allocated pursuant to subdivision (b) of Section 16 of Article XVI of the California Constitution shall be allocated to the Redevelopment Property Tax Trust Fund of each successor agency for making payments on the principal of and interest on loans, and moneys advanced to or indebtedness incurred by the dissolved redevelopment agencies. Amounts in excess of those necessary to pay obligations of the former redevelopment agency shall be deemed to be property tax revenues within the meaning of subdivision (a) of Section 1 of Article XIII A of the California Constitution.

34173. (a) Successor agencies, as defined in this part, are hereby designated as successor entities to the former redevelopment agencies.

(b) Except for those provisions of the Community Redevelopment Law that are repealed, restricted, or revised pursuant to the act adding this part, all authority, rights, powers, duties, and obligations previously vested with the former redevelopment agencies, under the Community Redevelopment Law, are hereby vested in the successor agencies.

(c) (1) If the redevelopment agency was in the form of a joint powers authority, and if the joint powers agreement governing the formation of the joint powers authority addresses the allocation of assets and liabilities upon dissolution of the joint powers authority, then each of the entities that created the former redevelopment agency may be a successor agency within the meaning of this part and each shall have a share of assets and liabilities based on the provisions of the joint powers agreement.

(2) If the redevelopment agency was in the form of a joint powers authority, and if the joint powers agreement governing the formation of the joint powers authority does not address the allocation of assets and liabilities upon dissolution of the joint powers authority, then each of the entities that created the former redevelopment agency may be a successor agency within the meaning of this part, a proportionate share of the assets and liabilities shall be based on the assessed value in the project areas within each entity's jurisdiction, as determined by the county assessor, in its jurisdiction as compared to the assessed value of land within the boundaries of the project areas of the former redevelopment agency.

(d) (1) A city, county, city and county, or the entities forming the joint powers authority that authorized the creation of each redevelopment agency may elect not to serve as a successor agency under this part. A city, county, city and county, or any member of a joint powers authority that elects not to serve as a successor agency under this part must file a copy of a duly authorized resolution of its governing board to that effect with the county auditor-controller no later than January 13, 2012*.

(2) The determination of the first local agency that elects to become the successor agency shall be made by the county auditor-controller based on the earliest receipt by the county auditor-controller of a copy of a duly adopted resolution of the local agency's governing board authorizing such an election. As used in this section, "local agency" means any city, county, city and county, or special district in the county of the former redevelopment agency.

(3) (A) If no local agency elects to serve as a successor agency for a dissolved redevelopment agency, a public body, referred to herein as a "designated local authority" shall be immediately formed, pursuant to this part, in the county and shall be vested with all the powers and duties of a successor agency as described in this part. The Governor shall appoint three residents of the county to serve as the governing board of the authority. The designated local authority shall serve as successor agency until a local agency elects to become the successor agency in accordance with this section.

(B) Designated local authority members are protected by the immunities applicable to public entities and public employees governed by Part 1 (commencing with Section

810) and Part 2 (commencing with Section 814) of Division 3.6 of Title 1 of the Government Code.

(4) A city, county, or city and county, or the entities forming the joint powers authority that authorized the creation of a redevelopment agency and that elected not to serve as the successor agency under this part, may subsequently reverse this decision and agree to serve as the successor agency pursuant to this section. Any reversal of this decision shall not become effective for 60 days after notice has been given to the current successor agency and the oversight board and shall not invalidate any action of the successor agency or oversight board taken prior to the effective date of the transfer of responsibility.

(e) The liability of any successor agency, acting pursuant to the powers granted under the act adding this part, shall be limited to the extent of the total sum of property tax revenues it receives pursuant to this part and the value of assets transferred to it as a successor agency for a dissolved redevelopment agency.

(f) Any existing cleanup plans and liability limits authorized under the Polanco Redevelopment Act (Article 12.5 (commencing with Section 33459) of Chapter 4 of Part 1) shall be transferred to the successor agency and may be transferred to the successor housing entity at that entity's request.

(g) A successor agency is a separate public entity from the public agency that provides for its governance and the two entities shall not merge. The liabilities of the former redevelopment agency shall not be transferred to the sponsoring entity and the assets shall not become assets of the sponsoring entity. A successor agency has its own name, can be sued, and can sue. All litigation involving a redevelopment agency shall automatically be transferred to the successor agency. The separate former redevelopment agency employees shall not automatically become sponsoring entity employees of the sponsoring entity and the successor agency shall retain its own collective bargaining status. As successor entities, successor agencies succeed to the organizational status of the former redevelopment agency, but without any legal authority to participate in redevelopment activities, except to complete any work related to an approved enforceable obligation. Each successor agency shall be deemed to be a local entity for purposes of the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code).

(h) (1) The city, county, or city and county that authorized the creation of a redevelopment agency may loan or grant funds to a successor agency for the payment of administrative costs or enforceable obligations excluding loans approved under this subdivision or pursuant to Section 34191.4, or project-related expenses that qualify as an enforceable obligation, and only to the extent that the successor agency receives an insufficient distribution from the Redevelopment Property Tax Trust Fund, or other approved sources of funding are insufficient, to pay approved enforceable obligations in the recognized obligation payment schedule period. The receipt and use of these funds shall be reflected on the Recognized Obligation Payment Schedule or the administrative budget and therefore are subject to the

oversight and approval of the oversight board. An enforceable obligation shall be deemed to be created for the repayment of those loans. A loan made under this subdivision shall be repaid from the source of funds originally approved for payment of the underlying enforceable obligation in the Recognized Obligation Payment Schedule once sufficient funds become available from that source. The interest payable on any loan created pursuant to this subdivision shall be calculated on a fixed annual simple basis and applied to the outstanding principal amount until fully paid, at a rate not to exceed the most recently published interest rate earned by funds deposited into the Local Agency Investment Fund during the previous fiscal quarter. Repayment of loans created under this subdivision shall be applied first to principal, and second to interest, and shall be subordinate to other approved enforceable obligations. Loans created under this subdivision shall be repaid to the extent property tax revenue allocated to the successor agency is available after fulfilling other enforceable obligations approved in the Recognized Obligation Payment Schedule.

(2) This subdivision shall not apply where the successor agency's distribution from the Redevelopment Property Tax Trust Fund has been reduced pursuant to Section 34179.6 or 34186.

(i) At the request of the city, county, or city and county, notwithstanding Section 33205, all land use related plans and functions of the former redevelopment agency are hereby transferred to the city, county, or city and county that authorized the creation of a redevelopment agency; provided, however, that the city, county, or city and county shall not create a new project area, add territory to, or expand or change the boundaries of a project area, or take any action that would increase the amount of obligated property tax (formerly tax increment) necessary to fulfill any existing enforceable obligation beyond what was authorized as of June 27, 2011.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34174. (a) Solely for the purposes of Section 16 of Article XVI of the California Constitution, commencing on the effective date of this part [February 1, 2012]*, all agency loans, advances, or indebtedness, and interest thereon, shall be deemed extinguished and paid; provided, however, that nothing herein is intended to absolve the successor agency of payment or other obligations due or imposed pursuant to the enforceable obligations; and provided further, that nothing in the act adding this part is intended to be construed as an action or circumstance that may give rise to an event of default under any of the documents governing the enforceable obligations.

(b) Nothing in this part, including, but not limited to, the dissolution of the redevelopment agencies, the designation of successor agencies, and the transfer of redevelopment agency assets and properties, shall be construed as a voluntary or involuntary

insolvency of any redevelopment agency for purposes of the indenture, trust indenture, or similar document governing its outstanding bonds.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34175. (a) It is the intent of this part that pledges of revenues associated with enforceable obligations of the former redevelopment agencies are to be honored. It is intended that the cessation of any redevelopment agency shall not affect either the pledge, the legal existence of that pledge, or the stream of revenues available to meet the requirements of the pledge.

(b) All assets, properties, contracts, leases, books and records, buildings, and equipment of the former redevelopment agency are transferred on February 1, 2012*, to the control of the successor agency, for administration pursuant to the provisions of this part. This includes all cash or cash equivalents and amounts owed to the redevelopment agency as of February 1, 2012*. Any legal or contractual restrictions on the use of these funds or assets shall also be transferred to the successor agency.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34176. (a) (1) The city, county, or city and county that authorized the creation of a redevelopment agency may elect to retain the housing assets and functions previously performed by the redevelopment agency. If a city, county, or city and county elects to retain the authority to perform housing functions previously performed by a redevelopment agency, all rights, powers, duties, obligations, and housing assets, as defined in subdivision (e), excluding any amounts on deposit in the Low and Moderate Income Housing Fund and enforceable obligations retained by the successor agency, shall be transferred to the city, county, or city and county.

(2) The housing successor shall submit to the Department of Finance by August 1, 2012, a list of all housing assets that contains an explanation of how the assets meet the criteria specified in subdivision (e). The Department of Finance shall prescribe the format for the submission of the list. The list shall include assets transferred between February 1, 2012, and the date upon which the list is created. The department shall have up to 30 days from the date of receipt of the list to object to any of the assets or transfers of assets identified on the list. If the Department of Finance objects to assets on the list, the housing successor may request a meet and confer process within five business days of receiving the department objection. If the transferred asset is deemed not to be a housing asset as defined in subdivision (e), it shall be returned to the successor agency. If a housing asset has been previously pledged to pay for bonded indebtedness, the successor agency shall maintain control of the asset in order to pay for the bond debt.

(3) For purposes of this section and Section 34176.1, “housing successor” means the entity assuming the housing function of a former redevelopment agency pursuant to this section.

(b) If a city, county, or city and county does not elect to retain the responsibility for performing housing functions previously performed by a redevelopment agency, all rights, powers, assets, duties, and obligations associated with the housing activities of the agency, excluding enforceable obligations retained by the successor agency and any amounts in the Low and Moderate Income Housing Fund, shall be transferred as follows:

(1) If there is no local housing authority in the territorial jurisdiction of the former redevelopment agency, to the Department of Housing and Community Development.

(2) If there is one local housing authority in the territorial jurisdiction of the former redevelopment agency, to that local housing authority.

(3) If there is more than one local housing authority in the territorial jurisdiction of the former redevelopment agency, to the local housing authority selected by the city, county, or city and county that authorized the creation of the redevelopment agency.

(c) Commencing on the operative date of this part [February 1, 2012]*, the housing successor may enforce affordability covenants and perform related activities pursuant to applicable provisions of the Community Redevelopment Law (Part 1 (commencing with Section 33000)), including, but not limited to, Section 33418.

(d) Except as specifically provided in Section 34191.4, any funds transferred to the housing successor, together with any funds generated from housing assets, as defined in subdivision (e), shall be maintained in a separate Low and Moderate Income Housing Asset Fund which is hereby created in the accounts of the housing successor.

(e) For purposes of this part, “housing asset” includes all of the following:

(1) Any real property, interest in, or restriction on the use of real property, whether improved or not, and any personal property provided in residences, including furniture and appliances, all housing-related files and loan documents, office supplies, software licenses, and mapping programs, that were acquired for low- and moderate-income housing purposes, either by purchase or through a loan, in whole or in part, with any source of funds.

(2) Any funds that are encumbered by an enforceable obligation to build or acquire low- and moderate-income housing, as defined by the Community Redevelopment Law (Part 1 (commencing with Section 33000)) unless required in the bond covenants to be used for repayment purposes of the bond.

(3) Any loan or grant receivable, funded from the Low and Moderate Income Housing Fund, from homebuyers, homeowners, nonprofit or for-profit developers, and other

parties that require occupancy by persons of low or moderate income as defined by the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(4) Any funds derived from rents or operation of properties acquired for low- and moderate-income housing purposes by other parties that were financed with any source of funds, including residual receipt payments from developers, conditional grant repayments, cost savings and proceeds from refinancing, and principal and interest payments from homebuyers subject to enforceable income limits.

(5) A stream of rents or other payments from housing tenants or operators of low- and moderate-income housing financed with any source of funds that are used to maintain, operate, and enforce the affordability of housing or for enforceable obligations associated with low- and moderate-income housing.

(6) (A) Repayments of loans or deferrals owed to the Low and Moderate Income Housing Fund pursuant to subparagraph (G) of paragraph (1) of subdivision (d) of Section 34171, which shall be used consistent with the affordable housing requirements in the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(B) Loan or deferral repayments shall not be made prior to the 2013–14 fiscal year. Beginning in the 2013–14 fiscal year, the maximum repayment amount authorized each fiscal year for repayments made pursuant to this paragraph and subdivision (b) of Section 34191.4 combined shall be equal to one-half of the increase between the amount distributed to taxing entities pursuant to paragraph (4) of subdivision (a) of Section 34183 in that fiscal year and the amount distributed to taxing entities pursuant to that paragraph in the 2012–13 base year. Loan or deferral repayments made pursuant to this paragraph shall take priority over amounts to be repaid pursuant to subdivision (b) of Section 34191.4.

(f) If a development includes both low- and moderate-income housing that meets the definition of a housing asset under subdivision (e) and other types of property use, including, but not limited to, commercial use, governmental use, open space, and parks, the oversight board shall consider the overall value to the community as well as the benefit to taxing entities of keeping the entire development intact or dividing the title and control over the property between the housing successor and the successor agency or other public or private agencies. The disposition of those assets may be accomplished by a revenue-sharing arrangement as approved by the oversight board on behalf of the affected taxing entities.

(g) (1) (A) The housing successor may designate the use of and commit indebtedness obligation proceeds that remain after the satisfaction of enforceable obligations that have been approved in a Recognized Obligation Payment Schedule and that are consistent with the indebtedness obligation covenants. The proceeds shall be derived from indebtedness obligations that were issued for the purposes of affordable housing prior to June 28, 2011, and were backed by the Low and Moderate Income Housing Fund. Enforceable obligations may be satisfied by the creation of reserves for the projects that are the subject of the enforceable obligation that are consistent with the contractual obligations for those projects, or by expending

funds to complete the projects. It is the intent of the Legislature to authorize housing successors to designate the use of and commit 100 percent of indebtedness obligation proceeds described in this subparagraph.

(B) The housing successor shall provide notice to the successor agency of any designations of use or commitments of funds specified in subparagraph (A) that it wishes to make at least 20 days before the deadline for submission of the Recognized Obligation Payment Schedule to the oversight board. Commitments and designations shall not be valid and binding on any party until they are included in an approved and valid Recognized Obligation Payment Schedule. The review of these designations and commitments by the successor agency, oversight board, and Department of Finance shall be limited to a determination that the designations and commitments are consistent with bond covenants and that there are sufficient funds available.

(2) Funds shall be used and committed in a manner consistent with the purposes of the Low and Moderate Income Housing Asset Fund. Notwithstanding any other law, the successor agency shall retain and expend the excess housing obligation proceeds at the discretion of the housing successor, provided that the successor agency ensures that the proceeds are expended in a manner consistent with the indebtedness obligation covenants and with any requirements relating to the tax status of those obligations. The amount expended shall not exceed the amount of indebtedness obligation proceeds available and such expenditure shall constitute the creation of excess housing proceeds expenditures to be paid from the excess proceeds. Excess housing proceeds expenditures shall be listed separately on the Recognized Obligation Payment Schedule submitted by the successor agency.

(h) This section shall not be construed to provide any stream of tax increment financing.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34176.1. Funds in the Low and Moderate Income Housing Asset Fund described in subdivision (d) of Section 34176 shall be subject to the provisions of the Community Redevelopment Law (Part 1 (commencing with Section 33000)) relating to the Low and Moderate Income Housing Fund, except as follows:

(a) Subdivision (d) of Section 33334.3 and subdivision (a) of Section 33334.4 shall not apply. Instead, funds received from the successor agency for items listed on the Recognized Obligation Payment Schedule shall be expended to meet the enforceable obligations, and the housing successor shall expend all other funds in the Low and Moderate Income Housing Asset Fund as follows:

(1) For the purpose of monitoring and preserving the long-term affordability of units subject to affordability restrictions or covenants entered into by the redevelopment agency or the housing successor and for the purpose of administering the activities described in paragraphs (2) and (3), a housing successor may expend per fiscal year up to an amount equal to

5 percent of the statutory value of real property owned by the housing successor and of loans and grants receivable, including real property and loans and grants transferred to the housing successor pursuant to Section 34176 and real property purchased and loans and grants made by the housing successor. If this amount is less than two hundred thousand dollars (\$200,000) for any given fiscal year, the housing successor may expend up to two hundred thousand dollars (\$200,000) in that fiscal year for these purposes. The Department of Housing and Community Development shall annually publish on its Internet Web site an adjustment to this amount to reflect any change in the Consumer Price Index for All Urban Consumers published by the federal Department of Labor for the preceding calendar year. For purposes of this paragraph, “statutory value of real property” means the value of properties formerly held by the former redevelopment agency as listed on the housing asset transfer form approved by the department pursuant to paragraph (2) of subdivision (a) of Section 34176, the value of the properties transferred to the housing successor pursuant to subdivision (f) of Section 34181, and the purchase price of properties purchased by the housing successor.

(2) Notwithstanding Section 33334.2, if the housing successor has fulfilled all obligations pursuant to Sections 33413 and 33418, the housing successor may expend up to two hundred fifty thousand dollars (\$250,000) per fiscal year for homeless prevention and rapid rehousing services for individuals and families who are homeless or would be homeless but for this assistance, including the provision of short-term or medium-term rental assistance, housing relocation and stabilization services including housing search, mediation, or outreach to property owners, credit repair, security or utility deposits, utility payments, rental assistance for a final month at a location, moving cost assistance, and case management, or other appropriate activities for homelessness prevention and rapid rehousing of persons who have become homeless.

(3) (A) The housing successor shall expend all funds remaining in the Low and Moderate Income Housing Asset Fund after the expenditures allowed pursuant to paragraphs (1) and (2) for the development of housing affordable to and occupied by households earning 80 percent or less of the area median income, with at least 30 percent of these remaining funds expended for the development of rental housing affordable to and occupied by households earning 30 percent or less of the area median income and no more than 20 percent of these remaining funds expended for the development of housing affordable to and occupied by households earning between 60 percent and 80 percent of the area median income. A housing successor shall demonstrate in the annual report described in subdivision (f), for 2019, and every five years thereafter, that the housing successor’s expenditures from January 1, 2014, through the end of the latest fiscal year covered in the report comply with the requirements of this subparagraph.

(B) If the housing successor fails to comply with the extremely low income requirement in any five-year report, then the housing successor shall ensure that at least 50 percent of these remaining funds expended in each fiscal year following the latest fiscal year following the report are expended for the development of rental housing affordable to, and occupied by, households earning 30 percent or less of the area median income until the housing

successor demonstrates compliance with the extremely low income requirement in an annual report described in subdivision (f).

(C) If the housing successor exceeds the expenditure limit for households earning between 60 percent and 80 percent of the area median income in any five-year report, the housing successor shall not expend any of the remaining funds for households earning between 60 percent and 80 percent of the area median income until the housing successor demonstrates compliance with this limit in an annual report described in subdivision (f).

(D) For purposes of this subdivision, “development” means new construction, acquisition and rehabilitation, substantial rehabilitation as defined in Section 33413, the acquisition of long-term affordability covenants on multifamily units as described in Section 33413, or the preservation of an assisted housing development that is eligible for prepayment or termination or for which within the expiration of rental restrictions is scheduled to occur within five years as those terms are defined in Section 65863.10 of the Government Code. Units described in this subparagraph may be counted towards any outstanding obligations pursuant to Section 33413, provided that the units meet the requirements of that section and are counted as provided in that section.

(b) Subdivision (b) of Section 33334.4 shall not apply. Instead, if the aggregate number of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years exceeds 50 percent of the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the same time period, then the housing successor shall not expend these funds to assist additional senior housing units until the housing successor or its host jurisdiction assists, and construction has commenced, a number of units available to all persons, regardless of age, that is equal to 50 percent of the aggregate number of units of deed-restricted rental housing units assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the time period described above.

(c) (1) Program income a housing successor receives shall not be associated with a project area and, notwithstanding subdivision (g) of Section 33334.2, may be expended anywhere within the jurisdiction of the housing successor or transferred pursuant to paragraph (2) without a finding of benefit to a project area. For purposes of this paragraph, “program income” means the sources described in paragraphs (3), (4), and (5) of subdivision (e) of Section 34176 and interest earned on deposits in the account.

(2) Two or more housing successors within a county, within a single metropolitan statistical area, within 15 miles of each other, or that are in contiguous jurisdictions may enter into an agreement to transfer funds among their respective Low and Moderate Income Housing Asset Funds for the sole purpose of developing transit priority projects as defined in subdivisions (a) and (b) of Section 21155 of the Public Resources Code, permanent supportive housing as defined in paragraph (2) of subdivision (b) of Section 50675.14, housing for agricultural

employees as defined in subdivision (g) of Section 50517.5, or special needs housing as defined in federal or state law or regulation if all of the following conditions are met:

(A) Each participating housing successor has made a finding based on substantial evidence, after a public hearing, that the agreement to transfer funds will not cause or exacerbate racial, ethnic, or economic segregation.

(B) The development to be funded shall not be located in a census tract where more than 50 percent of its population is very low income, unless the development is within one-half mile of a major transit stop or high-quality transit corridor as defined in paragraph (3) of subdivision (b) of Section 21155 of the Public Resources Code.

(C) The completed development shall not result in a reduction in the number of housing units or a reduction in the affordability of housing units on the site where the development is to be built.

(D) A transferring housing successor shall not have any outstanding obligations pursuant to Section 33413.

(E) No housing successor may transfer more than one million dollars (\$1,000,000) per fiscal year.

(F) The jurisdictions of the transferring and receiving housing successors each have an adopted housing element that the Department of Housing and Community Development has found pursuant to Section 65585 of the Government Code to be in substantial compliance with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code and have submitted to the Department of Housing and Community Development the annual progress report required by Section 65400 of the Government Code within the preceding 12 months.

(G) Transferred funds shall only assist rental units affordable to, and occupied by, households earning 60 percent or less of the area median income.

(H) Transferred funds not encumbered within two years shall be transferred to the Department of Housing and Community Development for expenditure pursuant to the Multifamily Housing Program or the Joe Serna, Jr. Farmworker Housing Grant Program.

