

Electric Vehicle Charging Station Rebate Application

GWPrebates@Glendaleca.gov

818-551-3080

GWP customers can receive a rebate on the installation of Level 2 (240-Volt) plug-in electric vehicle chargers at their residence or business. Reimbursement is for out-of-pocket expenses for the charger, installation, and permit fees. Rebates are up to \$500 per charger for residential applicants and up to \$2000 per charger for commercial/multi-family applicants.

SUPPORTING DOCUMENTS

The following documents are required to be submitted with this application:

- Copy of the receipt or invoice for the charger
- Photograph of the installed charger
- Copy of labor receipt (optional)
- Copy of the final City of Glendale Building & Safety Permit
- Copy of DMV Registration, car purchase, or lease agreement (residential applications only)

Send application and all supporting documents to:

Email: GWPrebates@GlendaleCA.gov

Fax: 1-818-240-6492

Mail:

Glendale Water & Power

Attn: Electric Vehicle Charging Station Rebate Program

141 N. Glendale Ave. Level 2

Glendale, CA 91206

PROGRAM TERMS & CONDITIONS

1. Applicant must be a GWP customer with an active GWP account.
2. Application must be signed, dated, and contain ALL supporting documentation required that is listed on the application.
3. GWP is not responsible for items lost or destroyed in the mail or by email.
4. Funds are limited and rebates are not guaranteed. The program may be modified or terminated at any time without notice. Some limitations apply.
5. Charger must be new. Applications must be submitted no later than four months from the date of purchase and are accepted on a first-come, first serve basis.
6. Rebates are issued in the form of a bill credit which will appear in the GWP bill in 1 to 2 billing cycles after receiving a completed application and all required documentation.
7. Rebates are limited to one (1) per residential account, and four (4) per multi-family account or commercial account. If applicable, the applicant must have approval from the property manager, owner, or homeowners' association to install the charger.
8. The rebate amount is for equipment and installation only and cannot exceed the lesser of the purchase price or \$500 for Residential applicants and \$2000 for Commercial/Multi-family applicants.
9. The rebate is for a Level 2 (240V) EV charger and must utilize the SAE J1772 charging plug or Tesla's High Power Wall Connector and be UL or equivalent listed. Chargers with greater capacity will be considered on a case-by-case basis.
10. Applicant must have a final City of Glendale Building and Safety permit if permit is required.
11. The electric vehicle must be DOT approved for highway application. Golf carts, neighborhood carts, motorcycles, electric scooters or bicycles, and other low-speed vehicles are not eligible.
