NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

Comment Period Further Extended: November 9, 2017

NOTICE IS HEREBY GIVEN:

The Community Development Department, after having conducted an Initial Study, has prepared a Mitigated Negative Declaration for the following project:

Project Description:

The Biogas Renewable Generation Project consists of the construction and operation of a 12-megawatt power generation facility. The project includes the installation of a new 60,000-gallon water storage tank for fire protection, and a 10,000-gallon domestic water storage tank along with on-site water pipeline and fill line. A three-inch diameter natural gas pipeline, 0.67 miles long, and a 12-inch diameter water pipeline, one-mile long are also included in the proposed project. Beneficial use of the land fill gas generated and collected at the Scholl Canyon Landfill will be used as fuel for the proposed power generation facility. The project is located at Scholl Canyon Landfill (SCLF). The landfill site occupies approximately 535 acres with portions owned by the City of Glendale, Los Angeles County and by Southern California Edison Company.

Project Location: 7721 N Figueroa St, Los Angeles, CA 90041