(d) Sections 33334.10 and 33334.12 shall not apply. Instead, if a housing successor has an excess surplus, the housing successor shall encumber the excess surplus for the purposes described in paragraph (3) of subdivision (a) or transfer the funds pursuant to paragraph (2) of subdivision (c) within three fiscal years. If the housing successor fails to comply with this subdivision, the housing successor, within 90 days of the end of the third fiscal year, shall transfer any excess surplus to the Department of Housing and Community Development for expenditure pursuant to the Multifamily Housing Program or the Joe Serna, Jr. Farmworker Housing Grant Program. For purposes of this subdivision, "excess surplus" shall mean an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000)

or the aggregate amount deposited into the account during the housing successor's preceding four fiscal years, whichever is greater.

(e) Section 33334.16 shall not apply to interests in real property acquired on or after February 1, 2012. With respect to interests in real property acquired by the former redevelopment agency prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the department approved the property as a housing asset.

(f) Section 33080.1 of this code and Section 12463.3 of the Government Code shall not apply. Instead, the housing successor shall conduct, and shall provide to its governing body, an independent financial audit of the Low and Moderate Income Housing Asset Fund within six months after the end of each fiscal year, which may be included in the independent financial audit of the host jurisdiction. If the housing successor is a city or county, it shall also include in its report pursuant to Section 65400 of the Government Code and post on its Internet Web site all of the following information for the previous fiscal year. If the housing successor is not a city or county, it shall also provide to its governing body and post on its Internet Web site all of the following information for the previous fiscal year:

(1) The amount the city, county, or city and county received pursuant to subparagraph (A) of paragraph (3) of subdivision (b) of Section 34191.4.

(2) The amount deposited to the Low and Moderate Income Housing Asset Fund, distinguishing between amounts deposited pursuant to subparagraphs (B) and (C) of paragraph (3) of subdivision (b) of Section 34191.4, amounts deposited for other items listed on the Recognized Obligation Payment Schedule, and other amounts deposited.

(3) A statement of the balance in the fund as of the close of the fiscal year, distinguishing any amounts held for items listed on the Recognized Obligation Payment Schedule from other amounts.

(4) A description of expenditures from the fund by category, including, but not limited to, expenditures (A) for monitoring and preserving the long-term affordability of units subject to affordability restrictions or covenants entered into by the redevelopment agency or the housing successor and administering the activities described in paragraphs (2) and (3) of subdivision (a), (B) for homeless prevention and rapid rehousing services for the development of housing described in paragraph (2) of subdivision (a), and (C) for the development of housing pursuant to paragraph (3) of subdivision (a).

(5) As described in paragraph (1) of subdivision (a), the statutory value of real property owned by the housing successor, the value of loans and grants receivable, and the sum of these two amounts.

(6) A description of any transfers made pursuant to paragraph (2) of subdivision (c) in the previous fiscal year and, if still unencumbered, in earlier fiscal years and a description

of and status update on any project for which transferred funds have been or will be expended if that project has not yet been placed in service.

(7) A description of any project for which the housing successor receives or holds property tax revenue pursuant to the Recognized Obligation Payment Schedule and the status of that project.

(8) For interests in real property acquired by the former redevelopment agency prior to February 1, 2012, a status update on compliance with Section 33334.16. For interests in real property acquired on or after February 1, 2012, a status update on the project.

(9) A description of any outstanding obligations pursuant to Section 33413 that remained to transfer to the housing successor on February 1, 2012, of the housing successor's progress in meeting those obligations, and of the housing successor's plans to meet unmet obligations. In addition, the housing successor shall include in the report posted on its Internet Web site the implementation plans of the former redevelopment agency.

(10) The information required by subparagraph (B) of paragraph (3) of subdivision (a).

(11) The percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the housing successor, its former redevelopment agency, and its host jurisdiction within the same time period.

(12) The amount of any excess surplus, the amount of time that the successor agency has had excess surplus, and the housing successor's plan for eliminating the excess surplus.

(13) An inventory of homeownership units assisted by the former redevelopment agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund pursuant to subdivision (f) of Section 33334.3. This inventory shall include all of the following information:

(A) The number of those units.

(B) In the first report pursuant to this subdivision, the number of units lost to the portfolio after February 1, 2012, and the reason or reasons for those losses. For all subsequent reports, the number of the units lost to the portfolio in the last fiscal year and the reason for those losses.

(C) Any funds returned to the housing successor as part of an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund.

(D) Whether the housing successor has contracted with any outside entity for the management of the units and, if so, the identity of the entity.

34176.5. (a) Notwithstanding any other law, the Director of Finance is authorized to contract with auditors, lawyers, and other types of advisors and consultants to assist, advise, and represent the director and the Department of Finance in any matter or action arising out of or contemplated by this part or Part 1.8 (commencing with Section 34161). In furtherance of this authorization, Sections 14827.1, 14827.2, and 14838 of the Government Code, and Article 4 (commencing with Section 10335) of Chapter 2 of Part 2 of Division 2 of and Section 10295 of, the Public Contract Code shall not apply to any agreement entered into by the director pursuant to this section.

(b) In addition to the waivers of statute provided in subdivision (a), Section 6072 of the Business and Professions Code shall not apply to the legal services agreement entered into by the director pursuant to this section.

(c) This section shall remain in effect only until January 1, 2014, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2014, deletes or extends that date.

**PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND
DESIGNATION OF SUCCESSOR AGENCIES**

CHAPTER 3. SUCCESSOR AGENCIES

Health and Safety Code

34177. Successor agencies are required to do all of the following:

(a) Continue to make payments due for enforceable obligations.

(1) On and after February 1, 2012*, and until a Recognized Obligation Payment Schedule becomes operative, only payments required pursuant to an enforceable obligations payment schedule shall be made. The initial enforceable obligation payment schedule shall be the last schedule adopted by the redevelopment agency under Section 34169. However, payments associated with obligations excluded from the definition of enforceable obligations by paragraph (2) of subdivision (d) of Section 34171 shall be excluded from the enforceable obligations payment schedule and be removed from the last schedule adopted by the redevelopment agency under Section 34169 prior to the successor agency adopting it as its enforceable obligations payment schedule pursuant to this subdivision. The enforceable obligation payment schedule may be amended by the successor agency at any public meeting and shall be subject to the approval of the oversight board as soon as the board has sufficient members to form a quorum. In recognition of the fact that the timing of the California Supreme Court's ruling in the case California Redevelopment Association v. Matosantos (2011) 53 Cal.4th 231 delayed the preparation by successor agencies and the approval by oversight boards of the January 1, 2012, through June 30, 2012, Recognized Obligation Payment Schedule, a successor agency may amend the Enforceable Obligation Payment Schedule to authorize the continued payment of enforceable obligations until the time that the January 1, 2012, through June 30, 2012, Recognized Obligation Payment Schedule has been approved by the oversight board and by the department. The successor agency may utilize reasonable estimates and projections to support payment amounts for enforceable obligations if the successor agency submits appropriate supporting documentation of the basis for the estimate or projection to the Department of Finance and the auditor-controller.

(2) The department, the county auditor-controller, and the Controller shall each have the authority to require any documents associated with the enforceable obligations to be provided to them in a manner of their choosing. Any taxing entity, the department, and the Controller shall each have standing to file a judicial action to prevent a violation under this part and to obtain injunctive or other appropriate relief.

(3) Commencing on the date the Recognized Obligation Payment Schedule is valid pursuant to subdivision (1), only those payments listed in the Recognized Obligation Payment Schedule may be made by the successor agency from the funds specified in the Recognized Obligation Payment Schedule. In addition, after it becomes valid, the Recognized

Obligation Payment Schedule shall supersede the Statement of Indebtedness, which shall no longer be prepared nor have any effect under the Community Redevelopment Law (Part 1 (commencing with Section 33000)).

(4) Nothing in the act adding this part is to be construed as preventing a successor agency, with the prior approval of the oversight board, as described in Section 34179, from making payments for enforceable obligations from sources other than those listed in the Recognized Obligation Payment Schedule.

(5) From February 1, 2012*, to July 1, 2012, a successor agency shall have no authority and is hereby prohibited from accelerating payment or making any lump-sum payments that are intended to prepay loans unless such accelerated repayments were required prior to the effective date of this part.

(b) Maintain reserves in the amount required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(c) Perform obligations required pursuant to any enforceable obligation.

(d) Remit unencumbered balances of redevelopment agency funds to the county auditor-controller for distribution to the taxing entities, including, but not limited to, the unencumbered balance of the Low and Moderate Income Housing Fund of a former redevelopment agency. In making the distribution, the county auditor-controller shall utilize the same methodology for allocation and distribution of property tax revenues provided in Section 34188.

(e) Dispose of assets and properties of the former redevelopment agency as directed by the oversight board; provided, however, that the oversight board may instead direct the successor agency to transfer ownership of certain assets pursuant to subdivision (a) of Section 34181. The disposal is to be done expeditiously and in a manner aimed at maximizing value. Proceeds from asset sales and related funds that are no longer needed for approved development projects or to otherwise wind down the affairs of the agency, each as determined by the oversight board, shall be transferred to the county auditor-controller for distribution as property tax proceeds under Section 34188. The requirements of this subdivision shall not apply to a successor agency that has been issued a finding of completion by the department pursuant to Section 34179.7.

(f) Enforce all former redevelopment agency rights for the benefit of the taxing entities, including, but not limited to, continuing to collect loans, rents, and other revenues that were due to the redevelopment agency.

(g) Effectuate transfer of housing functions and assets to the appropriate entity designated pursuant to Section 34176.

(h) Expeditiously wind down the affairs of the redevelopment agency pursuant to the provisions of this part and in accordance with the direction of the oversight board.

(i) Continue to oversee development of properties until the contracted work has been completed or the contractual obligations of the former redevelopment agency can be transferred to other parties. Bond proceeds shall be used for the purposes for which bonds were sold unless the purposes can no longer be achieved, in which case, the proceeds may be used to defease the bonds.

(j) Prepare a proposed administrative budget and submit it to the oversight board for its approval. The proposed administrative budget shall include all of the following:

(1) Estimated amounts for successor agency administrative costs for the upcoming six-month fiscal period.

(2) Proposed sources of payment for the costs identified in paragraph (1).

(3) Proposals for arrangements for administrative and operations services provided by a city, county, city and county, or other entity.

(k) Provide administrative cost estimates, from its approved administrative budget that are to be paid from property tax revenues deposited in the Redevelopment Property Tax Trust Fund, to the county auditor-controller for each six-month fiscal period.

(l) (1) Before each fiscal period set forth in subdivision (m) or (o), as applicable, prepare a Recognized Obligation Payment Schedule in accordance with the requirements of this paragraph. For each recognized obligation, the Recognized Obligation Payment Schedule shall identify one or more of the following sources of payment:

(A) Low and Moderate Income Housing Fund.

(B) Bond proceeds.

(C) Reserve balances.

(D) Administrative cost allowance.

(E) The Redevelopment Property Tax Trust Fund, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation or by the provisions of this part.

(F) Other revenue sources, including rents, concessions, asset sale proceeds, interest earnings, and any other revenues derived from the former redevelopment agency, as approved by the oversight board in accordance with this part.

(2) A Recognized Obligation Payment Schedule shall not be deemed valid unless all of the following conditions have been met:

(A) A Recognized Obligation Payment Schedule is prepared by the successor agency for the enforceable obligations of the former redevelopment agency. The initial schedule shall project the dates and amounts of scheduled payments for each enforceable obligation for the remainder of the time period during which the redevelopment agency would have been authorized to obligate property tax increment had the redevelopment agency not been dissolved.

(B) The Recognized Obligation Payment Schedule is submitted to and duly approved by the oversight board. The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the county administrative officer, the county auditor-controller, and the department at the same time that the successor agency submits the Recognized Obligation Payment Schedule to the oversight board for approval.

(C) A copy of the approved Recognized Obligation Payment Schedule is submitted to the county auditor-controller, the Controller's office, and the Department of Finance and is posted on the successor agency's Internet Web site.

(3) The Recognized Obligation Payment Schedule shall be forward looking to the next six months or one year pursuant to subdivision (m) or (o) as applicable. The first Recognized Obligation Payment Schedule shall be submitted to the Controller's office and the department by April 15, 2012*, for the period of January 1, 2012, to June 30, 2012, inclusive. This Recognized Obligation Payment Schedule shall include all payments made by the former redevelopment agency between January 1, 2012, through January 31, 2012, and shall include all payments proposed to be made by the successor agency from February 1, 2012, through June 30, 2012. Former redevelopment agency enforceable obligation payments due, and reasonable or necessary administrative costs due or incurred, prior to January 1, 2012, shall be made from property tax revenues received in the spring of 2011 property tax distribution, and from other revenues and balances transferred to the successor agency.

(m) (1) The Recognized Obligation Payment Schedule for the period of January 1, 2013, to June 30, 2013, shall be submitted by the successor agency, after approval by the oversight board, no later than September 1, 2012. Commencing with the Recognized Obligation Payment Schedule covering the period July 1, 2013, through December 31, 2013, successor agencies shall submit an oversight board-approved Recognized Obligation Payment Schedule to the department and to the county auditor-controller no fewer than 90 days before the date of property tax distribution. The department shall make its determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations no later than 45 days after the Recognized Obligation Payment Schedule is submitted. Within five business days of the department's determination, a successor agency may request additional review by the department and an opportunity to meet and confer on disputed items, except for those items which are the subject of litigation disputing the department's previous or related determination. The meet and confer period may vary; an untimely submittal of a Recognized Obligation Payment Schedule may result in a meet and confer period of less than 30 days. The department shall notify the successor agency and the county auditor-controllers as to the outcome of its review at least 15 days before the date of property tax distribution.

(A) The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the department electronically, and the successor agency shall complete the Recognized Obligation Payment Schedule in the manner provided for by the department. A successor agency shall be in noncompliance with this paragraph if it only submits to the department an electronic message or a letter stating that the oversight board has approved a Recognized Obligation Payment Schedule.

(B) If a successor agency does not submit a Recognized Obligation Payment Schedule by the deadlines provided in this subdivision, the city, county, or city and county that created the redevelopment agency, if it is acting as the successor agency, shall be subject to a civil penalty equal to ten thousand dollars (\$10,000) per day for every day the schedule is not submitted to the department. The civil penalty shall be paid to the county auditor-controller for allocation to the taxing entities under Section 34183. If a successor agency fails to submit a Recognized Obligation Payment Schedule by the deadline, any creditor of the successor agency or the Department of Finance or any affected taxing entity shall have standing to and may request a writ of mandate to require the successor agency to immediately perform this duty. Those actions may be filed only in the County of Sacramento and shall have priority over other civil matters. Additionally, if an agency does not submit a Recognized Obligation Payment Schedule within ten days of the deadline, the maximum administrative cost allowance for that period shall be reduced by 25 percent.

(C) If a successor agency fails to submit to the department an oversight board-approved Recognized Obligation Payment Schedule that complies with all requirements of this subdivision within five business days of the date upon which the Recognized Obligation Payment Schedule is to be used to determine the amount of property tax allocations, the department may determine if any amount should be withheld by the county auditor-controller for payments for enforceable obligations from distribution to taxing entities, pending approval of a Recognized Obligation Payment Schedule. The county auditor-controller shall distribute the portion of any of the sums withheld pursuant to this paragraph to the affected taxing entities in accordance with paragraph (4) of subdivision (a) of Section 34183 upon notice by the department that a portion of the withheld balances are in excess of the amount of enforceable obligations. The county auditor-controller shall distribute withheld funds to the successor agency only in accordance with a Recognized Obligation Payment Schedule approved by the department. County auditor-controllers shall lack the authority to withhold any other amounts from the allocations provided for under Section 34183 or 34188 unless required by a court order.

(D) (i) The Recognized Obligation Payment Schedule payments required pursuant to this subdivision may be scheduled beyond the existing Recognized Obligation Payment Schedule cycle upon a showing that a lender requires cash on hand beyond the Recognized Obligation Payment Schedule cycle.

(ii) When a payment is shown to be due during the Recognized Obligation Payment Schedule period, but an invoice or other billing document has not yet been received, the successor agency may utilize reasonable estimates and projections to

support payment amounts for enforceable obligations if the successor agency submits appropriate supporting documentation of the basis for the estimate or projection to the department and the auditor-controller.

(iii) A Recognized Obligation Payment Schedule may also include appropriation of moneys from bonds subject to passage during the Recognized Obligation Payment Schedule cycle when an enforceable obligation requires the agency to issue the bonds and use the proceeds to pay for project expenditures.

(2) The requirements of this subdivision shall apply until December 31, 2015.

(n) Cause a postaudit of the financial transactions and records of the successor agency to be made at least annually by a certified public accountant.

(o) (1) Commencing with the Recognized Obligation Payment Schedule covering the period from July 1, 2016, to June 30, 2017, inclusive, and for each period from July 1 to June 30, inclusive, thereafter, a successor agency shall submit an oversight board-approved Recognized Obligation Payment Schedule to the department and to the county auditor-controller no later than February 1, 2016, and each February 1 thereafter. The department shall make its determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations no later than April 15, 2016, and each April 15 thereafter. Within five business days of the department's determination, a successor agency may request additional review by the department and an opportunity to meet and confer on disputed items, except for those items which are the subject of litigation disputing the department's previous or related determination. An untimely submittal of a Recognized Obligation Payment Schedule may result in a meet and confer period of less than 30 days. The department shall notify the successor agency and the county auditor-controller as to the outcome of its review at least 15 days before the date of the first property tax distribution for that period.

(A) The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the department in the manner provided for by the department.

(B) If a successor agency does not submit a Recognized Obligation Payment Schedule by the deadlines provided in this subdivision, the city, county, or city and county that created the redevelopment agency, if acting as the successor agency, shall be subject to a civil penalty equal to ten thousand dollars (\$10,000) per day for every day the schedule is not submitted to the department. The civil penalty shall be paid to the county auditor-controller for allocation to the taxing entities under Section 34183. If a successor agency fails to submit a Recognized Obligation Payment Schedule by the deadline, any creditor of the successor agency or the department or any affected taxing entity shall have standing to, and may request a writ of mandate to, require the successor agency to immediately perform this duty. Those actions may

be filed only in the County of Sacramento and shall have priority over other civil matters. Additionally, if an agency does not submit a Recognized Obligation Payment Schedule within 10 days of the deadline, the maximum administrative cost for that period shall be reduced by 25 percent.

(C) If a successor agency fails to submit to the department an oversight board-approved Recognized Obligation Payment Schedule that complies with all requirements of this subdivision within five business days of the date upon which the Recognized Obligation Payment Schedule is to be used to determine the amount of property tax allocations, the department may determine if any amount should be withheld by the county auditor-controller for payments for enforceable obligations from distribution to taxing entities, pending approval of a Recognized Obligation Payment Schedule. The county auditor-controller shall distribute the portion of any of the sums withheld pursuant to this paragraph to the affected taxing entities in accordance with paragraph (4) of subdivision (a) of Section 34183 upon notice by the department that a portion of the withheld balances are in excess of the amount of enforceable obligations. The county auditor-controller shall distribute withheld funds to the successor agency only in accordance with a Recognized Obligation Payment Schedule approved by the department. County auditor-controllers do not have the authority to withhold any other amounts from the allocations provided for under Section 34183 or 34188 except as required by a court order.

(D) (i) The Recognized Obligation Payment Schedule payments required pursuant to this subdivision may be scheduled beyond the existing Recognized Obligation Payment Schedule cycle upon a showing that a lender requires cash on hand beyond the Recognized Obligation Payment Schedule cycle.

(ii) When a payment is shown to be due during the Recognized Obligation Payment Schedule period, but an invoice or other billing document has not yet been received, the successor agency may utilize reasonable estimates and projections to support payment amounts for enforceable obligations if the successor agency submits appropriate supporting documentation of the basis for the estimate or projection to the department and the county auditor-controller.

(iii) A Recognized Obligation Payment Schedule may also include a request to use proceeds from bonds expected to be issued during the Recognized Obligation Payment Schedule cycle when an enforceable obligation requires the agency to issue the bonds and use the proceeds to pay for project expenditures.

(E) Once per Recognized Obligation Payment Schedule period, and no later than October 1, a successor agency may submit one amendment to the Recognized Obligation Payment Schedule approved by the department pursuant to this subdivision, if the

oversight board makes a finding that a revision is necessary for the payment of approved enforceable obligations during the second one-half of the Recognized Obligation Payment Schedule period, which shall be defined as January 1 to June 30, inclusive. A successor agency may only amend the amount requested for payment of approved enforceable obligations. The revised Recognized Obligation Payment Schedule shall be approved by the oversight board and submitted to the department by electronic means in a manner of the department's choosing. The department shall notify the successor agency and the county auditor-controller as to the outcome of the department's review at least 15 days before the date of the property tax distribution.

(2) The requirements of this subdivision shall apply on and after January 1, 2016.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34177.3. (a) Successor agencies shall lack the authority to, and shall not, create new enforceable obligations or begin redevelopment work, except in compliance with an enforceable obligation, as defined by subdivision (d) of Section 34171, that existed prior to June 28, 2011.

(b) Notwithstanding subdivision (a), successor agencies may create enforceable obligations to conduct the work of winding down the redevelopment agency, including hiring staff, acquiring necessary professional administrative services and legal counsel, and procuring insurance. Except as required by an enforceable obligation, the work of winding down the redevelopment agency does not include planning, design, redesign, development, demolition, alteration, construction, construction financing, site remediation, site development or improvement, land clearance, seismic retrofits, and other similar work. Successor agencies may not create enforceable obligations to repay loans entered into between the redevelopment agency that it is succeeding and the city, county, or city and county that formed the redevelopment agency that it is succeeding, except as provided in Chapter 9 (commencing with Section 34191.1).

(c) Successor agencies shall lack the authority to, and shall not, transfer any powers or revenues of the successor agency to any other party, public or private, except pursuant to an enforceable obligation on a Recognized Obligation Payment Schedule approved by the department. Any such transfers of authority or revenues that are not made pursuant to an enforceable obligation on a Recognized Obligation Payment Schedule approved by the department are hereby declared to be void, and the successor agency shall take action to reverse any of those transfers. The Controller may audit any transfer of authority or revenues prohibited by this section and may order the prompt return of any money or other things of value from the receiving party.

(d) Redevelopment agencies that resolved to participate in the Voluntary Alternative Redevelopment Program under Chapter 6 of the First Extraordinary Session of the Statutes of

2011 were and are subject to the provisions of Part 1.8 (commencing with Section 34161). Any actions taken by redevelopment agencies to create obligations after June 27, 2011, are ultra vires and do not create enforceable obligations.

(e) The provisions of this section shall apply retroactively to any successor agency or redevelopment agency actions on or after June 27, 2012.

34177.5. (a) In addition to the powers granted to each successor agency, and notwithstanding anything in the act adding this part, including, but not limited to, Sections 34162 and 34189, a successor agency shall have the authority, rights, and powers of the redevelopment agency to which it succeeded solely for the following purposes:

(1) For the purpose of issuing bonds or incurring other indebtedness to refund the bonds or other indebtedness of its former redevelopment agency or of the successor agency to provide savings to the successor agency, provided that (A) the total interest cost to maturity on the refunding bonds or other indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded, and (B) the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the refunded bonds or other indebtedness, to establish customary debt service reserves, and to pay related costs of issuance. If the foregoing conditions are satisfied, the initial principal amount of the refunding bonds or other indebtedness may be greater than the outstanding principal amount of the bonds or other indebtedness to be refunded. The successor agency may pledge to the refunding bonds or other indebtedness the revenues pledged to the bonds or other indebtedness being refunded, and that pledge, when made in connection with the issuance of such refunding bonds or other indebtedness, shall have the same lien priority as the pledge of the bonds or other obligations to be refunded, and shall be valid, binding, and enforceable in accordance with its terms.

(2) For the purpose of issuing bonds or other indebtedness to finance debt service spikes, including balloon maturities, provided that (A) the existing indebtedness is not accelerated, except to the extent necessary to achieve substantially level debt service, and (B) the principal amount of the bonds or other indebtedness shall not exceed the amount required to finance the debt service spikes, including establishing customary debt service reserves and paying related costs of issuance.

(3) For the purpose of amending an existing enforceable obligation under which the successor agency is obligated to reimburse a political subdivision of the state for the payment of debt service on a bond or other obligation of the political subdivision, or to pay all or a portion of the debt service on the bond or other obligation of the political subdivision to provide savings to the successor agency, provided that (A) the enforceable obligation is amended in connection with a refunding of the bonds or other obligations of the political subdivision so that the enforceable obligation will apply to the refunding bonds or other refunding indebtedness of the political subdivision, (B) the total interest cost to maturity on the refunding bonds or other

indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded, and (C) the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the refunded bonds or other indebtedness, to establish customary debt service reserves and to pay related costs of issuance. The pledge set forth in that amended enforceable obligation, when made in connection with the execution of the amendment of the enforceable obligation, shall have the same lien priority as the pledge in the enforceable obligation prior to its amendment and shall be valid, binding, and enforceable in accordance with its terms.

(4) For the purpose of issuing bonds or incurring other indebtedness to make payments under enforceable obligations when the enforceable obligations include the irrevocable pledge of property tax increment, formerly tax increment revenues prior to the effective date of this part, or other funds and the obligation to issue bonds secured by that pledge. The successor agency may pledge to the bonds or other indebtedness the property tax revenues and other funds described in the enforceable obligation, and that pledge, when made in connection with the issuance of the bonds or the incurring of other indebtedness, shall be valid, binding, and enforceable in accordance with its terms. This paragraph shall not be deemed to authorize a successor agency to increase the amount of property tax revenues pledged under an enforceable obligation or to pledge any property tax revenue not already pledged pursuant to an enforceable obligation. This paragraph does not constitute a change in, but is declaratory of, the existing law.

(b) The refunding bonds authorized under this section may be issued under the authority of Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code, and the refunding bonds may be sold at public or private sale, or to a joint powers authority pursuant to the Marks-Roos Local Bond Pooling Act (Article 4 (commencing with Section 6584) of Chapter 5 of Division 7 of Title 1 of the Government Code).

(c) (1) Prior to incurring any bonds or other indebtedness pursuant to this section, the successor agency may subordinate to the bonds or other indebtedness the amount required to be paid to an affected taxing entity pursuant to paragraph (1) of subdivision (a) of Section 34183, provided that the affected taxing entity has approved the subordinations pursuant to this subdivision.

(2) At the time the successor agency requests an affected taxing entity to subordinate the amount to be paid to it, the successor agency shall provide the affected taxing entity with substantial evidence that sufficient funds will be available to pay both the debt service on the bonds or other indebtedness and the payments required by paragraph (1) of subdivision (a) of Section 34183, when due.

(3) Within 45 days after receipt of the agency's request, the affected taxing entity shall approve or disapprove the request for subordination. An affected taxing entity may disapprove a request for subordination only if it finds, based upon substantial evidence, that the successor agency will not be able to pay the debt service payments and the amount required to be paid to the affected taxing entity. If the affected taxing entity does not act within 45 days after

receipt of the agency's request, the request to subordinate shall be deemed approved and shall be final and conclusive.

(d) An action may be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure to determine the validity of bonds or other obligations authorized by this section, the pledge of revenues to those bonds or other obligations authorized by this section, the legality and validity of all proceedings theretofore taken and, as provided in the resolution of the legislative body of the successor agency authorizing the bonds or other obligations authorized by this section, proposed to be taken for the authorization, execution, issuance, sale, and delivery of the bonds or other obligations authorized by this section, and for the payment of debt service on the bonds or the payment of amounts under other obligations authorized by this section. Subdivision (c) of Section 33501 shall not apply to any such action. The department shall be notified of the filing of any action as an affected party.

(e) Notwithstanding any other law, including, but not limited to, Section 33501, an action to challenge the issuance of bonds, the incurrence of indebtedness, the amendment of an enforceable obligation, or the execution of a financing agreement by a successor agency shall be brought within 30 days after the date on which the oversight board approves the resolution of the successor agency approving the issuance of bonds, the incurrence of indebtedness, the amendment of an enforceable obligation, or the execution of a financing agreement authorized under this section.

(f) The actions authorized in this section shall be subject to the approval of the oversight board, as provided in Section 34180. Additionally, an oversight board may direct the successor agency to commence any of the transactions described in subdivision (a) so long as the successor agency is able to recover its related costs in connection with the transaction. After a successor agency, with approval of the oversight board, issues any bonds, incurs any indebtedness, or executes an amended enforceable obligation pursuant to subdivision (a), the oversight board shall not unilaterally approve any amendments to or early termination of the bonds, indebtedness, or enforceable obligation. If, under the authority granted to it by subdivision (h) of Section 34179, the department either reviews and approves or fails to request review within five business days of an oversight board approval of an action authorized by this section, the scheduled payments on the bonds or other indebtedness shall be listed in the Recognized Obligation Payment Schedule and shall not be subject to further review and approval by the department or the Controller. The department may extend its review time to 60 days for actions authorized in this section and may seek the assistance of the Treasurer in evaluating proposed actions under this section.

(g) Any bonds, indebtedness, or amended enforceable obligation authorized by this section shall be considered indebtedness incurred by the dissolved redevelopment agency, with the same legal effect as if the bonds, indebtedness, financing agreement, or amended enforceable obligation had been issued, incurred, or entered into prior to June 28, 2011, in full conformity with the applicable provisions of the Community Redevelopment Law that existed prior to that date, shall be included in the successor agency's Recognized Obligation Payment Schedule, and shall be secured by a pledge of, and lien on, and shall be repaid from moneys deposited from

time to time in the Redevelopment Property Tax Trust Fund established pursuant to subdivision (c) of Section 34172, as provided in paragraph (2) of subdivision (a) of Section 34183. Property tax revenues pledged to any bonds, indebtedness, or amended enforceable obligations authorized by this section are taxes allocated to the successor agency pursuant to subdivision (b) of Section 33670 and Section 16 of Article XVI of the California Constitution.

(h) The successor agency shall make diligent efforts to ensure that the lowest long-term cost financing is obtained. The financing shall not provide for any bullets or spikes and shall not use variable rates. The successor agency shall make use of an independent financial advisor in developing financing proposals and shall make the work products of the financial advisor available to the department at its request.

(i) If an enforceable obligation provides for an irrevocable commitment of revenue and where allocation of such revenues is expected to occur over time, the successor agency may petition the department by electronic means and in a manner of the department's choosing to provide written confirmation that its determination of such enforceable obligation as approved in a Recognized Obligation Payment Schedule is final and conclusive, and reflects the department's approval of subsequent payments made pursuant to the enforceable obligation. The successor agency shall provide a copy of the petition to the county auditor-controller at the same time it is submitted to the department. The department shall have 100 days from the date of the request for a final and conclusive determination to provide written confirmation of approval or denial of the request. For any pending final and conclusive determination requests submitted prior to June 30, 2015, the department shall have until December 31, 2015, to provide written confirmation of approval or denial of the request. If the confirmation of approval is granted, then the department's review of such payments in future Recognized Obligation Payment Schedules shall be limited to confirming that they are required by the prior enforceable obligation.

(j) The successor agency may request that the department provide a written determination to waive the two-year statute of limitations on an action to review the validity of the adoption or amendment of a redevelopment plan pursuant to subdivision (c) of Section 33500 or on any findings or determinations made by the agency pursuant to subdivision (d) of Section 33500. The department at its discretion may provide a waiver if it determines it is necessary for the agency to fulfill an enforceable obligation.

34177.7. (a) (1) In addition to the powers granted to each successor agency, and notwithstanding anything in the act adding this part, including, but not limited to, Sections 34162 and 34189, the successor agency to the Redevelopment Agency of the City and County of San Francisco shall have the authority, rights, and powers of the Redevelopment Agency to which it succeeded solely for the purpose of issuing bonds or incurring other indebtedness to finance:

(A) The affordable housing required by the Mission Bay North Owner Participation Agreement, the Mission Bay South Owner Participation Agreement, the

Disposition and Development Agreement for Hunters Point Shipyard Phase 1, the Candlestick Point-Hunters Point Shipyard Phase 2 Disposition and Development Agreement, and the Transbay Implementation Agreement.

(B) The infrastructure required by the Transbay Implementation Agreement.

(2) The successor agency to the Redevelopment Agency of the City and County of San Francisco may pledge to the bonds or other indebtedness the property tax revenues available in the successor agency's Redevelopment Property Tax Trust Fund that are not otherwise obligated.

(b) Bonds issued pursuant to this section may be sold pursuant to either a negotiated or a competitive sale. The bonds issued or other indebtedness obligations incurred pursuant to this section may be issued or incurred on a parity basis with outstanding bonds or other indebtedness obligations of the successor agency to the Redevelopment Agency of the City and County of San Francisco and may pledge the revenues pledged to those outstanding bonds or other indebtedness obligations to the issuance of bonds or other obligations pursuant to this section. The pledge, when made in connection with the issuance of bonds or other indebtedness obligations under this section, shall have the same lien priority as the pledge of outstanding bonds or other indebtedness obligations, and shall be valid, binding, and enforceable in accordance with its terms.

(c) (1) Prior to issuing any bonds or incurring other indebtedness pursuant to this section, the successor agency to the Redevelopment Agency of the City and County of San Francisco may subordinate to the bonds or other indebtedness the amount required to be paid to an affected taxing entity pursuant to paragraph (1) of subdivision (a) of Section 34183, provided that the affected taxing entity has approved the subordinations pursuant to this subdivision.

(2) At the time the agency requests an affected taxing entity to subordinate the amount to be paid to it, the agency shall provide the affected taxing entity with substantial evidence that sufficient funds will be available to pay both the debt service on the bonds or other indebtedness and the payments required by paragraph (1) of subdivision (a) of Section 34183, when due.

(3) Within 45 days after receipt of the agency's request, the affected taxing entity shall approve or disapprove the request for subordination. An affected taxing entity may disapprove a request for subordination only if it finds, based upon substantial evidence, that the successor agency will not be able to pay the debt service payments and the amount required to be paid to the affected taxing entity. If the affected taxing entity does not act within 45 days after

receipt of the agency's request, the request to subordinate shall be deemed approved and shall be final and conclusive.

(d) An action may be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure to determine the validity of bonds or other obligations authorized by this section, the pledge of revenues to those bonds or other obligations authorized by this section, the legality and validity of all proceedings theretofore taken and, as provided in the resolution of the legislative body of the successor agency to the Redevelopment Agency of the City and County of San Francisco authorizing the bonds or other indebtedness obligations authorized by this section, proposed to be taken for the authorization, execution, issuance, sale, and delivery of the bonds or other obligations authorized by this section, and for the payment of debt service on the bonds or the payment of amounts under other obligations authorized by this section. Subdivision (c) of Section 33501 shall not apply to any such action. The department shall be notified of the filing of any action as an affected party.

(e) Notwithstanding any other law, including, but not limited to, Section 33501, an action to challenge the issuance of bonds or the incurrence of indebtedness by the successor agency to the Redevelopment Agency of the City and County of San Francisco shall be brought within 30 days after the date on which the oversight board approves the resolution of the agency approving the issuance of bonds or the incurrence of indebtedness under this section.

(f) The actions authorized in this section shall be subject to the approval of the oversight board, as provided in Section 34180. Additionally, the oversight board may direct the successor agency to the Redevelopment Agency of the City and County of San Francisco to commence any of the transactions described in subdivision (a) so long as the agency is able to recover its related costs in connection with the transaction. After the agency, with approval of the oversight board, issues any bonds or incurs any indebtedness pursuant to subdivision (a), the oversight board shall not unilaterally approve any amendments to or early termination of the bonds or indebtedness. If, under the authority granted to it by subdivision (h) of Section 34179, the department either reviews and approves or fails to request review within five business days of an oversight board approval of an action authorized by this section, the scheduled payments on the bonds or other indebtedness shall be listed in the Recognized Obligation Payment Schedule and shall not be subject to further review and approval by the department or the Controller. The department may extend its review time to 60 days for actions authorized in this section and may seek the assistance of the Treasurer in evaluating proposed actions under this section.

(g) Any bonds or other indebtedness authorized by this section shall be considered indebtedness incurred by the dissolved redevelopment agency, with the same legal effect as if the

bonds or other indebtedness had been issued, incurred, or entered into prior to June 28, 2011, in full conformity with the applicable provisions of the Community Redevelopment Law that existed prior to that date, shall be included in the successor agency to the Redevelopment Agency of the City and County of San Francisco's Recognized Obligation Payment Schedule, and shall be secured by a pledge of, and lien on, and shall be repaid from moneys deposited from time to time in the Redevelopment Property Tax Trust Fund established pursuant to subdivision (c) of Section 34172, as provided in paragraph (2) of subdivision (a) of Section 34183. Property tax revenues pledged to any bonds or other indebtedness obligations authorized by this section are taxes allocated to the successor agency pursuant to subdivision (b) of Section 33670 and Section 16 of Article XVI of the California Constitution.

(h) The successor agency to the Redevelopment Agency of the City and County of San Francisco shall make diligent efforts to ensure that the lowest long-term cost financing is obtained. The financing shall not provide for any bullets or spikes and shall not use variable rates. The agency shall make use of an independent financial advisor in developing financing proposals and shall make the work products of the financial advisor available to the department at its request.

34178. (a) Commencing on the operative date of this part [February 1, 2012]*, agreements, contracts, or arrangements between the city or county, or city and county that created the redevelopment agency and the redevelopment agency are invalid and shall not be binding on the successor agency; provided, however, that a successor entity wishing to enter or reenter into agreements with the city, county, or city and county that formed the redevelopment agency that it is succeeding may do so subject to the restrictions identified in subdivision (c) and upon obtaining the approval of its oversight board.

(b) Notwithstanding subdivision (a), any of the following agreements are not invalid and may bind the successor agency:

(1) A duly authorized written agreement entered into at the time of issuance, but in no event later than December 31, 2010, of indebtedness obligations, and solely for the purpose of securing or repaying those indebtedness obligations.

(2) A written agreement between a redevelopment agency and the city, county, or city and county that created it that provided loans or other startup funds for the redevelopment agency that were entered into within two years of the formation of the redevelopment agency.

(3) A joint exercise of powers agreement in which the redevelopment agency is a member of the joint powers authority. However, upon assignment to the successor agency by operation of the act adding this part, the successor agency's rights, duties, and performance obligations under that joint exercise of powers agreement shall be limited by the constraints imposed on successor agencies by the act adding this part.

(4) A duly authorized written agreement entered into at the time of issuance, but in no event later than June 27, 2011, of indebtedness obligations solely for the refunding or refinancing of other indebtedness obligations that existed prior to January 1, 2011, and solely for the purpose of securing or repaying the refunded and refinanced indebtedness obligations.

(c) An oversight board shall not approve any agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency that it is succeeding, except for agreements for the limited purposes set forth in subdivision (b) of Section 34177.3. A successor agency shall not enter or reenter into any agreements with the city, county, or city and county that formed the redevelopment agency that it is succeeding, except for agreements for the limited purposes set forth in subdivision (b) of Section 34177.3. A successor agency or an oversight board shall not exercise the powers granted by subdivision (a) to restore funding for any item that was denied or reduced by the department. This subdivision shall apply retroactively to all agreements entered or reentered pursuant to this section on and after June 27, 2012. Any agreement entered or reentered pursuant to this section on and after June 27, 2012, that does not comply with this subdivision is ultra vires and void, and does not create an enforceable obligation. The Legislature finds and declares that this subdivision is necessary to promote the expeditious wind down of redevelopment agency affairs.

[*Deadline reformed pursuant to *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.]

34178.7. For purposes of this chapter with regard to a redevelopment agency that becomes subject to this part pursuant to Section 34195*, only references to "October 1, 2011," and to the "operative date of this part" shall be modified in the manner described in Section 34191. All other dates shall be modified only as necessary to reflect the appropriate fiscal year or portion of a fiscal year.

[*Section invalidated pursuant to *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.]

**PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND
DESIGNATION OF SUCCESSOR AGENCIES**

CHAPTER 4. OVERSIGHT BOARDS

Health and Safety Code

34179. (a) Each successor agency shall have an oversight board composed of seven members. The members shall elect one of their members as the chairperson and shall report the name of the chairperson and other members to the Department of Finance on or before May 1, 2012*. Members shall be selected as follows:

(1) One member appointed by the county board of supervisors.

(2) One member appointed by the mayor for the city that formed the redevelopment agency.

(3) (A) One member appointed by the largest special district, by property tax share, with territory in the territorial jurisdiction of the former redevelopment agency, which is of the type of special district that is eligible to receive property tax revenues pursuant to Section 34188.

(B) On or after the effective date of this subparagraph, the county auditor-controller may determine which is the largest special district for purposes of this section.

(4) One member appointed by the county superintendent of education to represent schools if the superintendent is elected. If the county superintendent of education is appointed, then the appointment made pursuant to this paragraph shall be made by the county board of education.

(5) One member appointed by the Chancellor of the California Community Colleges to represent community college districts in the county.

(6) One member of the public appointed by the county board of supervisors.

(7) One member representing the employees of the former redevelopment agency appointed by the mayor or chair of the board of supervisors, as the case may be, from the recognized employee organization representing the largest number of former redevelopment agency employees employed by the successor agency at that time. In the case where city or county employees performed administrative duties of the former redevelopment agency, the appointment shall be made from the recognized employee organization representing those employees. If a recognized employee organization does not exist for either the employees of the former redevelopment agency or the city or county employees performing administrative duties of the former redevelopment agency, the appointment shall be made from among the employees of the successor agency. In voting to approve a contract as an enforceable obligation, a member

appointed pursuant to this paragraph shall not be deemed to be interested in the contract by virtue of being an employee of the successor agency or community for purposes of Section 1090 of the Government Code.

(8) If the county or a joint powers agency formed the redevelopment agency, then the largest city by acreage in the territorial jurisdiction of the former redevelopment agency may select one member. If there are no cities with territory in a project area of the redevelopment agency, the county superintendent of education may appoint an additional member to represent the public.

(9) If there are no special districts of the type that are eligible to receive property tax pursuant to Section 34188, within the territorial jurisdiction of the former redevelopment agency, then the county may appoint one member to represent the public.

(10) If a redevelopment agency was formed by an entity that is both a charter city and a county, the oversight board shall be composed of seven members selected as follows: three members appointed by the mayor of the city, if that appointment is subject to confirmation by the county board of supervisors, one member appointed by the largest special district, by property tax share, with territory in the territorial jurisdiction of the former redevelopment agency, which is the type of special district that is eligible to receive property tax revenues pursuant to Section 34188, one member appointed by the county superintendent of education to represent schools, one member appointed by the Chancellor of the California Community Colleges to represent community college districts, and one member representing employees of the former redevelopment agency appointed by the mayor of the city if that appointment is subject to confirmation by the county board of supervisors, to represent the largest number of former redevelopment agency employees employed by the successor agency at that time.

(11) Each appointing authority identified in this subdivision may, but is not required to, appoint alternate representatives to serve on the oversight board as may be necessary to attend any meeting of the oversight board in the event that the appointing authority's primary representative is unable to attend any meeting for any reason. If an alternate representative attends any meeting in place of the primary representative, the alternate representative shall have the same participatory and voting rights as all other attending members of the oversight board.

(b) The Governor may appoint individuals to fill any oversight board member position described in subdivision (a) that has not been filled by May 15, 2012*, or any member position that remains vacant for more than 60 days.

(c) The oversight board may direct the staff of the successor agency to perform work in furtherance of the oversight board's and the successor agency's duties and responsibilities under this part. The successor agency shall pay for all of the costs of meetings of the oversight board and may include such costs in its administrative budget. Oversight board members shall serve without compensation or reimbursement for expenses.

(d) Oversight board members are protected by the immunities applicable to public entities and public employees governed by Part 1 (commencing with Section 810) and Part 2 (commencing with Section 814) of Division 3.6 of Title 1 of the Government Code.

(e) A majority of the total membership of the oversight board shall constitute a quorum for the transaction of business. A majority vote of the total membership of the oversight board is required for the oversight board to take action. The oversight board shall be deemed to be a local entity for purposes of the Ralph M. Brown Act, the California Public Records Act, and the Political Reform Act of 1974. All actions taken by the oversight board shall be adopted by resolution.

(f) All notices required by law for proposed oversight board actions shall also be posted on the successor agency's Internet Web site or the oversight board's Internet Web site.

(g) Each member of an oversight board shall serve at the pleasure of the entity that appointed such member.

(h) (1) The department may review an oversight board action taken pursuant to this part. Written notice and information about all actions taken by an oversight board shall be provided to the department as an approved resolution by electronic means and in a manner of the department's choosing. Without abrogating the department's authority to review all matters related to the Recognized Obligation Payment Schedule pursuant to Section 34177, oversight boards are not required to submit the following oversight board actions for department approval:

(A) Meeting minutes and agendas.

(B) Administrative budgets.

(C) Changes in oversight board members, or the selection of an oversight board chair or vice chair.

(D) Transfers of governmental property pursuant to an approved long-range property management plan.

(E) Transfers of property to be retained by the sponsoring entity for future development pursuant to an approved long-range property management plan.

(2) An oversight board action submitted in a manner specified by the department shall become effective five business days after submission, unless the department requests a review of the action. Each oversight board shall designate an official to whom the department may make those requests and who shall provide the department with the telephone number and e-mail contact information for the purpose of communicating with the department pursuant to this subdivision. Except as otherwise provided in this part, in the event that the department

requests a review of a given oversight board action, it shall have 40 days from the date of its request to approve the oversight board action or return it to the oversight board for reconsideration and the oversight board action shall not be effective until approved by the department. In the event that the department returns the oversight board action to the oversight board for reconsideration, the oversight board shall resubmit the modified action for department approval and the modified oversight board action shall not become effective until approved by the department. If the department reviews a Recognized Obligation Payment Schedule, the department may eliminate or modify any item on that schedule prior to its approval. The county auditor-controller shall reflect the actions of the department in determining the amount of property tax revenues to allocate to the successor agency. The department shall provide notice to the successor agency and the county auditor-controller as to the reasons for its actions. To the extent that an oversight board continues to dispute a determination with the department, one or more future Recognized Obligation Payment Schedules may reflect any resolution of that dispute. The department may also agree to an amendment to a Recognized Obligation Payment Schedule to reflect a resolution of a disputed item; however, this shall not affect a past allocation of property tax or create a liability for any affected taxing entity.

(i) Oversight boards shall have fiduciary responsibilities to holders of enforceable obligations and the taxing entities that benefit from distributions of property tax and other revenues pursuant to Section 34188. Further, the provisions of Division 4 (commencing with Section 1000) of the Government Code shall apply to oversight boards. Notwithstanding Section 1099 of the Government Code, or any other law, any individual may simultaneously be appointed to up to five oversight boards and may hold an office in a city, county, city and county, special district, school district, or community college district.

(j) Except as specified in subdivision (q), commencing on and after July 1, 2018, in each county where more than one oversight board was created by operation of the act adding this part, there shall be only one oversight board, which shall be staffed by the county auditor-controller, by another county entity selected by the county auditor-controller, or by a city within the county that the county auditor-controller may select after consulting with the department. Pursuant to Section 34183, the county auditor-controller may recover directly from the Redevelopment Property Tax Trust Fund, and distribute to the appropriate city or county entity, reimbursement for all costs incurred by it or by the city or county pursuant to this subdivision, which shall include any associated startup costs. However, if only one successor agency exists within the county, the county auditor-controller may designate the successor agency to staff the oversight board. The oversight board is appointed as follows:

(1) One member may be appointed by the county board of supervisors.

(2) One member may be appointed by the city selection committee established pursuant to Section 50270 of the Government Code. In a city and county, the mayor may appoint one member.

(3) One member may be appointed by the independent special district selection committee established pursuant to Section 56332 of the Government Code, for the types of special districts that are eligible to receive property tax revenues pursuant to Section 34188.

(4) One member may be appointed by the county superintendent of education to represent schools if the superintendent is elected. If the county superintendent of education is appointed, then the appointment made pursuant to this paragraph shall be made by the county board of education.

(5) One member may be appointed by the Chancellor of the California Community Colleges to represent community college districts in the county.

(6) One member of the public may be appointed by the county board of supervisors.

(7) One member may be appointed by the recognized employee organization representing the largest number of successor agency employees in the county.

(k) The Governor may appoint individuals to fill any oversight board member position described in subdivision (j) that has not been filled by July 15, 2018, or any member position that remains vacant for more than 60 days.

(l) Commencing on and after July 1, 2018, in each county where only one oversight board was created by operation of the act adding this part, then there will be no change to the composition of that oversight board as a result of the operation of subdivision (j).

(m) Any oversight board for a given successor agency, with the exception of countywide oversight boards, shall cease to exist when the successor agency has been formally dissolved pursuant to Section 34187. A county oversight board shall cease to exist when all successor agencies subject to its oversight have been formally dissolved pursuant to Section 34187.

(n) An oversight board may direct a successor agency to provide additional legal or financial advice than what was given by agency staff.

(o) An oversight board is authorized to contract with the county or other public or private agencies for administrative support.

(p) On matters within the purview of the oversight board, decisions made by the oversight board supersede those made by the successor agency or the staff of the successor agency.

(q) (1) Commencing on and after July 1, 2018, in each county where more than 40 oversight boards were created by operation of the act adding this part, there shall be five oversight boards, which shall each be staffed in the same manner as specified in subdivision (j). The membership of each oversight board shall be as specified in paragraphs (1) through (7), inclusive, of subdivision (j).

(2) The oversight boards shall be numbered one through five, and their respective jurisdictions shall encompass the territory located within the respective borders of the first through fifth county board of supervisors districts, as those borders existed on July 1, 2018. Except as specified in paragraph (3), each oversight board shall have jurisdiction over each successor agency located within its borders.

(3) If a successor agency has territory located within more than one county board of supervisors' district, the county board of supervisors shall, no later than July 15, 2018, determine which oversight board shall have jurisdiction over that successor agency. The county board of supervisors or their designee shall report this information to the successor agency and the department by the aforementioned date.

(4) The successor agency to the former redevelopment agency created by a county where more than 40 oversight boards were created by operation of the act adding this part, shall be under the jurisdiction of the oversight board with the fewest successor agencies under its jurisdiction.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34179.5. (a) In furtherance of subdivision (d) of Section 34177, each successor agency shall employ a licensed accountant, approved by the county auditor-controller and with experience and expertise in local government accounting, to conduct a due diligence review to determine the unobligated balances available for transfer to taxing entities. As an alternative, an audit provided by the county auditor-controller that provides the information required by this section may be used to comply with this section with the concurrence of the oversight board.

(b) For purposes of this section the following terms shall have the following meanings:

(1) "Cash" and "cash equivalents" includes, but is not limited to, cash in hand, bank deposits, Local Agency Investment Fund deposits, deposits in the city or county treasury or any other pool, marketable securities, commercial paper, United States Treasury bills, banker's acceptances, payables on demand and amounts due from other parties as defined in subdivision (c), and any other money owned by the successor agency.

(2) “Enforceable obligation” includes any of the items listed in subdivision (d) of Section 34171, contracts detailing specific work to be performed that were entered into by the former redevelopment agency prior to June 28, 2011, with a third party that is other than the city, county, or city and county that created the former redevelopment agency, and indebtedness obligations as defined in subdivision (e) of Section 34171.

(3) “Transferred” means the transmission of money to another party that is not in payment for goods or services or an investment or where the payment is de minimus. Transfer also means where the payments are ultimately merely a restriction on the use of the money.

(c) At a minimum, the review required by this section shall include the following:

(1) The dollar value of assets transferred from the former redevelopment agency to the successor agency on or about February 1, 2012.

(2) The dollar value of assets and cash and cash equivalents transferred after January 1, 2011, through June 30, 2012, by the redevelopment agency or the successor agency to the city, county, or city and county that formed the redevelopment agency and the purpose of each transfer. The review shall provide documentation of any enforceable obligation that required the transfer.

(3) The dollar value of any cash or cash equivalents transferred after January 1, 2011, through June 30, 2012, by the redevelopment agency or the successor agency to any other public agency or private party and the purpose of each transfer. The review shall provide documentation of any enforceable obligation that required the transfer.

(4) The review shall provide expenditure and revenue accounting information and identify transfers and funding sources for the 2010–11 and 2011–12 fiscal years that reconciles balances, assets, and liabilities of the successor agency on June 30, 2012 to those reported to the Controller for the 2009–10 fiscal year.

(5) A separate accounting for the balance for the Low and Moderate Income Housing Fund for all other funds and accounts combined shall be made as follows:

(A) A statement of the total value of each fund as of June 30, 2012.

(B) An itemized statement listing any amounts that are legally restricted as to purpose and cannot be provided to taxing entities. This could include the proceeds of any bonds, grant funds, or funds provided by other governmental entities that place conditions on their use.

(C) An itemized statement of the values of any assets that are not cash or cash equivalents. This may include physical assets, land, records, and equipment. For the purpose of this accounting, physical assets may be valued at purchase cost or at any recently estimated market value. The statement shall list separately housing-related assets.

(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required, it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.

(E) An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

34179.6. The review required pursuant to Section 34179.5 shall be submitted to the oversight board for review. The successor agency shall submit a copy of the Recognized Obligation Payment Schedule to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the review to the oversight board for review.

(a) By October 1, 2012, each successor agency shall provide to the oversight board, the county auditor-controller, the Controller, and the Department of Finance the results of the review conducted pursuant to Section 34179.5 for the Low and Moderate Income Housing Fund and specifically the amount of cash and cash equivalents determined to be available for allocation to taxing entities. By December 15, 2012, each successor agency shall provide to the oversight board, the county auditor-controller, the Controller, and the department the results of the review conducted pursuant to Section 34179.5 for all of the other fund and account balances and

specifically the amount of cash and cash equivalents determined to be available for allocation to taxing entities. The department may request any supporting documentation and review results to assist in its review under subdivision (d). The department may specify the form and manner information about the review shall be provided to it.

(b) Upon receipt of the review, the oversight board shall convene a public comment session to take place at least five business days before the oversight board holds the approval vote specified in subdivision (c). The oversight board also shall consider any opinions offered by the county auditor-controller on the review results submitted by the successor agencies.

(c) By October 15, 2012, for the Low and Moderate Income Housing Fund and by January 15, 2013, for all other funds and accounts, the oversight board shall review, approve, and transmit to the department and the county auditor-controller the determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities as determined according to the method provided in Section 34179.5. The oversight board may adjust any amount provided in the review to reflect additional information and analysis. The review and approval shall occur in public sessions. The oversight board may request from the successor agency any materials it deems necessary to assist in its review and approval of the determination. The oversight board shall be empowered to authorize a successor agency to retain assets or funds identified in subparagraphs (B) to (E), inclusive, of paragraph (5) of subdivision (c) of Section 34179.5. An oversight board that makes that authorization also shall identify to the department the amount of funds authorized for retention, the source of those funds, and the purposes for which those funds are being retained. The determination and authorization to retain funds and assets shall be subject to the review and approval of the department pursuant to subdivision (d).

(d) The department may adjust any amount associated with the determination of the resulting amount described in paragraph (6) of subdivision (c) of Section 34179.5 based on its analysis and information provided by the successor agency and others. The department shall consider any findings or opinions of the county auditor-controllers and the Controller. The department shall complete its review of the determinations provided pursuant to subdivision (c) no later than November 9, 2012, for the Low and Moderate Income Housing Fund and also shall notify the oversight board and the successor agency of its decision to overturn any decision of the oversight board to authorize a successor agency to retain assets or funds made pursuant to subdivision (c). The department shall complete its review of the determinations provided pursuant to subdivision (c) no later than April 1, 2013, for the other funds and accounts and also shall notify the oversight board and the successor agency of its decision to overturn any oversight board authorizations made pursuant to subdivision (c). The department shall provide the oversight board and the successor agency an explanation of its basis for overturning or modifying any findings, determinations, or authorizations of the oversight board made pursuant to subdivision (c).

(e) The successor agency and the entity or entities that created the former redevelopment agency may request to meet and confer with the department to resolve any disputes regarding the amounts or sources of funds identified as determined by the department. The request shall be made within five business days of the transmission, and no later than November 16, 2012, for the

determination regarding the Low and Moderate Income Housing Fund, to the successor agency or the designated local authority of the department's determination, decisions, and explanations and shall be accompanied by an explanation and documentation of the basis of the dispute. The department shall meet and confer with the requesting party and modify its determinations and decisions accordingly. The department shall either confirm or modify its determinations and decisions within 30 days of the request to meet and confer.

(f) Each successor agency shall transmit to the county auditor-controller the amount of funds required pursuant to the determination of the department within five working days of receipt of the notification under subdivision (c) or (e) if a meet and confer request is made. Successor agencies shall make diligent efforts to recover any money determined to have been transferred without an enforceable obligation as described in paragraphs (2) and (3) of subdivision (c) of Section 34179.5. The department shall notify the county auditor-controllers of its actions and the county auditor-controllers shall disburse the funds received from successor agencies to taxing entities pursuant to Section 34188 within five working days of receipt. Amounts received after November 28, 2012, and April 10, 2013, may be held and disbursed with the regular payments to taxing entities pursuant to Section 34183.

(g) By December 1, 2012, the county auditor-controller shall provide the department a report specifying the amount submitted by each successor agency pursuant to subdivision (d) for low- and moderate-income housing funds, and specifically noting those successor agencies that failed to remit the full required amount. By April 20, 2013, the county auditor-controller shall provide the department a report detailing the amount submitted by each successor agency pursuant to subdivision (d) for all other funds and accounts, and specifically noting those successor agencies that failed to remit the full required amount.

(h) If a successor agency fails to remit to the county auditor-controller the sums identified in subdivisions (d) and (f), by the deadlines specified in those subdivisions, the following remedies are available:

(1) (A) If the successor agency cannot promptly recover the funds that have been transferred to another public agency without an enforceable obligation as described in paragraphs (2) and (3) of subdivision (c) of Section 34179.5, the funds may be recovered through an offset of sales and use tax or property tax allocations to the local agency to which the funds were transferred. To recover such funds, the Department of Finance may order the State Board of Equalization to make an offset pursuant to subdivision (a) of Section 34179.8. If the Department of Finance does not order a sales tax offset, the county auditor-controller may reduce the property tax allocations to any local agency in the county that fails to repay funds pursuant to subdivision (c) of Section 34179.8.

(B) The county auditor-controller and the department shall each have the authority to demand the return of funds improperly spent or transferred to a private person or other private entity. If funds are not repaid within 60 days, they may be recovered through any lawful means of collection and are subject to a ten percent penalty plus interest at the rate

charged for late personal income tax payments from the date the improper payment was made to the date the money is repaid.

(C) If the city, county, or city and county that created the former redevelopment agency is also performing the duties of the successor agency, the Department of Finance may order an offset to the distribution provided to the sales and use tax revenue to that agency pursuant to subdivision (a) of Section 34179.8. This offset shall be equal to the amount the successor fails to remit pursuant to subdivision (f). If the Department of Finance does not order a sales tax offset, the county auditor-controller may reduce the property tax allocations of the city, county, or city and county that created the former redevelopment agency pursuant to subdivision (c) of Section 34179.8.

(D) The department and the county auditor-controller shall coordinate their actions undertaken pursuant to this paragraph.

(2) Alternatively or in addition to the remedies provided in paragraph (1), the department may direct the county auditor-controller to deduct the unpaid amount from future allocations of property tax to the successor agency under Section 34183 until the amount of payment required pursuant to subdivision (d) is accomplished.

(3) If the Department of Finance determines that payment of the full amount required under subdivision (d) is not currently feasible or would jeopardize the ability of the successor agency to pay enforceable obligations in a timely manner, it may agree to an installment payment plan.

(i) (1) If a legal action contesting a withholding effectuated by the State Board of Equalization pursuant to subparagraphs (B), (C), or (B) and (C) of paragraph (2) of subdivision (b) of Section 34183.5 is successful and results in a final judicial determination, the court shall order the state to pay to the prevailing party a penalty equal to a percentage of the amount of funds found by the court to be improperly withheld, as provided in Section 34179.8. This percentage shall be equivalent to the number of months the funds have been found by the court to be improperly withheld, not to exceed 10 percent.

(2) If a legal action contesting an offset effectuated by the State Board of Equalization or the county auditor-controller pursuant to subdivision (h) is successful and results in a final judicial determination, the court shall order the state or the county auditor-controller to pay to the prevailing party a penalty equal to 10 percent of the amount of funds found by the court to be improperly offset, as provided in Section 34179.8.

(j) If a legal challenge to invalidate any provision in subdivision (h) or subparagraph (B) or (C), or subparagraphs (B) and (C) of paragraph (2) of subdivision (b) of Section 34183.5 is successful and results in a final judicial determination, the invalidated provision shall become inoperative and subdivision (i) shall become inoperative with respect to the invalidated provision.

34179.7. Upon full payment of the amounts determined in subdivision (d) or (e) of Section 34179.6 as reported by the county auditor-controller pursuant to subdivision (g) of Section 34179.6 and of any amounts due as determined by Section 34183.5, or upon a final judicial determination of the amounts due and confirmation that those amounts have been paid by the county auditor-controller, or upon entering into a written installment payment plan with the department for payment of the amounts due, the department shall issue, within five business days, a finding of completion of the requirements of Section 34179.6 to the successor agency.

(a) Notwithstanding any other of law, if a successor agency fails by December 31, 2015, to pay, or to enter into a written installment payment plan with the department for the payment of, the amounts determined in subdivision (d) or (e) of Section 34179.6, or the amounts determined by Section 34183.5, the successor agency shall never receive a finding of completion.

(b) If a successor agency, city, county, or city and county pays, or enters into a written installment payment plan with the department for the payment of the amounts determined in subdivision (d) or (e) of Section 34179.6 or the amounts determined by Section 34183.5, and the successor agency, city, county, or city and county subsequently receives a final judicial determination that reduces or eliminates the amounts determined, an enforceable obligation for the reimbursement of the excess amounts paid shall be created and the obligation to make any payments in excess of the amount determined by a final judicial determination shall be canceled and be of no further force or effect.

(c) If, upon consultation with the county auditor-controller, the department finds that a successor agency, city, county, or city and county has failed to fully make one or more payments agreed to in the written installment payment plan, the following shall occur unless the county auditor-controller reports within 10 business days that the successor agency, city, county, or city and county has made the entirety of the incomplete payment or payments:

(1) Section 34191.3, subdivision (b) of Section 34191.4, and Section 34191.5 shall not apply to the successor agency.

(2) Oversight board actions taken under subdivision (b) of Section 34191.4 shall no longer be effective. Any loan agreements entered into between the redevelopment agency and the city, county, or city and county that created the redevelopment agency that were deemed enforceable obligations pursuant to such oversight board actions shall no longer be enforceable obligations.

(3) If the department has approved a long-range property management plan for the successor agency, that plan shall no longer be effective. Any property that has not been disposed of through the plan prior to the nonpayment discussed in this subdivision shall be disposed of pursuant to Section 34181.

(4) If applicable, the successor agency's Last and Final Recognized Obligation Payment Schedule shall cease to be effective. However, to ensure the flow of lawful payments to third parties is not impeded, the Last and Final Recognized Obligation Payment Schedule shall remain operative until the successor agency's next Recognized Obligation Payment Schedule is approved and becomes operative pursuant to Section 34177.

(d) Subdivision (c) shall not be construed to prevent the department from working with a successor agency, city, county, or city and county to amend the terms of a written installment payment plan if the department determines the amendments are necessitated by the successor agency's, city's, county's, or city and county's fiscal situation.

34179.8. (a) If an offset or withholding of sales and use tax is ordered by the Department of Finance pursuant to this part, the State Board of Equalization shall reduce the distribution of sales and use taxes collected under Chapter 1 (commencing with Section 7200) of Part 1.5 of Division 2 of the Revenue and Taxation Code to the entity that is the subject of the offset or withholding and shall direct the Controller to issue a warrant in the amount of any offset pursuant to subdivision (h) of Section 34179.6 to the county auditor-controller. The county auditor-controller shall distribute this amount to the taxing entities for the former redevelopment area according to Section 34188.

(b) (1) If a court has issued a final judicial determination or the department determines that some or all of the amount collected through the offset of sales and use tax has been paid by another means and no additional amount is owed, the court or the department shall notify the State Board of Equalization of that determination. Upon notification, the State Board of Equalization shall reverse the relevant amount of sales and use tax offset, add any penalty payable under subdivision (i) of Section 34179.6, and adjust the next distribution of sales and use tax to the affected local entity by reducing the allocation of tax to the General Fund and increasing the distribution to the local entity by that sum.

(2) The board shall inform the Controller of the reversal of the offset of sales and use tax undertaken pursuant to paragraph (1). The Controller shall send a demand for payment to the county auditor-controller for the amount of the offset reversal, excluding any penalty amount determined by the court pursuant to subdivision (i) of Section 34179.6 to be applicable to the offset. The auditor-controller shall reduce allocations to taxing entities in the next distributions under Section 34188 until the amount of the reversed offset is recovered and shall pay such recovered amounts to the State Controller for deposit in the General Fund.

(c) (1) If an offset of property tax is ordered by the county auditor-controller pursuant to this part, the auditor-controller shall reduce the distribution of property taxes to the entity that is the subject of the offset and shall distribute the amount to the taxing entities for the former redevelopment area according to Section 34188.

(2) If a court has issued a final judicial determination or the department determines that some or all of the amount collected through the offset made pursuant to paragraph (1) has been paid by another means and no additional amount is owed, the court or the department shall notify the county auditor-controller of that determination. Upon notification, the county auditor-controller shall reverse the relevant amount of property tax revenues offset in the next distribution of property tax to the affected local entity by reducing the allocation of tax to the taxing entities of the former redevelopment area under Section 34188 and increasing the distribution of property taxes to the local entity that was subject to the offset.

34179.9. (a) The city, county, or city and county that created the former redevelopment agency shall return to the successor agency all assets transferred to the city, county, or city and county ordered returned pursuant to Section 34167.5.

(b) (1) The city, county, or city and county that created the former redevelopment agency shall return to the successor agency all cash and cash equivalents transferred to the city, county, or city and county that were not required by an enforceable obligation as determined pursuant to Sections 34179.5 and 34179.6.

(2) Any amounts required to be returned to the successor agency under Sections 34179.5 and 34179.6, and paragraph (1) of this subdivision, that were transferred to the city, county, or city and county that created the former redevelopment agency as repayment for an advance of funds made by the city, county, or city and county to the former redevelopment agency or successor agency that was needed to pay the former redevelopment agency's debt service or passthrough payments may be placed on a Recognized Obligation Payment Schedule by the successor agency for payment as an enforceable obligation subject to the following conditions:

(A) The transfer to the city, county, or city and county by the former redevelopment agency or successor agency as repayment for the advance of funds occurred within 30 days of receipt of a duly scheduled property tax distribution to the former redevelopment agency by the county auditor-controller.

(B) The loan from the city, county, or city and county was necessary because the former redevelopment agency or successor agency had insufficient funds to pay for the former redevelopment agency's debt service or passthrough payments.

(3) Paragraph (2) shall not apply if:

(A) The former redevelopment agency had insufficient funds as a result of an unauthorized transfer of cash or cash equivalents to the city, county, or city and county that created the former redevelopment agency.

(B) The successor agency has received a finding of completion as of the effective date of the act that added this section.

(C) The successor agency, the city, county, or city and county that created the former redevelopment agency, or the successor agency's oversight board, is currently or was previously a party to outstanding litigation contesting the department's determination under subdivision (d) or (e) of Section 34179.6.

(c) The city, county, or city and county that created the former redevelopment agency shall return to the successor agency any money or assets transferred to the city, county, or city and county by the successor agency that were not authorized pursuant to an effective oversight board action or Recognized Obligation Payment Schedule determination.

34180. All of the following successor agency actions shall first be approved by the oversight board:

(a) The establishment of new repayment terms for outstanding loans where the terms have not been specified prior to the date of this part. An oversight board shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1).

(b) The issuance of bonds or other indebtedness or the pledge or agreement for the pledge of property tax revenues (formerly tax increment prior to the effective date of this part) pursuant to subdivision (a) of Section 34177.5.

(c) Setting aside of amounts in reserves as required by indentures, trust indentures, or similar documents governing the issuance of outstanding redevelopment agency bonds.

(d) Merging of project areas.

(e) Continuing the acceptance of federal or state grants, or other forms of financial assistance from either public or private sources, if that assistance is conditioned upon the provision of matching funds, by the successor entity as successor to the former redevelopment agency, in an amount greater than 5 percent.

(f) (1) If a city, county, or city and county wishes to retain any properties or other assets for future redevelopment activities, funded from its own funds and under its own auspices, it must reach a compensation agreement with the other taxing entities to provide payments to

them in proportion to their shares of the base property tax, as determined pursuant to Section 34188, for the value of the property retained.

(2) If no other agreement is reached on valuation of the retained assets, the value will be the fair market value as of the 2011 property tax lien date as determined by an independent appraiser approved by the oversight board.

(g) Establishment of the Recognized Obligation Payment Schedule.

(h) A request by the successor agency to enter or reenter into an agreement with the city, county, or city and county that formed the redevelopment agency that it is succeeding pursuant to Section 34178. An oversight board shall not have the authority to reestablish loan agreements between the successor agency and the city, county, or city and county that formed the redevelopment agency except as provided in Chapter 9 (commencing with Section 34191.1). Any actions to establish or reestablish any other agreements that are authorized under this part, with the city, county, or city and county that formed the redevelopment agency are invalid until they are included in an approved and valid Recognized Obligation Payment Schedule.

(i) A request by a successor agency or taxing entity to pledge, or to enter into an agreement for the pledge of, property tax revenues pursuant to subdivision (b) of Section 34178.

(j) Any document submitted by a successor agency to an oversight board for approval by any provision of this part shall also be submitted to the county administrative officer, the county auditor-controller, and the Department of Finance at the same time that the successor agency submits the document to the oversight board.

34181. The oversight board shall direct the successor agency to do all of the following:

(a) (1) Dispose of all assets and properties of the former redevelopment agency; provided, however, that the oversight board may instead direct the successor agency to transfer ownership of those assets that were constructed and used for a governmental purpose, such as roads, school buildings, parks, police and fire stations, libraries, parking facilities and lots dedicated solely to public parking, and local agency administrative buildings, to the appropriate public jurisdiction pursuant to any existing agreements relating to the construction or use of such an asset. Any compensation to be provided to the successor agency for the transfer of the asset shall be governed by the agreements relating to the construction or use of that asset. Disposal shall be done expeditiously and in a manner aimed at maximizing value. Asset disposition may be accomplished by a distribution of income to taxing entities proportionate to their property tax share from one or more properties that may be transferred to a public or private agency for management pursuant to the direction of the oversight board.

(2) "Parking facilities and lots dedicated solely to public parking" do not include properties that generate revenues in excess of reasonable maintenance costs of the properties.

(b) Cease performance in connection with and terminate all existing agreements that do not qualify as enforceable obligations.

(c) Transfer housing assets pursuant to Section 34176.

(d) Terminate any agreement, between the dissolved redevelopment agency and any public entity located in the same county, obligating the redevelopment agency to provide funding for any debt service obligations of the public entity or for the construction, or operation of facilities owned or operated by such public entity, in any instance where the oversight board has found that early termination would be in the best interests of the taxing entities.

(e) Determine whether any contracts, agreements, or other arrangements between the dissolved redevelopment agency and any private parties should be terminated or renegotiated to reduce liabilities and increase net revenues to the taxing entities, and present proposed termination or amendment agreements to the oversight board for its approval. The board may approve any amendments to or early termination of those agreements if it finds that amendments or early termination would be in the best interests of the taxing entities.

(f) All actions taken pursuant to subdivisions (a) and (c) shall be approved by resolution of the oversight board at a public meeting after at least 10 days' notice to the public of the specific proposed actions. The actions shall be subject to review by the department pursuant to Section 34179 except that the department may extend its review period by up to 60 days. If the department does not object to an action subject to this section, and if no action challenging an action is commenced within 60 days of the approval of the action by the oversight board, the action of the oversight board shall be considered final and can be relied upon as conclusive by any person. If an action is brought to challenge an action involving title to or an interest in real property, a notice of pendency of action shall be recorded by the claimant as provided in Title 4.5 (commencing with Section 405) of Part 2 of the Code of Civil Procedure within a 60-day period.

**PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND
DESIGNATION OF SUCCESSOR AGENCIES**

CHAPTER 5. DUTIES OF THE AUDITOR-CONTROLLER

Health and Safety Code

34182. (a) (1) The county auditor-controller shall conduct or cause to be conducted an agreed-upon procedures audit of each redevelopment agency in the county that is subject to this part, to be completed by October 1, 2012.

(2) The purpose of the audits shall be to establish each redevelopment agency's assets and liabilities, to document and determine each redevelopment agency's passthrough payment obligations to other taxing entities, and to document and determine both the amount and the terms of any indebtedness incurred by the redevelopment agency pursuant to the initial Recognized Obligation Payment Schedule.

(3) The county auditor-controller may charge the Redevelopment Property Tax Trust Fund for any costs incurred by the county auditor-controller pursuant to this part.

(b) By October 5, 2012, the county auditor-controller shall provide the Controller's office and the Department of Finance a copy of all audits performed pursuant to this section. The county auditor-controller shall maintain a copy of all documentation and working papers for use by the Controller.

(c) (1) The county auditor-controller shall determine the amount of property taxes that would have been allocated to each redevelopment agency in the county had the redevelopment agency not been dissolved pursuant to the operation of the act adding this part. These amounts are deemed property tax revenues within the meaning of subdivision (a) of Section 1 of Article XIII A of the California Constitution and are available for allocation and distribution in accordance with the provisions of the act adding this part. The county auditor-controller shall calculate the property tax revenues using current assessed values on the last equalized roll on August 20, pursuant to Section 2052 of the Revenue and Taxation Code, and pursuant to statutory formulas or contractual agreements with other taxing entities, as of the effective date of this section, and shall deposit that amount in the Redevelopment Property Tax Trust Fund.

(2) Each county auditor-controller shall administer the Redevelopment Property Tax Trust Fund for the benefit of the holders of former redevelopment agency enforceable obligations and the taxing entities that receive passthrough payments and distributions of property taxes pursuant to this part.

(3) In connection with the allocation and distribution by the county auditor-controller of property tax revenues deposited in the Redevelopment Property Tax Trust Fund, in compliance with this part, the county auditor-controller shall prepare estimates of amounts of

property tax to be allocated and distributed and the amounts of passthrough payments to be made in the upcoming six-month period, and provide those estimates to both the entities receiving the distributions and the Department of Finance, no later than October 1 and April 1 of each year.

(4) Each county auditor-controller shall disburse proceeds of asset sales or reserve balances, which have been received from the successor entities pursuant to Sections 34177 and 34187, to the taxing entities. In making such a distribution, the county auditor-controller shall utilize the same methodology for allocation and distribution of property tax revenues provided in Section 34188.

(d) By October 1, 2012, the county auditor-controller shall report the following information to the Controller's office and the Director of Finance:

(1) The sums of property tax revenues remitted to the Redevelopment Property Tax Trust Fund related to each former redevelopment agency.

(2) The sums of property tax revenues remitted to each agency under paragraph (1) of subdivision (a) of Section 34183.

(3) The sums of property tax revenues remitted to each successor agency pursuant to paragraph (2) of subdivision (a) of Section 34183.

(4) The sums of property tax revenues paid to each successor agency pursuant to paragraph (3) of subdivision (a) of Section 34183.

(5) The sums paid to each city, county, and special district, and the total amount allocated for schools pursuant to paragraph (4) of subdivision (a) of Section 34183.

(6) Any amounts deducted from other distributions pursuant to subdivision (b) of Section 34183.

(e) A county auditor-controller may charge the Redevelopment Property Tax Trust Fund for the costs of administering the provisions of this part.

(f) The Controller may audit and review any county auditor-controller action taken pursuant to the act adding this part. As such, all county auditor-controller actions shall not be effective for three business days, pending a request for review by the Controller. In the event that the Controller requests a review of a given county auditor-controller action, he or she shall have 10 days from the date of his or her request to approve the county auditor-controller's action or return it to the county auditor-controller for reconsideration and the county auditor-controller's action shall not be effective until approved by the Controller. In the event that the Controller returns the county auditor-controller's action to the county auditor-controller for reconsideration, the county auditor-controller must resubmit the modified action for Controller approval and the modified county auditor-controller's action shall not become effective until approved by the Controller.

34182.5. A county auditor-controller may review the Recognized Obligation Payment Schedules and object to the inclusion of any items that are not demonstrated to be enforceable obligations and may object to the funding source proposed for any items. This review may take place prior to the submission of the Recognized Obligation Payment Schedule to the oversight board or subsequent to oversight board action. The county auditor-controller shall promptly transmit notice of any of those objections to the successor agency, the oversight board, and the Department of Finance. Notice shall be given at least 60 days prior to an allocation date specified in Section 34183, except that for the January 1, 2013 to June 30, 2013 Recognized Obligation Payment Schedule, notice shall be given no later than October 1, 2012. If an oversight board disputes the finding of the county auditor-controller, it may refer the matter to the Department of Finance for a determination of what will be approved for inclusion in the Recognized Obligation Payment Schedule.

34183. (a) Notwithstanding any other law, from February 1, 2012*, to July 1, 2012, and for each fiscal year thereafter, the county auditor-controller shall, after deducting administrative costs allowed under Section 34182 and Section 95.3 of the Revenue and Taxation Code, allocate moneys in each Redevelopment Property Tax Trust Fund as follows:

(1) (A) Subject to any prior deductions required by subdivision (b), first, the county auditor-controller shall remit from the Redevelopment Property Tax Trust Fund to each local agency and school entity an amount of property tax revenues in an amount equal to that which would have been received under Section 33401, 33492.140, 33607, 33607.5, 33607.7, or 33676, as those sections read on January 1, 2011, or pursuant to any passthrough agreement between a redevelopment agency and a taxing entity that was entered into prior to January 1, 1994, that would be in force during that fiscal year, had the redevelopment agency existed at that time. The amount of the payments made pursuant to this paragraph shall be calculated solely on the basis of passthrough payment obligations, existing prior to the effective date of this part [February 1, 2012]* and continuing as obligations of successor entities, shall occur no later than May 16, 2012*, and no later than June 1, 2012, and each January 2 and June 1 thereafter. Notwithstanding subdivision (e) of Section 33670, that portion of the taxes in excess of the amount identified in subdivision (a) of Section 33670, which are attributable to a tax rate levied by a taxing entity for the purpose of producing revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness for the acquisition or improvement of real property shall be allocated to, and when collected shall be paid into, the fund of that taxing entity. The amount of passthrough payments computed pursuant to this section, including any passthrough agreements, shall be computed as though the requirement to set aside funds for the Low and Moderate Income Housing Fund was still in effect.

(B) Notwithstanding subdivision (b) of Section 33670, that portion of the taxes in excess of the amount identified in subdivision (a) of Section 33670, which are attributable to a property tax rate approved by the voters of a city, county, city and county, or special district to make payments in support of pension programs or in support of capital projects and programs related to the State Water Project, and levied in addition to the property tax rate

limited by subdivision (a) of Section 1 of Article XIII A of the California Constitution, shall be allocated to, and when collected shall be paid into, the fund of that taxing entity, unless the amounts in question are pledged as security for the payment of any indebtedness obligation, as defined in subdivision (e) of Section 34171, and needed for payment thereof. Notwithstanding any other law, all allocations of revenues above one cent (\$0.01) derived from the imposition of a property tax rate, approved by the voters of a city, county, city and county, or special district to make payments in support of pension programs or in support of capital projects and programs related to the State Water Project and levied in addition to the property tax rate limited by subdivision (a) of Section 1 of Article XIII A of the California Constitution, made by any county auditor-controller prior to June 15, 2015, are valid and shall not be affected by this section. A city, county, city and county, county auditor-controller, successor agency, department, or affected taxing entity shall not be subject to any claim for money, damages, or reallocated revenues based on any allocation of such revenues above one cent (\$0.01) prior to June 15, 2015.

(2) Second, on June 1, 2012, and each January 2 and June 1 thereafter, to each successor agency for payments listed in its Recognized Obligation Payment Schedule for the six-month fiscal period beginning January 1, 2012, and July 1, 2012, and each January 2 and June 1 thereafter, in the following order of priority:

(A) Debt service payments scheduled to be made for tax allocation bonds.

(B) Payments scheduled to be made on revenue bonds, but only to the extent the revenues pledged for them are insufficient to make the payments and only if the agency's tax increment revenues were also pledged for the repayment of the bonds.

(C) Payments scheduled for other debts and obligations listed in the Recognized Obligation Payment Schedule that are required to be paid from former tax increment revenue.

(3) Third, on June 1, 2012, and each January 2 and June 1 thereafter, to each successor agency for the administrative cost allowance, as defined in Section 34171, for administrative costs set forth in an approved administrative budget for those payments required to be paid from former tax increment revenues.

(4) Fourth, on June 1, 2012, and each January 2 and June 1 thereafter, any moneys remaining in the Redevelopment Property Tax Trust Fund after the payments and transfers authorized by paragraphs (1) to (3), inclusive, shall be distributed to local agencies and school entities in accordance with Section 34188. The only exception shall be for moneys remaining in the Redevelopment Property Tax Trust Fund that are attributable to a property tax rate approved by the voters of a city, county, city and county, or special district to make payments in support of pension programs or in support of capital projects and programs related to the State Water Project, and levied in addition to the property tax rate limited by subdivision (a) of Section I of

Article XIII A of the California Constitution. The county auditor-controller shall return these particular remaining moneys to the levying taxing entity.

(b) If the successor agency reports, no later than April 1, 2012*, and May 1, 2012, and each December 1 and May 1 thereafter, to the county auditor-controller that the total amount available to the successor agency from the Redevelopment Property Tax Trust Fund allocation to that successor agency's Redevelopment Obligation Retirement Fund, from other funds transferred from each redevelopment agency, and from funds that have or will become available through asset sales and all redevelopment operations, are insufficient to fund the payments required by paragraphs (1) to (3), inclusive, of subdivision (a) in the next six-month fiscal period, the county auditor-controller shall notify the Controller and the Department of Finance no later than 10 days from the date of that notification. The county auditor-controller shall verify whether the successor agency will have sufficient funds from which to service debts according to the Recognized Obligation Payment Schedule and shall report the findings to the Controller. If the Controller concurs that there are insufficient funds to pay required debt service, the amount of the deficiency shall be deducted first from the amount remaining to be distributed to taxing entities pursuant to paragraph (4), and if that amount is exhausted, from amounts available for distribution for administrative costs in paragraph (3). If an agency, pursuant to the provisions of Section 33492.15, 33492.72, 33607.5, 33671.5, 33681.15, or 33688 or as expressly provided in a passthrough agreement entered into pursuant to Section 33401, made passthrough payment obligations subordinate to debt service payments required for enforceable obligations, funds for servicing bond debt may be deducted from the amounts for passthrough payments under paragraph (1), as provided in those sections, but only to the extent that the amounts remaining to be distributed to taxing entities pursuant to paragraph (4) and the amounts available for distribution for administrative costs in paragraph (3) have all been exhausted.

(c) The county treasurer may loan any funds from the county treasury to the Redevelopment Property Tax Trust Fund of the successor agency for the purpose of paying an item approved on the Recognized Obligation Payment Schedule at the request of the Department of Finance that are necessary to ensure prompt payments of redevelopment agency debts. An enforceable obligation is created for repayment of those loans.

(d) The Controller may recover the costs of audit and oversight required under this part from the Redevelopment Property Tax Trust Fund by presenting an invoice therefor to the county auditor-controller who shall set aside sufficient funds for and disburse the claimed amounts prior to making the next distributions to the taxing entities pursuant to Section 34188. Subject to the approval of the Director of Finance, the budget of the Controller may be augmented to reflect the reimbursement, pursuant to Section 28.00 of the Budget Act.

(e) Within 10 days of each distribution of property tax, the county auditor-controller shall provide a report to the department regarding the distribution for each successor agency that includes information on the total available for allocation, the passthrough amounts and how they were calculated, the amounts distributed to successor agencies, and the amounts distributed to

taxing entities in a manner and form specified by the department. This reporting requirement shall also apply to distributions required under subdivision (b) of Section 34183.5.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34183.5. (a) The Legislature hereby finds and declares that due to the delayed implementation of this part due to the California Supreme Court's ruling in the case California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, some disruption to the intended application of this part and other law with respect to passthrough payments may have occurred.

(1) If a redevelopment agency or successor agency did not pay any portion of an amount owed for the 2011–12 fiscal year to an affected taxing entity pursuant to Section 33401, 33492.140, 33607, 33607.5, 33607.7, or 33676, or pursuant to any passthrough agreement entered into before January 1, 1994, between a redevelopment agency and an affected taxing entity, and to the extent the county auditor-controller did not remit the amounts owed for passthrough payments during the 2011–12 fiscal year, the county auditor-controller shall make the required payments to the taxing entities owed passthrough payments and shall reduce the amounts to which the successor agency would otherwise be entitled pursuant to paragraph (2) of subdivision (a) of Section 34183 at the next allocation of property tax under this part, subject to the provisions of subdivision (b) of Section 34183. If the amount of available property tax allocation to the successor agency is not sufficient to make the required payment, the county auditor-controller shall continue to reduce allocations to the successor agency under paragraph (2) of subdivision (a) of Section 34183 until the time that the owed amount is fully paid. Alternately, the county auditor-controller may accept payment from the successor agency's reserve funds for payments of passthrough payments owed as defined in this subdivision.

(2) If a redevelopment agency did not pay any portion of the amount owed for the 2011–12 fiscal year to an affected taxing entity pursuant to Section 33401, 33492.140, 33607, 33607.5, 33607.7, or 33676, or pursuant to any passthrough agreement entered into before January 1, 1994, between a redevelopment agency and an affected taxing entity, but the county auditor-controller did pay the difference that was owing, the auditor controller shall deduct from the next allocation of property tax to the successor agency under paragraph (2) of subdivision (a) of Section 34183, the amount of the payment made on behalf of the successor agency by the county auditor-controller, not to exceed one-half the amount of passthrough payments owed for the 2011–12 fiscal year. If the amount of available property tax allocation to the successor agency is not sufficient to make the required deduction, the county auditor-controller shall continue to reduce allocations to the successor agency under paragraph (2) of subdivision (a) of Section 34183 until the time that the amount is fully deducted. Alternatively, the auditor-controller may accept payment from the successor agency's reserve funds for deductions of passthrough payments owed as defined in this subdivision. Amounts reduced from successor agency payments under this paragraph are available for the purposes of paragraphs (2) to (4),

inclusive, of subdivision (a) of Section 34183 for the six-month period for which the property tax revenues are being allocated.

(b) In recognition of the fact that county auditor-controllers were unable to make the payments required by paragraph (4) of subdivision (a) of Section 34183 for the period January 1, 2012, through June 30, 2012, on January 16, 2012, due to the California Supreme Court's ruling in the case of California Redevelopment Association v. Matosantos (2011) 53 Cal.4th 231, in addition to taking the actions specified in Section 34183 with respect to the June 1 property tax allocations, county auditor-controllers should have made allocations as provided in paragraph (1).

(1) From the allocations made on June 1, 2012, for the Recognized Obligation Payment Schedule covering the period July 1, 2012, through December 31, 2012, deduct from the amount that otherwise would be deposited in the Redevelopment Property Tax Trust Fund on behalf of the successor agency an amount equivalent to the amount that each affected taxing entity was entitled to pursuant to paragraph (4) of subdivision (a) of Section 34183 for the period January 1, 2012, through June 30, 2012. The amount to be retained by taxing entities pursuant to paragraph (4) of subdivision (a) of Section 34183 for the January 1, 2012, through June 30, 2012, period is determined based on the Recognized Obligation Payment Schedule approved by the Department of Finance pursuant to subdivision (h) of Section 34179 and any amount determined to be owed pursuant to subdivision (b). Any amounts so computed shall not be offset by any shortages in funding for recognized obligations for the period covering July 1, 2012, through December 31, 2012.

(2) (A) If an affected taxing entity has not received the full amount to which it was entitled pursuant to paragraph (4) of subdivision (a) of Section 34183 of the property tax distributed for the period January 1, 2012, through June 30, 2012, and paragraph (1), no later than July 9, 2012, the county auditor-controller shall determine the amount, if any, that is owed by each successor agency to taxing entities and send a demand for payment from the funds of the successor agency for the amount owed to taxing entities if it has distributed the June 1, 2012, allocation to the successor agencies. No later than July 12, 2012, successor agencies shall make payment of the amounts demanded to the county auditor-controller for deposit into the Redevelopment Property Tax Trust Fund and subsequent distribution to taxing entities. No later than July 16, 2012, the county auditor-controller shall make allocations of all money received by that date from successor agencies in amounts owed to taxing entities under this paragraph to taxing entities in accordance with Section 34183. The county auditor-controller shall make allocations of any money received after that date under this paragraph within five business days of receipt. These duties are not discretionary and shall be carried out with due diligence.

(B) If a county auditor-controller fails to determine the amounts owed to taxing entities and present a demand for payment by July 9, 2012, to the successor agencies, the Department of Finance or any affected taxing entity may request a writ of mandate to require the county auditor-controller to immediately perform this duty. Such actions may be filed only in the County of Sacramento and shall have priority over other civil matters. Any county in which the county auditor-controller fails to perform the duties under this paragraph shall be subject to a

civil penalty of 10 percent of the amount owed to taxing entities plus 1.5 percent of the amount owed to taxing entities for each month that the duties are not performed. The civil penalties shall be payable to the taxing entities under Section 34183. Additionally, any county in which the county auditor-controller fails to make the required determinations and demands for payment under this paragraph by July 9, 2012, or fails to distribute the full amount of funds received from successor agencies as required by this paragraph shall not receive the distribution of sales and use tax scheduled for July 18, 2012, or any subsequent payment, up to the amount owed to taxing entities, until the county auditor-controller performs the duties required by this paragraph.

(C) If a successor agency fails to make the payment demanded under subparagraph (A) by July 12, 2012, the Department of Finance or any affected taxing entity may file for a writ of mandate to require the successor agency to immediately make this payment. Such actions may be filed only in the County of Sacramento and shall have priority over other civil matters. Any successor agency that fails to make payment by July 12, 2012, under this paragraph shall be subject to a civil penalty of 10 percent of the amount owed to taxing entities plus one and one-half percent of the amount owed to taxing entities for each month that the payments are not made. Additionally, the city or county or city and county that created the redevelopment agency shall also be subject to a civil penalty of 10 percent of the amount owed to taxing entities plus 1.5 percent of the amount owed to taxing entities for each month the payment is late. The civil penalties shall be payable to the taxing entities under Section 34183. If the Department of Finance finds that the imposition of penalties will jeopardize the payment of enforceable obligations it may request the court to waive some or all of the penalties. A successor agency that does not pay the amount required under this subparagraph by July 12, 2012, shall not pay any obligations other than bond debt service until full payment is made to the county auditor-controller. Additionally, any city, county or city and county that created the redevelopment agency that fails to make the required payment under this paragraph by July 12, 2012, shall not receive the distribution of sales and use tax scheduled for July 18, 2012, or any subsequent payment, up to the amount owed to taxing entities, until the payment required by this paragraph is made.

(D) The Legislature hereby finds and declares that time is of the essence. Funds that should have been received and were expected and spent in anticipation of receipt by community colleges, schools, counties, cities, and special districts have not been received resulting in significant fiscal impact to the state and taxing entities. Continued delay and uncertainly whether funds will be received warrants the availability of extraordinary relief as authorized herein.

(3) If an affected taxing entity has not received the full amount to which it was entitled pursuant to paragraph (4) of subdivision (a) of Section 34183 for the period January 1, 2012, through June 30, 2012, and paragraph (1), the county auditor-controller shall reapply the provisions of paragraph (1) to each subsequent property tax allocation until such time as the affected taxing entity has received the full amount to which it was entitled pursuant to paragraph (4) of subdivision (a) of Section 34183 for the period January 1, 2012, through June 30, 2012.

34185. Commencing on June 1, 2012, and on each January 2 and June 1 thereafter, the county auditor-controller shall transfer, from the Redevelopment Property Tax Trust Fund of each successor agency into the Redevelopment Obligation Retirement Fund of that agency, an amount of property tax revenues equal to that specified in the Recognized Obligation Payment Schedule for that successor agency as payable from the Redevelopment Property Tax Trust Fund subject to the limitations of subdivision (l) of Section 34177 and Section 34183.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34186. (a) (1) Differences between actual payments and past estimated obligations on recognized obligation payment schedules shall be reported in subsequent Recognized Obligation Payment Schedules and shall adjust the amount to be transferred to the Redevelopment Obligation Retirement Fund pursuant to this part. These estimates and accounts, as well as cash balances, shall be subject to review by the county auditor-controller. The county auditor-controller's review shall be subject to the department's review and approval.

(2) Audits initiated by the Controller pursuant to this section prior to July 1, 2015, shall be continued by the Controller and completed no later than June 30, 2016. Nothing in this section shall be construed in a manner which precludes, or in any way restricts, the Controller from conducting audits of successor agencies pursuant to Section 12410 of the Government Code.

(b) Differences between actual passthrough obligations and property tax amounts and the amounts used by the county auditor-controller in determining the amounts to be allocated under Sections 34183 and 34188 for a prior six-month or annual period, whichever is applicable, shall be applied as adjustments to the property tax and passthrough amounts in subsequent periods as they become known. County auditor-controllers shall not delay payments under this part to successor agencies or taxing entities based on pending transactions, disputes, or for any other reason, other than a court order, and shall use the Recognized Obligation Payment Schedule approved by the department and the most current data for passthroughs and property tax available prior to the statutory distribution dates to make the allocations required on the dates required.

(c) Commencing on October 1, 2018, and each October 1 thereafter, the differences between actual payments and past estimated obligations on a Recognized Obligation Payment Schedule shall be submitted by the successor agency to the county auditor-controller for review. The county auditor-controller shall provide to the department in a manner of the department's choosing a review of the differences between actual payments and past estimated obligations, including cash balances, no later than February 1, 2019, and each February 1 thereafter.

34187. (a) (1) Commencing May 1, 2012*, whenever a recognized obligation that had been identified in the Recognized Payment Obligation Schedule is paid off or retired, either through early payment or payment at maturity, the county auditor-controller shall distribute to the taxing entities, in accordance with the provisions of the Revenue and Taxation Code, all property tax revenues that were associated with the payment of the recognized obligation.

(2) Notwithstanding paragraph (1), the department may authorize a successor agency to retain property tax that otherwise would be distributed to affected taxing entities pursuant to this subdivision, to the extent the department determines the successor agency requires those funds for the payment of enforceable obligations. Upon making a determination, the department shall provide the county auditor-controller with information detailing the amounts that it has authorized the successor agency to retain. Upon determining the successor agency no longer requires additional funds pursuant to this subdivision, the department shall notify the successor agency and the county auditor-controller. The county auditor-controller shall then distribute the funds in question to the affected taxing entities in accordance with the provisions of the Revenue and Taxation Code.

(b) When all of the enforceable obligations have been retired or paid off, all real property has been disposed of pursuant to Section 34181 or 34191.4, and all outstanding litigation has been resolved, the successor agency shall, within 30 days of meeting the aforementioned criteria, submit to the oversight board a request, with a copy of the request to the county auditor-controller, to formally dissolve the successor agency. The oversight board shall approve the request within 30 days, and shall submit the request to the department.

(c) If a redevelopment agency was not allocated property tax revenue pursuant to either subdivision (b) of Section 16 of Article XVI of the California Constitution or Section 33670 prior to February 1, 2012, the successor agency shall, no later than November 1, 2015, submit to the oversight board a request to formally dissolve the successor agency. The oversight board shall approve this request within 30 days, and shall submit the request to the department.

(d) The department shall have 30 days to approve or deny a request submitted pursuant to subdivisions (b) or (c).

(e) When the department has approved a request to formally dissolve a successor agency, the successor agency shall take both of the following steps within 100 days of the department's notification:

(1) Dispose of all remaining assets as directed by the oversight board. Any proceeds from the disposition of assets shall be transferred to the county auditor-controller for distribution to the affected taxing entities pursuant to Section 34183.

(2) Notify the oversight board that it has complied with paragraph (1).

(f) Upon receipt of the notification required in paragraph (2) of subdivision (e), the oversight board shall verify all obligations have been retired or paid off, all outstanding litigation has been resolved, and all remaining assets have been disposed of with any proceeds remitted to the county auditor-controller for distribution to the affected taxing entities. Within 14 days of verification, the oversight board shall adopt a final resolution of dissolution for the successor agency, which shall be effective immediately. This resolution shall be submitted to the sponsoring entity, the county auditor-controller, the State Controller's Office, and the department by electronic means and in a manner of each entity's choosing.

(g) Subdivisions (b) to (f), inclusive, does not apply to those entities specifically recognized as already dissolved by the department by October 1, 2015.

(h) When all enforceable obligations have been retired or paid off as specified in subdivision (b), all passthrough payment obligations required pursuant to Sections 33401, 33492.140, 33607, 33607.5, 33607.7, and 33676, or any passthrough agreement between a redevelopment agency and a taxing entity that was entered into prior to January 1, 1994, shall cease, and no property tax shall be allocated to the Redevelopment Property Tax Trust Fund for that agency. The Legislature finds and declares that this subdivision is declaratory of existing law.

(i) When a successor agency is finally dissolved under subdivision (b), with respect to any existing community facilities district formed by a redevelopment agency, the legislative body of the city or county that formed the redevelopment agency shall become the legislative body of the community facilities district, and any existing obligations of the former redevelopment agency or its successor agency, in its capacity as the legislative body of the community facilities district, shall become the obligations of the new legislative body of the community facilities district. This subdivision shall not be construed to result in the continued payment of any of the passthrough payment obligations identified in subdivision (h).

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34188. For all distributions of property tax revenues and other moneys pursuant to this part, the distribution to each taxing entity shall be in an amount proportionate to its share of property tax revenues in the tax rate area in that fiscal year, as follows:

(a) (1) For distributions from the Redevelopment Property Tax Trust Fund, the share of each taxing entity shall be applied to the amount of property tax available in the Redevelopment Property Tax Trust Fund after deducting the amount of any distributions under paragraphs (2) and (3) of subdivision (a) of Section 34183.

(2) For each taxing entity that receives passthrough payments, that agency shall receive the amount of any passthrough payments identified under paragraph (1) of subdivision (a) of Section 34183, in an amount not to exceed the amount that it would receive pursuant to this section in the absence of the passthrough agreement. However, to the extent that the passthrough payments received by the taxing entity are less than the amount that the taxing entity would receive pursuant to this section in the absence of a passthrough agreement, the taxing entity shall receive an additional payment that is equivalent to the difference between those amounts.

(b) Property tax shares of local agencies shall be determined based on property tax allocation laws in effect on the date of distribution, without the revenue exchange amounts allocated pursuant to Section 97.68 of the Revenue and Taxation Code, and without the property taxes allocated pursuant to Section 97.70 of the Revenue and Taxation Code.

(c) The total school share, including passthroughs, shall be the share of the property taxes that would have been received by school entities, as defined in subdivision (f) of Section 95 of the Revenue and Taxation Code, in the jurisdictional territory of the former redevelopment agency, including, but not limited to, the amounts specified in Sections 97.68 and 97.70 of the Revenue and Taxation Code.

(d) This section shall not be construed to increase any allocations of excess, additional, or remaining funds that would otherwise have been allocated to cities, counties, cities and counties, or special districts pursuant to clause (i) of subparagraph (B) of paragraph (4) of subdivision (d) of Section 97.2, clause (i) of subparagraph (B) of paragraph (4) of subdivision (d) of Section 97.3, or Article 4 (commencing with Section 98) of Chapter 6 of Part 0.5 of Division 1, of the Revenue and Taxation Code, had this section not been enacted.

34188.8. For purposes of a redevelopment agency that becomes subject to this part pursuant to Section 34195*, a date certain identified in this chapter shall not be subject to Section 34191, except for dates certain in Section 34182 and references to "October 1, 2011," or to the "operative date of this part.". However, for purposes of those redevelopment agencies, a date certain identified in this chapter shall be appropriately modified, as necessary to reflect the appropriate fiscal year or portion of a fiscal year.

[*Section invalidated pursuant to *California Redevelopment Association v. Matosantos et al.* (2011) 53 Cal.4th 231, 276.]

**PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND
DESIGNATION OF SUCCESSOR AGENCIES**

**CHAPTER 6. EFFECT OF THE ACT ADDING THIS PART ON THE
COMMUNITY REDEVELOPMENT LAW**

Health and Safety Code

34189. (a) Commencing on the effective date of this part [February 1, 2012]*, all provisions of the Community Redevelopment Law that depend on the allocation of tax increment to redevelopment agencies, including, but not limited to, Sections 33445, 33640, 33641, and 33645, and subdivision (b) of Section 33670, shall be inoperative. Solely for the purposes of the payment of enforceable obligations defined by subparagraphs (A) to (G), inclusive, of paragraph (1) of subdivision (d) of Section 34171 and subdivision (b) of Section 34191.4, and for no other purpose whatsoever, a successor agency is not subject to the limitations relating to time, number of tax dollars, or any other matters set forth in Sections 33333.2, 33333.4, and 33333.6. Notwithstanding any other provision in this section, this subdivision shall not result in the restoration or continuation of funding for projects whose contractual terms specified that project funding would cease once the limitations specified in any of Section 33333.2, 33333.4, or 33333.6 were realized.

(b) To the extent that a provision of Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), and Part 1.7 (commencing with Section 34100) conflicts with this part, the provisions of this part shall control. Further, if a provision of Part 1 (commencing with Section 33000), Part 1.5 (commencing with Section 34000), Part 1.6 (commencing with Section 34050), or Part 1.7 (commencing with Section 34100) provides an authority that the act adding this part is restricting or eliminating, the restriction and elimination provisions of the act adding this part shall control.

(c) It is intended that the provisions of this part shall be read in a manner as to avoid duplication of payments.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

34189.1. No party, public or private, may pursue, nor does a court have jurisdiction over, a validation action with respect to any action of a redevelopment agency or a successor agency to a redevelopment agency that took place on or after January 1, 2011, unless the Department of Finance and the Controller, representing interests of the State of California and each of the taxing entities who could be affected financially by the action, has been properly noticed. All actions shall be filed in the County of Sacramento.

34189.2. A successor agency or any party to an enforceable obligation as defined under this part shall properly notice the state with respect to a validation action involving any enforceable obligation or matter of title to an asset that belonged to a redevelopment agency. For such an action to be properly filed, both the Controller and the Director of Finance shall be noticed and actions shall be filed in the County of Sacramento.

34189.3. An action contesting any act taken or determinations or decisions made pursuant to this part or Part 1.8 (commencing with Section 34161) may be brought in superior court and shall be filed in the County of Sacramento.

**PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND
DESIGNATION OF SUCCESSOR AGENCIES**

**CHAPTER 7. STABILIZATION OF LABOR AND EMPLOYMENT
RELATIONS**

Health and Safety Code

34190. (a) It is the intent of the Legislature to stabilize the labor and employment relations of redevelopment agencies and successor agencies in furtherance of and connection with their responsibilities under the act adding this part.

(b) Nothing in the act adding this part is intended to relieve any redevelopment agency of its obligations under Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 of the Government Code. Subject to the limitations set forth in Section 34165, prior to its dissolution, a redevelopment agency shall retain the authority to meet and confer over matters within the scope of representation.

(c) A successor agency, as defined in Sections 34171 and 34173, shall constitute a public agency within the meaning of subdivision (c) of Section 3501 of the Government Code.

(d) Subject to the limitations set forth in Section 34165, redevelopment agencies, prior to and during their winding down and dissolution, shall retain the authority to bargain over matters within the scope of representation.

(e) In recognition that a collective bargaining agreement represents an enforceable obligation, a successor agency shall become the employer of all employees of the redevelopment agency as of the date of the redevelopment agency's dissolution. If, pursuant to this provision, the successor agency becomes the employer of one or more employees who, as employees of the redevelopment agency, were represented by a recognized employee organization, the successor agency shall be deemed a successor employer and shall be obligated to recognize and to meet and confer with such employee organization. In addition, the successor agency shall retain the authority to bargain over matters within the scope of representation and shall be deemed to have assumed the obligations under any memorandum of understanding in effect between the redevelopment agency and recognized employee organization as of the date of the redevelopment agency's dissolution.

(f) The Legislature finds and declares that the duties and responsibilities of local agency employer representatives under this chapter are substantially similar to the duties and responsibilities required under existing collective bargaining enforcement procedures and therefore the costs incurred by the local agency employer representatives in performing those duties and responsibilities under the act adding this part are not reimbursable as state-mandated costs. Furthermore, the Legislature also finds and declares that to the extent the act adding this

part provides the funding with which to accomplish the obligations provided herein, the costs incurred by the local agency employer representatives in performing those duties and responsibilities under the act adding this part are not reimbursable as state-mandated costs.

(g) The transferred memorandum of understanding and the right of any employee organization representing such employees to provide representation shall continue as long as the memorandum of understanding would have been in force, pursuant to its own terms. One or more separate bargaining units shall be created in the successor agency consistent with the bargaining units that had been established in the redevelopment agency. After the expiration of the transferred memorandum of understanding, the successor agency shall continue to be subject to the provisions of the Meyers-Milias-Brown Act.

(h) Individuals formerly employed by redevelopment agencies that are subsequently employed by successor agencies shall, for a minimum of two years, transfer their status and classification in the civil service system of the redevelopment agency to the successor agency and shall not be required to requalify to perform the duties that they previously performed or duties substantially similar in nature and in required qualification to those that they previously performed. Any such individuals shall have the right to compete for employment under the civil service system of the successor agency.

PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND DESIGNATION OF SUCCESSOR AGENCIES

CHAPTER 8. APPLICATION OF PART TO FORMER PARTICIPANTS OF THE ALTERNATIVE VOLUNTARY REDEVELOPMENT PROGRAM

Health and Safety Code

34191. [Section invalidated pursuant to *California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.*]

PART 1.85. DISSOLUTION OF REDEVELOPMENT AGENCIES AND DESIGNATION OF SUCCESSOR AGENCIES

CHAPTER 9. POSTCOMPLIANCE PROVISIONS

Health and Safety Code

34191.1. The provisions of this chapter shall apply to a successor agency upon that agency's receipt of a finding of completion by the Department of Finance pursuant to Section 34179.7.

34191.3. (a) Notwithstanding Section 34191.1, the requirements specified in subdivision (e) of Section 34177 and subdivision (a) of Section 34181 shall be suspended, except as those provisions apply to the transfers for governmental use, until the Department of Finance has approved a long-range property management plan pursuant to subdivision (b) of Section 34191.5, at which point the plan shall govern, and supersede all other provisions relating to, the disposition and use of the real property assets of the former redevelopment agency. If the department has not approved a plan by January 1, 2016, subdivision (e) of Section 34177 and subdivision (a) of Section 34181 shall be operative with respect to that successor agency.

(b) If the department has approved a successor agency's long-range property management plan prior to January 1, 2016, the successor agency may amend its long-range property management plan once, solely to allow for retention of real properties that constitute "parking facilities and lots dedicated solely to public parking" for governmental use pursuant to Section 34181. An amendment to a successor agency's long-range property management plan under this subdivision shall be submitted to its oversight board for review and approval pursuant to Section 34179, and any such amendment shall be submitted to the department prior to July 1, 2016.

(c) (i) Notwithstanding paragraph (2) of subdivision (a) of Section 34181, for purposes of amending a successor agency's long-range property management plan under subdivision (b), "parking facilities and lots dedicated solely to public parking" do not include properties that, as of the date of transfer pursuant to the amended long-range property management plan, generate revenues in excess of reasonable maintenance costs of the properties.

(ii) Notwithstanding any other law, a city, county, city and county, or parking district shall not be required to reimburse or pay a successor agency for any funds spent on or before December 31, 2010, by a former redevelopment agency to design and construct a parking facility.

34191.4. The following provisions shall apply to any successor agency that has been issued a finding of completion by the department:

(a) All real property and interests in real property identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5 shall be transferred to the Community Redevelopment Property Trust Fund of the successor agency upon approval by the Department of Finance of the long-range property management plan submitted by the successor agency pursuant to subdivision (b) of Section 34191.5 unless that property is subject to the requirements of any existing enforceable obligation.

(b) (1) Notwithstanding subdivision (d) of Section 34171, upon application by the successor agency and approval by the oversight board, loan agreements entered into between the redevelopment agency and the city, county, or city and county that created the redevelopment agency shall be deemed to be enforceable obligations provided that the oversight board makes a finding that the loan was for legitimate redevelopment purposes.

(2) For purposes of this section, "loan agreement" means any of the following:

(A) Loans for money entered into between the former redevelopment agency and the city, county, or city and county that created the former redevelopment agency under which the city, county, or city and county that created the former redevelopment agency transferred money to the former redevelopment agency for use by the former redevelopment agency for a lawful purpose, and where the former redevelopment agency was obligated to repay the money it received pursuant to a required repayment schedule.

(B) An agreement between the former redevelopment agency and the city, county, or city and county that created the former redevelopment agency under which the city, county, or city and county that created the former redevelopment agency transferred a real property interest to the former redevelopment agency for use by the former redevelopment agency for a lawful purpose and the former redevelopment agency was obligated to pay the city, county, or city and county that created the former redevelopment agency for the real property interest.

(C) (i) An agreement between the former redevelopment agency and the city, county, or city and county that created the former redevelopment agency under which the city, county, or city and county that created the former redevelopment agency contracted with a third party on behalf of the former redevelopment agency for the development of infrastructure in connection with a redevelopment project as identified in a redevelopment project plan and the former redevelopment agency was obligated to reimburse the city, county, or city and county that created the former redevelopment agency for the payments made by the city, county, or city and county to the third party.

(ii) The total amount of loan repayments to a city, county, or city and county that created the former redevelopment agency for all loan agreements described in clause (i) shall not exceed five million dollars (\$5,000,000).

(3) If the oversight board finds that the loan is an enforceable obligation, any interest on the remaining principal amount of the loan that was previously unpaid after the original effective date of the loan shall be recalculated from the date of origination of the loan as approved by the redevelopment agency on a quarterly basis, at a simple interest rate of 3 percent. The recalculated loan shall be repaid to the city, county, or city and county in accordance with a defined schedule over a reasonable term of years. Moneys repaid shall be applied first to the principal, and second to the interest. The annual loan repayments provided for in the recognized obligation payment schedules shall be subject to all of the following limitations:

(A) Loan repayments shall not be made prior to the 2013–14 fiscal year. Beginning in the 2013–14 fiscal year, the maximum repayment amount authorized each fiscal year for repayments made pursuant to this subdivision and paragraph (7) of subdivision (e) of Section 34176 combined shall be equal to one-half of the increase between the amount distributed to the taxing entities pursuant to paragraph (4) of subdivision (a) of Section 34183 in that fiscal year and the amount distributed to taxing entities pursuant to that paragraph in the 2012–13 base year, provided, however, that calculation of the amount distributed to taxing entities during the 2012–13 base year shall not include any amounts distributed to taxing entities pursuant to the due diligence review process established in Sections 34179.5 to 34179.8, inclusive. Loan or deferral repayments made pursuant to this subdivision shall be second in priority to amounts to be repaid pursuant to paragraph (7) of subdivision (e) of Section 34176.

(B) Repayments received by the city, county or city and county that formed the redevelopment agency shall first be used to retire any outstanding amounts borrowed and owed to the Low and Moderate Income Housing Fund of the former redevelopment agency for purposes of the Supplemental Educational Revenue Augmentation Fund and shall be distributed to the Low and Moderate Income Housing Asset Fund established by subdivision (d) of Section 34176. Distributions to the Low and Moderate Income Housing Asset Fund are subject to the reporting requirements of subdivision (f) of Section 34176.1.

(C) Twenty percent of any loan repayment shall be deducted from the loan repayment amount and shall be transferred to the Low and Moderate Income Housing Asset Fund, after all outstanding loans from the Low and Moderate Income Housing Fund for purposes

of the Supplemental Educational Revenue Augmentation Fund have been paid. Transfers to the Low and Moderate Income Housing Asset Fund are subject to the reporting requirements of subdivision (f) of Section 34176.1.

(c) (1) (A) Notwithstanding Section 34177.3 or any other conflicting provision of law, bond proceeds derived from bonds issued on or before December 31, 2010, in excess of the amounts needed to satisfy approved enforceable obligations shall thereafter be expended in a manner consistent with the original bond covenants. Enforceable obligations may be satisfied by the creation of reserves for projects that are the subject of the enforceable obligation and that are consistent with the contractual obligations for those projects, or by expending funds to complete the projects. An expenditure made pursuant to this paragraph shall constitute the creation of excess bond proceeds obligations to be paid from the excess proceeds. Excess bond proceeds obligations shall be listed separately on the Recognized Obligation Payment Schedule submitted by the successor agency. The expenditure of bond proceeds described in this subparagraph pursuant to an excess bond proceeds obligation shall only require the approval by the oversight board of the successor agency.

(B) If remaining bond proceeds derived from bonds issued on or before December 31, 2010, cannot be spent in a manner consistent with the bond covenants pursuant to subparagraph (A), the proceeds shall be used at the earliest date permissible under the applicable bond covenants to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

(2) Bond proceeds derived from bonds issued on or after January 1, 2011, in excess of the amounts needed to satisfy approved enforceable obligations, shall be used in a manner consistent with the original bond covenants, subject to the following provisions:

(A) No more than 5 percent of the proceeds derived from the bonds may be expended, unless the successor agency meets the criteria specified in subparagraph (B).

(B) If the successor agency has an approved Last and Final Recognized Obligation Payment Schedule pursuant to Section 34191.6, the agency may expend no more than 20 percent of the proceeds derived from the bonds, subject to the following adjustments:

(i) If the bonds were issued during the period of January 1, 2011, to January 31, 2011, inclusive, the successor agency may expend an additional 25 percent of the proceeds derived from the bonds, for a total authorized expenditure of no more than 45 percent.

(ii) If the bonds were issued during the period of February 1, 2011, to February 28, 2011, inclusive, the successor agency may expend an additional 20 percent of the proceeds derived from the bonds, for a total authorized expenditure of no more than 40 percent.

(iii) If the bonds were issued during the period of March 1, 2011, to March 31, 2011, inclusive, the successor agency may expend an additional 15 percent of the proceeds derived from the bonds, for a total authorized expenditure of no more than 35 percent.

(iv) If the bonds were issued during the period of April 1, 2011, to April 30, 2011, inclusive, the successor agency may expend an additional 10 percent of the proceeds derived from the bonds, for a total authorized expenditure of no more than 30 percent.

(v) If the bonds were issued during the period of May 1, 2011, to May 31, 2011, inclusive, the successor agency may expend an additional 5 percent of the proceeds derived from the bonds, for a total authorized expenditure of no more than 25 percent.

(C) Remaining bond proceeds that cannot be spent pursuant to subparagraphs (A) and (B) shall be used at the earliest date permissible under the applicable bond covenants to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

(D) The expenditure of bond proceeds described in this paragraph shall only require the approval by the oversight board of the successor agency.

(3) If a successor agency provides the oversight board and the department with documentation that proves, to the satisfaction of both entities, that bonds were approved by the former redevelopment agency prior to January 31, 2011, but the issuance of the bonds was delayed by the actions of a third-party metropolitan regional transportation authority beyond January 31, 2011, the successor agency may expend the associated bond proceeds in accordance with clause (i) of subparagraph (B) of paragraph (2) of this section.

(4) Any proceeds derived from bonds issued by a former redevelopment agency after December 31, 2010, that were issued, in part, to refund or refinance tax-exempt bonds issued by the former redevelopment agency on or before December 31, 2010, and which are in excess of the amount needed to refund or refinance the bonds issued on or before December 31, 2010, may be expended by the successor agency in accordance with clause (i) of subparagraph (B) of paragraph (2) of this section. The authority provided in this paragraph is conditioned on the successor agency providing to its oversight board and the department the resolution by the former redevelopment agency approving the issuance of the bonds issued after December 31, 2010.

(d) This section shall apply retroactively to actions occurring on or after June 28, 2011. The amendment of this section by the act adding this subdivision shall not result in the denial of a loan under subdivision (b) that has been previously approved by the department prior to the effective date of the act adding this subdivision. Additionally, the amendment of this section by the act adding this subdivision shall not impact the judgments, writs of mandate, and orders entered by the Sacramento Superior Court in the following lawsuits: (1) City of Watsonville v. California Department of Finance, et al. (Sac. Superior Ct. Case No. 34-2014-80001910); (2) City of Glendale v. California Department of Finance, et al. (Sac. Superior Ct. Case No. 34-2014-80001924).

34191.5. (a) There is hereby established a Community Redevelopment Property Trust Fund, administered by the successor agency, to serve as the repository of the former

redevelopment agency's real properties identified in subparagraph (C) of paragraph (5) of subdivision (c) of Section 34179.5.

(b) The successor agency shall prepare a long-range property management plan that addresses the disposition and use of the real properties of the former redevelopment agency. If the former redevelopment agency did not have real properties, the successor agency shall prepare a long-range property management plan certifying that the successor agency does not have real properties of the former redevelopment agency for disposition or use. The plan shall be submitted to the oversight board and the Department of Finance for approval no later than six months following the issuance to the successor agency of the finding of completion.

(c) The long-range property management plan shall do all of the following:

(1) Include an inventory of all properties in the trust. The inventory shall consist of all of the following information:

(A) The date of the acquisition of the property and the value of the property at that time, and an estimate of the current value of the property.

(B) The purpose for which the property was acquired.

(C) Parcel data, including address, lot size, and current zoning in the former agency redevelopment plan or specific, community, or general plan.

(D) An estimate of the current value of the parcel including, if available, any appraisal information.

(E) An estimate of any lease, rental, or any other revenues generated by the property, and a description of the contractual requirements for the disposition of those funds.

(F) The history of environmental contamination, including designation as a brownfield site, any related environmental studies, and history of any remediation efforts.

(G) A description of the property's potential for transit-oriented development and the advancement of the planning objectives of the successor agency.

(H) A brief history of previous development proposals and activity, including the rental or lease of property.

(2) Address the use or disposition of all of the properties in the trust. Permissible uses include the retention of the property for governmental use pursuant to subdivision (a) of Section 34181, the retention of the property for future development, the sale of the property, or the use of the property to fulfill an enforceable obligation. The plan shall separately identify and list properties in the trust dedicated to governmental use purposes and properties retained for purposes of fulfilling an enforceable obligation. With respect to the use or disposition of all other properties, all of the following shall apply:

(A) (i) If the plan directs the use or liquidation of the property for a project identified in an approved redevelopment plan, the property shall transfer to the city, county, or city and county.

(ii) For purposes of this subparagraph, the term “identified in an approved redevelopment plan” includes properties listed in a community plan or a five-year implementation plan.

(iii) The department or an oversight board may require approval of a compensation agreement or agreements, as described in subdivision (f) of Section 34180, prior to any transfer of property pursuant to this subparagraph, provided, however, that a compensation agreement or agreements may be developed and executed subsequent to the approval process of a long-range property management plan.

(B) If the plan directs the liquidation of the property or the use of revenues generated from the property, such as lease or parking revenues, for any purpose other than to fulfill an enforceable obligation or other than that specified in subparagraph (A), the proceeds shall be distributed as property tax to the taxing entities.

(C) Property shall not be transferred to a successor agency, city, county, or city and county, unless the long-range property management plan has been approved by the oversight board and the Department of Finance.

(d) The department shall only consider whether the long-range property management plan makes a good faith effort to address the requirements set forth in subdivision (c).

(e) The department shall approve long-range property management plans as expeditiously as possible.

(f) Actions to implement the disposition of property pursuant to an approved long-range property management plan shall not require review by the department.

34191.6. (a) Beginning January 1, 2016, successor agencies may submit a Last and Final Recognized Obligation Payment Schedule for approval by the oversight board and the department if all of the following conditions are met:

(1) The remaining debt of a successor agency is limited to administrative costs and payments pursuant to enforceable obligations with defined payment schedules including, but not limited to, debt service, loan agreements, and contracts.

(2) All remaining obligations have been previously listed on a Recognized Obligation Payment Schedule and approved for payment by the department pursuant to subdivision (m) or (o) of Section 34177.

(3) The successor agency is not a party to outstanding or unresolved litigation. Notwithstanding this provision, successor agencies that are party to Los Angeles Unified School

Dist. v. County of Los Angeles (2010) 181 Cal.App.4th 414 or Los Angeles Unified School District v. County of Los Angeles (2013) 217 Cal.App.4th 597, may submit a Last and Final Recognized Obligation Payment Schedule.

(b) A successor agency that meets the conditions in subdivision (a) may submit a Last and Final Recognized Obligation Payment Schedule to its oversight board for approval at any time. The successor agency may then submit the oversight board-approved Last and Final Recognized Obligation Payment Schedule to the department and only in a manner provided by the department. The Last and Final Recognized Obligation Payment Schedule shall not be effective until reviewed and approved by the department as provided for in subdivision (c). The successor agency shall also submit a copy of the oversight board-approved Last and Final Recognized Obligation Payment Schedule to the county administrative officer, the county auditor-controller, and post it to the successor agency's Internet Web site at the same time that the successor agency submits the Last and Final Recognized Obligation Payment Schedule to the department.

(1) The Last and Final Recognized Obligation Payment Schedule shall list the remaining enforceable obligations of the successor agency in the following order:

(A) Enforceable obligations to be funded from the Redevelopment Property Tax Trust Fund.

(B) Enforceable obligations to be funded from bond proceeds or enforceable obligations required to be funded from other legally or contractually dedicated or restricted funding sources.

(C) Loans or deferrals authorized for repayment pursuant to subparagraph (G) of paragraph (1) of subdivision (d) of Section 34171 or Section 34191.4.

(2) The Last and Final Recognized Obligation Payment Schedule shall include the total outstanding obligation and a schedule of remaining payments for each enforceable obligation listed pursuant to subparagraphs (A) and (B) of paragraph (1), and the total outstanding obligation and interest rate of 4 percent, for loans or deferrals listed pursuant to subparagraph (C) of paragraph (1).

(c) The department shall have 100 days to review the Last and Final Recognized Obligation Payment Schedule submitted pursuant to subdivision (b). The department may make any amendments or changes to the Last and Final Recognized Obligation Payment Schedule, provided the amendments or changes are agreed to by the successor agency in writing. If the successor agency and the department cannot come to an agreement on the proposed amendments or changes, the department shall issue a letter denying the Last and Final Recognized Obligation Payment Schedule. All Last and Final Recognized Obligation Payment Schedules approved by the department shall become effective on the first day of the subsequent Redevelopment Property Tax Trust Fund distribution period. If the Last and Final Recognized Obligation Payment Schedule is approved less than 15 days before the date of the property tax distribution, the Last

and Final Recognized Obligation Payment Schedule shall not be effective until the subsequent Redevelopment Property Tax Trust Fund distribution period.

(1) Upon approval by the department, the Last and Final Recognized Obligation Payment Schedule shall establish the maximum amount of Redevelopment Property Tax Trust Funds to be distributed to the successor agency for each remaining fiscal year until all obligations have been fully paid.

(2) (A) Successor agencies may submit no more than two requests to the department to amend the approved Last and Final Recognized Obligation Payment Schedule. Requests shall first be approved by the oversight board and then submitted to the department for review. A request shall not be effective until reviewed and approved by the department. The request shall be provided to the department by electronic means and in a manner of the department's choosing. The department shall have 100 days from the date received to approve or deny the successor agency's request. All amended Last and Final Recognized Obligation Payment Schedules approved by the department shall become effective in the subsequent Redevelopment Property Tax Trust Fund distribution period. If an amended Last and Final Recognized Obligation Payment Schedule is approved less than 15 days before the date of the property tax distribution, the Last and Final Recognized Obligation Payment Schedule shall not be effective until the subsequent Redevelopment Property Tax Trust Fund distribution period.

(B) Notwithstanding paragraph (2), there shall be no limitation on the number of Last and Final Recognized Obligation Payment Schedule amendment requests that may be submitted to the department by successor agencies that are party to either of the cases specified in paragraph (3) of subdivision (a), provided those additional amendments are submitted for the sole purpose of complying with final judicial determinations in those cases.

(3) Any revenues, interest, and earnings of the successor agency not authorized for use pursuant to the approved Last and Final Recognized Obligation Payment Schedule shall be remitted to the county auditor-controller for distribution to the affected taxing entities. Notwithstanding Sections 34191.3 and 34191.5, proceeds from the disposition of real property subsequent to the approval of the Last and Final Recognized Obligation Payment Schedule that are not necessary for the payment of an enforceable obligation shall be remitted to the county auditor-controller for distribution to the affected taxing entities.

(4) A successor agency shall not expend more than the amount approved for each enforceable obligation listed and approved on the Last and Final Recognized Obligation Payment Schedule.

(5) If a successor agency receives insufficient funds to pay for the enforceable obligations approved in the Last and Final Recognized Obligation Payment Schedule in any given period, the city, county, or city and county that created the redevelopment agency may loan or grant funds to a successor agency for that period at the successor agency's request for the sole purpose of paying for approved items on the Last and Final Recognized Obligation Payment Schedule that would otherwise go unpaid. Any loans provided pursuant to this paragraph by the

city, county, or city and county that created the redevelopment agency shall not include an interest component. Additionally, at the request of the department, the county treasurer may loan any funds from the county treasury to the Redevelopment Property Tax Trust Fund of the successor agency for the purpose of paying an item approved on the Last and Final Recognized Obligation Payment Schedule in order to ensure prompt payments of successor agency debts. Any loans provided pursuant to this paragraph by the county treasurer shall not include an interest component. A loan made under this section shall be repaid from the source of funds approved for payment of the underlying enforceable obligation in the Last and Final Recognized Obligation Payment Schedule once sufficient funds become available from that source. Payment of the loan shall not increase the total amount of Redevelopment Property Tax Trust Fund received by the successor agency as approved on the Last and Final Recognized Obligation Payment Schedule.

(6) Notwithstanding subparagraph (B) of paragraph (6) of subdivision (e) of Section 34176 and subparagraph (A) of paragraph (3) of subdivision (b) of Section 34191.4, commencing on the date the Last and Final Recognized Obligation Payment Schedule becomes effective:

(A) The maximum repayment amount of the total principal and interest on loans and deferrals authorized for repayment pursuant to subparagraph (B) of paragraph (6) of subdivision (e) of Section 34176 or Section 34191.4 and listed and approved in the Last and Final Recognized Obligation Payment Schedule shall be 15 percent of the moneys remaining in the Redevelopment Property Tax Trust Fund after the allocation of moneys in each six-month period pursuant to Section 34183 prior to the distributions under paragraph (4) of subdivision (a) of Section 34183.

(B) If the calculation performed pursuant to subparagraph (A) results in a lower repayment amount than would result from application of the calculation specified in subparagraph (B) of paragraph (6) of subdivision (e) of Section 34176 or subparagraph (A) of paragraph (3) of subdivision (b) of Section 34191.4, the successor agency may calculate its Last and Final Recognized Obligation Payment Schedule loan repayments using the latter calculation.

(7) Commencing on the effective date of the approved Last and Final Recognized Obligation Payment Schedule, the successor agency shall not prepare or transmit Recognized Obligation Payment Schedules pursuant to Section 34177.

(8) Commencing on the effective date of the approved Last and Final Recognized Obligation Payment Schedule, oversight board resolutions shall not be submitted to the department pursuant to subdivision (h) of Section 34179. This paragraph shall not apply to oversight board resolutions necessary for refunding bonds pursuant to Section 34177.5, long-range property management plans pursuant to Section 34191.5, amendments to the Last and Final Recognized Obligation Payment Schedule under paragraph (2) of subdivision (c), and the final oversight board resolutions pursuant to Section 34187.

(d) The county auditor-controller shall do the following:

(1) Review the Last and Final Recognized Obligation Payment Schedule and provide any objection to the inclusion of any items or amounts to the department.

(2) After the Last and Final Recognized Obligation Payment Schedule is approved by the department, the county auditor-controller shall continue to allocate moneys in the Redevelopment Property Tax Trust Fund pursuant to Section 34183; however, the allocation from the Redevelopment Property Tax Trust Funds in each fiscal period, after deducting auditor-controller administrative costs, shall be according to the following order of priority:

(A) Allocations pursuant to paragraph (1) of subdivision (a) of Section 34183.

(B) Debt service payments scheduled to be made for tax allocation bonds that are listed and approved in the Last and Final Recognized Obligation Payment Schedule.

(C) Payments scheduled to be made on revenue bonds that are listed and approved in the Last and Final Recognized Obligation Payment Schedule, but only to the extent the revenues pledged for them are insufficient to make the payments and only if the agency's tax increment revenues were also pledged for the repayment of bonds.

(D) Payments scheduled for debts and obligations listed and approved in the Last and Final Recognized Obligation Payment Schedule to be paid from the Redevelopment Property Tax Trust Fund pursuant to subparagraph (A) of paragraph (1) of subdivision (b) and subdivision (c).

(E) Payments listed and approved pursuant to subparagraph (A) of paragraph (1) of subdivision (b) and subdivision (c) that were authorized but unfunded in prior periods.

(F) Repayment in the amount specified in paragraph (6) of subdivision (c) of loans and deferrals listed and approved on the Last and Final Recognized Obligation Payment Schedule pursuant to subparagraph (C) of paragraph (1) of subdivision (b) and subdivision (c).

(G) Any moneys remaining in the Redevelopment Property Tax Trust Fund after the payments and transfers authorized by subparagraphs (A) to (F), inclusive, shall be distributed to taxing entities in accordance with paragraph (4) of subdivision (a) of Section 34183.

(3) If the successor agency reports to the county auditor-controller that the total available amounts in the Redevelopment Property Tax Trust Fund will be insufficient to fund their current or future fiscal year obligations, and if the county auditor-controller concurs that there are insufficient funds to pay the required obligations, the county auditor-controller may distribute funds pursuant to subdivision (b) of Section 34183.

(4) The county auditor-controller shall no longer distribute property tax to the Redevelopment Property Tax Trust Fund once the aggregate amount of property tax allocated to

the successor agency equals the total outstanding obligation approved in the Last and Final Recognized Obligation Payment Schedule.

(e) Successor agencies with a Last and Final Recognized Payment Schedule approved by the department may amend or modify existing contracts, agreements, or other arrangements identified on the Last and Final Recognized Obligation Payment Schedule which the department has already determined to be enforceable obligations, provided:

(1) The outstanding payments owing from the successor agency are not accelerated or increased in any way.

(2) Any amendment to extend terms shall not include an extension beyond the last scheduled payment for the enforceable obligations listed and approved on the Last and Final Recognized Obligation Payment Schedule.

(3) This subdivision shall not be construed as authorizing successor agencies to create new or additional enforceable obligations or otherwise increase, directly or indirectly, the amount of Redevelopment Property Tax Trust Funds allocated to the successor agency by the county auditor-controller.

APPENDIX

Government Code

53395.4.

(a) A district may finance only the facilities or services authorized in this chapter to the extent that the facilities or services are in addition to those provided in the territory of the district before the district was created. The additional facilities or services may not supplant facilities or services already available within that territory when the district was created but may supplement those facilities and services as needed to serve new developments.

(b) A district may include areas that are not contiguous.

(c) A district may finance a project or portion of a project that is located in, or overlaps with, a redevelopment project area or former redevelopment project area. The successor agency to the former redevelopment agency shall receive a finding of completion, as defined in Section 34179.7 of the Health and Safety Code, prior to the district financing any project or portion of a project under this subdivision.

(d) Notwithstanding subdivision (c), any debt or obligation of a district shall be subordinate to an enforceable obligation of a former redevelopment agency, as defined in Section 34171 of the Health and Safety Code. For the purposes of this chapter, the division of taxes allocated to the district pursuant to subdivision (b) of Section 53396 shall not include any taxes required to be deposited by the county auditor-controller into the Redevelopment Property Tax Trust Fund created pursuant to subdivision (b) of Section 34170.5 of the Health and Safety Code.

(e) The legislative body of the city or county forming the district may choose to dedicate any portion of its net available revenue to the district through the financing plan described in Section 53395.14.

(f) For the purposes of this section, “net available revenue” means periodic distributions to the city or county from the Redevelopment Property Tax Trust Fund, created pursuant to Section 34170.5 of the Health and Safety Code, that are available to the city or county after all preexisting legal commitments and statutory obligations funded from that revenue are made pursuant to Part 1.85 (commencing with Section 34170) of Division 24 of the Health and Safety Code. Net available revenue shall not include any funds deposited by the county auditor-controller into the Redevelopment Property Tax Trust Fund or funds remaining in the Redevelopment Property Tax Trust Fund prior to distribution. Net available revenues shall not include any moneys payable to a school district that maintains kindergarten and grades 1 to 12, inclusive, community college districts, or to the Educational Revenue Augmentation Fund, pursuant to paragraph (4) of subdivision (a) of Section 34183 of the Health and Safety Code.

53760.1. As used in this article the following terms have the following meanings:

(a) “Chapter 9” means Chapter 9 (commencing with Section 901) of Title 11 of the United States Code.

(b) “Creditor” means either of the following:

(1) An entity that has a noncontingent claim against a municipality that arose at the time of or before the commencement of the neutral evaluation process and whose claim represents at least five million dollars (\$5,000,000) or comprises more than 5 percent of the local public entity’s debt or obligations, whichever is less.

(2) An entity that would have a noncontingent claim against the municipality upon the rejection of an executory contract or unexpired lease in a Chapter 9 case and whose claim would represent at least five million dollars (\$5,000,000) or comprises more than 5 percent of the local public entity’s debt or obligations, whichever is less.

(c) “Debtor” means a local public entity that may file for bankruptcy under Chapter 9.

(d) “Good faith” means participation by a party in the neutral evaluation process with the intent to negotiate toward a resolution of the issues that are the subject of the neutral evaluation process, including the timely provision of complete and accurate information to provide the relevant parties through the neutral evaluation process with sufficient information, in a confidential manner, to negotiate the readjustment of the municipality’s debt.

(e) “Interested party” means a trustee, a committee of creditors, an affected creditor, an indenture trustee, a pension fund, a bondholder, a union that, under its collective bargaining agreements, has standing to initiate contract or debt restructuring negotiations with the municipality, or a representative selected by an association of retired employees of the public entity who receive income from the public entity convening the neutral evaluation. A local public entity may invite holders of contingent claims to participate as interested parties in the neutral evaluation if the local public entity determines that the contingency is likely to occur and the claim may represent five million dollars (\$5,000,000) or comprise more than 5 percent of the local public entity’s debt or obligations, whichever is less.

(f) “Local public entity” means any county, city, district, public authority, public agency, or other entity, without limitation, that is a municipality as defined in Section 101(40) of Title 11 of the United States Code (bankruptcy), or that qualifies as a debtor under any other federal bankruptcy law applicable to local public entities, and also includes a successor agency to a redevelopment agency created pursuant to Part 1.85 (commencing with Section 34170) of Division 24 of the Health and Safety Code. For purposes of this article, “local public entity” does not include a school district.

(g) “Local public entity representative” means the person or persons designated by the local public agency with authority to make recommendations and to attend the neutral evaluation on behalf of the governing body of the municipality.

(h) “Neutral evaluation” is a form of alternative dispute resolution that may be known as mandatory mediation. A “neutral evaluator” may also be known as a mediator.

Revenue and Taxation Code

96.11. Notwithstanding any other provision of this article, for purposes of property tax revenue allocations, the county auditor of a county for which a negative sum was calculated pursuant to subdivision (a) of former Section 97.75 as that section read on September 19, 1983, shall, in reducing the amount of property tax revenue that otherwise would be allocated to the county by an amount attributable to that negative sum, do all of the following:

(a) For the 2011–12 fiscal year, apply a reduction amount that is equal to the lesser of either of the following:

- (1) The reduction amount that was determined for the 2010–11 fiscal year.
- (2) The reduction amount that is determined for the 2011–12 fiscal year.

(b) For the 2012–13 fiscal year, apply a reduction amount that is equal to the lesser of either of the following:

(1) The reduction amount that was determined in subdivision (a) for the 2011–12 fiscal year.

- (2) The reduction amount that is determined for the 2012–13 fiscal year.

(c) For the 2013–14 fiscal year and for the 2014–15 fiscal year, apply a reduction amount that is determined on the basis of the reduction amount applied for the immediately preceding fiscal year.

(d) For the 2015–16 fiscal year and each fiscal year thereafter, the county auditor shall not apply a reduction amount.

96.24. Notwithstanding any other law, the property tax apportionment factors applied in allocating property tax revenues in the County of San Benito for each fiscal year through the 2000–01 fiscal year, inclusive, are deemed to be correct. Notwithstanding the audit time limits specified in paragraph (3) of subdivision (c) of Section 96.1, the county auditor shall make the allocation adjustments identified in the State Controller’s audit of the County of San Benito for the 2001–02 fiscal year pursuant to the other provisions of paragraph (3) of subdivision (c) of Section 96.1. For the 2002–03 fiscal year and each fiscal year thereafter, property tax apportionment factors applied in allocating property tax revenues in the County of San Benito shall be determined on the basis of property tax apportionment factors for prior fiscal years that have been fully corrected and adjusted, pursuant to the review and recommendation of the Controller, as would be required in the absence of the preceding sentences.

97.401. Commencing [February 1, 2012]*, the county auditor shall make the calculations required by Section 97.4 based on the amount deposited on behalf of each former redevelopment

agency into the Redevelopment Property Tax Trust Fund pursuant to paragraph (1) of subdivision (c) of Section 34182 of the Health and Safety Code. The calculations required by Section 97.4 shall result in cities, counties, and special districts annually remitting to the Educational Revenue Augmentation Fund the same amounts they would have remitted but for the operation of Part 1.8 (commencing with Section 34161) and Part 1.85 (commencing with Section 34170) of Division 24 of the Health and Safety Code.

[*Deadline reformed pursuant to California Redevelopment Association v. Matosantos et al. (2011) 53 Cal.4th 231, 276.]

98. (a) In each county, other than the County of Ventura, having within its boundaries a qualifying city, the computations made pursuant to Section 96.1 or its predecessor section, for the 1989–90 fiscal year and each fiscal year thereafter, shall be modified as follows:

With respect to tax rate areas within the boundaries of a qualifying city, there shall be excluded from the aggregate amount of “property tax revenue allocated pursuant to this chapter to local agencies, other than for a qualifying city, in the prior fiscal year,” an amount equal to the sum of the amounts calculated pursuant to the TEA formula.

(b) (1) Except as otherwise provided in this section, each qualifying city shall, for the 1989–90 fiscal year and each fiscal year thereafter, be allocated by the auditor an amount determined pursuant to the TEA formula.

(2) For each qualifying city, the auditor shall, for the 1989–90 fiscal year and each fiscal year thereafter, allocate the amount determined pursuant to the TEA formula to all tax rate areas within that city in proportion to each tax rate area’s share of the total assessed value in the city for the applicable fiscal year, and the amount so determined shall be subtracted from the county’s proportionate share of property tax revenue for that fiscal year within those tax rate areas.

(3) After making the allocations pursuant to paragraphs (1) and (2), but before making the calculations pursuant to Section 96.5 or its predecessor section, the auditor shall, for all tax rate areas in the qualifying city, calculate the proportionate share of property tax revenue allocated pursuant to this section and Section 96.1, or their predecessor sections, in the 1989–90 fiscal year and each fiscal year thereafter to each jurisdiction in the tax rate area.

(4) In lieu of making the allocations of annual tax increment pursuant to subdivision (e) of Section 96.5 or its predecessor section, the auditor shall, for the 1989–90 fiscal year and each fiscal year thereafter, allocate the amount of property tax revenue determined pursuant to subdivision (d) of Section 96.5 or its predecessor section to jurisdictions in the tax rate area using the proportionate shares derived pursuant to paragraph (3).

(5) For purposes of the calculations made pursuant to Section 96.1 or its predecessor section, in the 1990–91 fiscal year and each fiscal year thereafter, the amounts that

would have been allocated to qualifying cities pursuant to this subdivision shall be deemed to be the “amount of property tax revenue allocated in the prior fiscal year.”

(c) “TEA formula” means the Tax Equity Allocation formula, and shall be calculated by the auditor for each qualifying city as follows:

(1) For the 1988–89 fiscal year and each fiscal year thereafter, the auditor shall determine the total amount of property tax revenue to be allocated to all jurisdictions in all tax rate areas within the qualifying city, before the allocation and payment of funds in that fiscal year to a community redevelopment agency within the qualifying city, as provided in subdivision (b) of Section 33670 of the Health and Safety Code.

(2) The auditor shall determine the total amount of funds allocated in each fiscal year to a community redevelopment agency in accordance with subdivision (b) of Section 33670 of the Health and Safety Code.

(3) The auditor shall determine the total amount of funds paid in each fiscal year by a community redevelopment agency within the city to jurisdictions other than the city pursuant to subdivision (b) of Section 33401 and Section 33676 of the Health and Safety Code, and the cost to the redevelopment agency of any land or facilities transferred and any amounts paid to jurisdictions other than the city to assist in the construction or reconstruction of facilities pursuant to an agreement entered into under Section 33401 or 33445.5 of the Health and Safety Code.

(4) The auditor shall subtract the amount determined in paragraph (3) from the amount determined in paragraph (2).

(5) The auditor shall subtract the amount determined in paragraph (4) from the amount determined in paragraph (1).

(6) The amount computed in paragraph (5) shall be multiplied by the following percentages in order to determine the TEA formula amount to be distributed to the qualifying city in each fiscal year:

(A) For the first fiscal year in which the qualifying city receives a distribution pursuant to this section, 1 percent of the amount determined in paragraph (5).

(B) For the second fiscal year in which the qualifying city receives a distribution pursuant to this section, 2 percent of the amount determined in paragraph (5).

(C) For the third fiscal year in which the qualifying city receives a distribution pursuant to this section, 3 percent of the amount determined in paragraph (5).

(D) For the fourth fiscal year in which the qualifying city receives a distribution pursuant to this section, 4 percent of the amount determined in paragraph (5).

(E) For the fifth fiscal year in which the qualifying city receives a distribution pursuant to this section, 5 percent of the amount determined in paragraph (5).

(F) For the sixth fiscal year in which the qualifying city receives a distribution pursuant to this section, 6 percent of the amount determined in paragraph (5).

(G) For the seventh fiscal year and each fiscal year thereafter in which the city receives a distribution pursuant to this section, 7 percent of the amount determined in paragraph (5).

(d) "Qualifying city" means any city, except a qualifying city as defined in Section 98.1, that incorporated prior to June 5, 1987, and had an amount of property tax revenue allocated to it pursuant to subdivision (a) of Section 96.1 or its predecessor section in the 1988–89 fiscal year that is less than 7 percent of the amount of property tax revenue computed as follows:

(1) The auditor shall determine the total amount of property tax revenue allocated to the city in the 1988–89 fiscal year.

(2) The auditor shall subtract the amount in the 1988–89 fiscal year determined in paragraph (3) of subdivision (c) from the amount determined in paragraph (2) of subdivision (c).

(3) The auditor shall subtract the amount determined in paragraph (2) from the amount of property tax revenue determined in paragraph (1) of subdivision (c).

(4) The auditor shall divide the amount of property tax revenue determined in paragraph (1) of this subdivision by the amount of property tax revenue determined in paragraph (3) of this subdivision.

(5) If the quotient determined in paragraph (4) of this subdivision is less than 0.07, the city is a qualifying city. If the quotient determined in that paragraph is equal to or greater than 0.07, the city is not a qualifying city.

(e) The auditor may assess each qualifying city its proportional share of the actual costs of making the calculations required by this section, and may deduct that assessment from the amount allocated pursuant to subdivision (b). For purposes of this subdivision, a qualifying city's proportional share of the auditor's actual costs shall not exceed the proportion it receives of the total amounts excluded in the county pursuant to subdivision (a).

(f) Notwithstanding subdivision (b), in any fiscal year in which a qualifying city is to receive a distribution pursuant to this section, the auditor shall reduce the actual amount distributed to the qualifying city by the sum of the following:

(1) The amount of property tax revenue that was exchanged between the county and the qualifying city as a result of negotiation pursuant to Section 99.03.

(2) (A) The amount of revenue not collected by the qualifying city in the first fiscal year following the city's reduction after January 1, 1988, of the tax rate or tax base of any

locally imposed tax, except any tax that was imposed after January 1, 1988. In the case of a tax that existed before January 1, 1988, this clause shall apply only with respect to an amount attributable to a reduction of the rate or base to a level lower than the rate or base applicable on January 1, 1988. The amount so computed by the auditor shall constitute a reduction in the amount of property tax revenue distributed to the qualifying city pursuant to this section in each succeeding fiscal year. That amount shall be aggregated with any additional amount computed pursuant to this clause as the result of the city's reduction in any subsequent year of the tax rate or tax base of the same or any other locally imposed general or special tax.

(B) No reduction may be made pursuant to subparagraph (A) in the case in which a local tax is reduced or eliminated as a result of either a court decision or the approval or rejection of a ballot measure by the voters.

(3) The amount of property tax revenue received pursuant to this chapter in excess of the amount allocated for the 1986–87 fiscal year by all special districts that are governed by the city council of the qualifying city or whose governing body is the same as the city council of the qualifying city with respect to all tax rate areas within the boundaries of the qualifying city.

Notwithstanding this paragraph:

(A) Commencing with the 1994–95 fiscal year, the auditor shall not reduce the amount distributed to a qualifying city under this section by reason of that city becoming the successor agency to a special district, that is dissolved, merged with that city, or becomes a subsidiary district of that city, on or after July 1, 1994.

(B) Commencing with the 1997–98 fiscal year, the auditor shall not reduce the amount distributed to a qualifying city under this section by reason of that city withdrawing from a county free library system pursuant to Section 19116 of the Education Code.

(4) Any amount of property tax revenues that has been exchanged pursuant to Section 56842 of the Government Code, as that section read on January 1, 1998, between the City of Rancho Mirage and a community services district, the formation of which was initiated on or after March 6, 1997, pursuant to Chapter 4 (commencing with Section 56800) of Part 3 of Division 3 of Title 5 of the Government Code.

(g) Notwithstanding any other provision of this section, in no event may the auditor reduce the amount of ad valorem property tax revenue otherwise allocated to a qualifying city pursuant to this section on the basis of any additional ad valorem property tax revenues received by that city pursuant to a services for revenue agreement. For purposes of this subdivision, a “services for revenue agreement” means any agreement between a qualifying city and the county in which it is located, entered into by joint resolution of that city and that county, under which additional service responsibilities are exchanged in consideration for additional property tax revenues.

(h) In any fiscal year in which a qualifying city is to receive a distribution pursuant to this section, the auditor shall increase the actual amount distributed to the qualifying city by the

amount of property tax revenue allocated to the qualifying city pursuant to Section 19116 of the Education Code.

(i) If the auditor determines that the amount to be distributed to a qualifying city pursuant to subdivision (b), as modified by subdivisions (e), (f), and (g) would result in a qualifying city having proceeds of taxes in excess of its appropriation limit, the auditor shall reduce the amount, on a dollar-for-dollar basis, by the amount that exceeds the city's appropriations limit.

(j) The amount not distributed to the tax rate areas of a qualifying city as a result of this section shall be distributed by the auditor to the county.

(k) Notwithstanding any other provision of this section, no qualifying city shall be distributed an amount pursuant to this section that is less than the amount the city would have been allocated without the application of the TEA formula.

(l) Notwithstanding any other provision of this section, the auditor shall not distribute any amount determined pursuant to this section to any qualifying city that has in the prior fiscal year used any revenues or issued bonds for the construction, acquisition, or development, of any facility which is defined in Section 103(b)(4), 103(b)(5), or 103(b)(6) of the Internal Revenue Code of 1954 prior to the enactment of the Tax Reform Act of 1986 (Public Law 99-514) and is no longer eligible for tax-exempt financing.

(m) (1) The amendments made to this section, and the repeal of Section 98.04, by the act that added this subdivision shall apply for the 2006–07 fiscal year and each fiscal year thereafter.

(2) For the 2006–07 fiscal year and for each fiscal year thereafter, all of the following apply:

(A) The auditor of the County of Santa Clara shall do both of the following:

(i) Reduce the total amount of ad valorem property tax revenue otherwise required to be allocated to qualifying cities in that county by the ERAF reimbursement amount. This reduction for each qualifying city in the county for each fiscal year shall be the percentage share, of the total reduction required by this clause for all qualifying cities in the county for the 2006–07 fiscal year, that is equal to the proportion that the total amount of additional ad valorem property tax revenue that is required to be allocated to the qualifying city as a result of the act that added this subdivision bears to the total amount of additional ad valorem property tax revenue that is required to be allocated to all qualifying cities in the county as a result of the act that added this subdivision.

(ii) Increase the total amount of ad valorem property tax revenue otherwise required to be allocated to the county Educational Revenue Augmentation Fund by the ERAF reimbursement amount.

(B) For purposes of this subdivision, “ERAF reimbursement amount” means an amount equal to the difference between the following two amounts:

(i) The portion of the annual tax increment that would have been allocated from the county to the county Educational Revenue Augmentation Fund for the applicable fiscal year if the act that added this subdivision had not been enacted.

(ii) The portion of the annual tax increment that is allocated from the county to the county Educational Revenue Augmentation Fund for the applicable fiscal year.

(n) Notwithstanding subdivision (m) and except as provided in paragraph (2), for the 2015–16 fiscal year and for each fiscal year thereafter, all of the following shall apply:

(1) The auditor of the County of Santa Clara shall do both of the following:

(A) (i) Reduce the total amount of ad valorem property tax revenue otherwise required to be allocated to qualifying cities in that county by the percentage specified in clause (ii) of the ERAF reimbursement amount. This reduction for each qualifying city in the county for each fiscal year shall be the percentage share, of the total reduction required by this clause for all qualifying cities in the county for the 2015–16 fiscal year, that is equal to the proportion that the total amount of additional ad valorem property tax revenue that is required to be allocated to the qualifying city as a result of the act that added this subdivision bears to the total amount of additional ad valorem property tax revenue that is required to be allocated to all qualifying cities in the county as a result of the act that added this subdivision.

(ii) (I) For the first fiscal year in which qualifying cities receive an allocation pursuant to this subdivision, 80 percent.

(II) For the second fiscal year in which qualifying cities receive an allocation pursuant to this subdivision, 60 percent.

(III) For the third fiscal year in which qualifying cities receive an allocation pursuant to this subdivision, 40 percent.

(IV) For the fourth fiscal year in which qualifying cities receive an allocation pursuant to this subdivision, 20 percent.

(V) For the fifth fiscal year in which qualifying cities receive an allocation pursuant to this subdivision, and for each fiscal year thereafter in which a qualifying city receives an allocation pursuant to this subdivision, zero percent.

(B) Increase the total amount of ad valorem property tax revenue otherwise required to be allocated to the county Educational Revenue Augmentation Fund by the percentage specified in clause (ii) of subparagraph (A) of the ERAF reimbursement amount.

(2) The auditor of the County of Santa Clara shall not adjust the ERAF reimbursement amount by the percentages specified in clause (ii) of subparagraph (A) of

paragraph (1) in any fiscal year in which the amount of moneys required to be applied by the state for the support of school districts and community college districts is determined pursuant to paragraph (1) of subdivision (b) of Section 8 of Article XVI of the California Constitution.

(3) For purposes of this subdivision, “ERAF reimbursement amount” has the same meaning as defined in subparagraph (B) of paragraph (2) of subdivision (m).

98.2. For the 2011-12 fiscal year, and each fiscal year thereafter, the computations provided for in Sections 98 and 98.1 shall be performed in a manner which recognizes that passthrough payments formerly required under the Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code) are continuing to be made under the authority of Part 1.85 (commencing with Section 34170) of Division 24 of the Health and Safety Code and those payments shall be recognized in the TEA calculations as though they were made under the Community Redevelopment Law. Additionally, the computations provided for in Sections 98 and 98.1 shall be performed in a manner that recognizes payments to a Redevelopment Property Tax Trust Fund, established pursuant to Section 34170.5 of the Health and Safety Code as if they were payments to a redevelopment agency as provided in subdivision (b) of Section 33670 of the Health and Safety Code.

Business and Professions Code

5273. (a) Notwithstanding the dissolution of a state redevelopment agency, and subject to subdivision (b), for purposes of this chapter, an advertising display advertising the businesses and activities developed within the boundary limits of, and as a part of, an individual redevelopment agency project, as those boundaries existed on December 29, 2011, may, continue to exist and be considered an on-premises display, as defined in Section 5490, if the advertising display meets all of the following conditions:

(1) The advertising display is located within the boundary limits of the project.

(2) The advertising display was constructed on or before January 1, 2012.

(3) The advertising display does not cause the reduction of federal aid highway funds provided pursuant to Section 131 of Title 23 of the United States Code. If an advertising display authorized under this section is subject to a notice from the United States Department of Transportation, the Federal Highway Administration, or any other applicable federal agency to the state that the operation of that display will result in the reduction of federal aid highway funds as provided in Section 131 of Title 23 of the United States Code, the display owner or operator shall remove all advertising copy from the display within 60 days after the date the state notifies the owner or operator, and the applicable city, county, or city and county, by certified mail, of the receipt of the federal notice. Failure to remove the advertising copy pursuant to this paragraph shall result in a civil fine, imposed by the California Department of Transportation, of ten thousand dollars (\$10,000) per day until the advertising copy is removed. The department shall not assume any liability in connection with the cessation of operation or removal of an

advertising display or advertising copy pursuant to this paragraph. If the name of the owner or operator of the display is not indicated on the display, the state is only required to send the notice to the applicable city, county, or city and county.

(b) An advertising display described in subdivision (a) may remain until January 1, 2023, after which date the display shall be removed, unless it otherwise qualifies as a lawful advertising display pursuant to this chapter, without the payment of any compensation to the owner or operator. On and after January 1, 2022, the applicable city, county, or city and county may for good cause request from the department an extension beyond January 1, 2023, not to exceed the expiration of the redevelopment project area. "Good cause" for these purposes means all of the following are satisfied: (1) there has been a finding by the applicable city, county, or city and county that the advertising display has had a positive economic impact on the redevelopment project area and provides a public benefit, (2) there have been no violations by the display owner or operator of this section or of any applicable illumination standards in the previous 10 years that have not been corrected within 30 days of the date of mailing of a violation notice to the owner or operator by the department, and (3) there has been compliance by the owner and operator with all other standards adopted by the applicable city, county, or city and county, or by the department.

(c) The applicable city, county, or city and county shall be responsible for ensuring that an advertising display is consistent with this section and provides a public benefit. This provision shall not be construed to preclude any enforcement authority of the department under this chapter.

(d) The applicable city, county, or city and county shall annually, by December 31, certify to the department that the advertising copy of the advertising display is advertising businesses or activities operating within the boundaries of the redevelopment project area and that at least 10 percent of the advertising copy, up to a maximum of 100 square feet, is used to display the address or location or locations of the business or activity, or to identify the route to the business or activity from the nearest freeway offramp. The department may independently review compliance with this certification. An advertising display subject to this section shall be removed if it is in violation of this subdivision more than three times within a 10-year period and the violation has not been corrected within 30 days of the date of mailing of a violation notice to the owner or operator by the department.

(e) The applicable city, county, or city and county authorizing an advertising display placed pursuant to this section shall have primary responsibility for ensuring that the display remains in conformance with all provisions of this section. If the city, county, or city and county fails to do so within 30 days of the date of mailing of a notice to the city, county, or city and county by the department, the city, county, or city and county shall hold the department harmless and indemnify the department for all costs incurred by the department to ensure compliance with this section or to defend actions challenging the authorization of displays pursuant to this section.
