**D. Employee Contribution to Employer Contribution Rate – Pre-Tax Effective July 1, 2011**

The City has retained specialized legal counsel in order to render a written opinion as to whether or not said employee contributions to the employer-side contribution requirement can be considered on a “pre-tax” basis. The rendered legal opinion is, in the opinion of the Office of the City Attorney, supportive of City treatment of said contributions as “pre-tax”; therefore, the City has undertaken the steps, including adoption of appropriate City Council resolution(s), necessary to allow the Payroll Section to treat these distributions as “pre-tax”. However, it is expressly agreed to and understood by the parties that the City itself has no authority or jurisdiction by which to bind the IRS, the Franchise Tax Board, or any other agency to a determination that said contributions are indeed “pre-tax”. Thus, the parties agree and acknowledge that the City shall have no liability to any individual employee, should a taxing agency or other administrative body reject treatment of said contributions as being “pre-tax”.

**ARTICLE SEVEN****GRIEVANCE PROCEDURE**

---

**I. CITY'S GRIEVANCE PROCEDURE - REPRINTING**

Unit employees who need to resolve a dispute relating to work related matters may utilize the City's grievance procedure, provided that the subject matter of that grievance falls within the definition of a grievance, provided in the following section. The City's grievance procedure is reprinted from the City's Employer-Employee Relations Ordinance here solely for the convenience of unit employees and Fire Management, and the fact that it is reprinted here is not intended to add or detract from its status as a City-wide grievance procedure, and is not a formal part of this Memorandum of Understanding.

**II. GRIEVANCES****A. Definition**

A grievance is any dispute concerning the interpretation or application of this Ordinance, or of an ordinance resulting from a Memorandum of Understanding, or of rules or regulations governing personnel practices or working conditions.

**B. Grievance - Informal - Verbal**

When an employee feels they have been unfairly treated or does not agree with their supervisor on policy interpretation, they may initiate formal action to secure review of the grievance by top management. Such action should be used, however, only after informal appeal through discussion with the immediate supervisor has not been successful. It is the spirit and intent of this procedure that all grievances be settled quickly and fairly, without any subsequent discrimination against employees who may seek to adjust a grievance, real or imagined.

**C. Grievance - Formal - Written**

If the informal answer given by the employee's supervisor is not satisfactory, the employee may appeal their grievance in the following manner:

**1. Step I - Supervisor**

Within ten (10) working days following time occurrence of the alleged grievance, the employee will present their views to their supervisor on a grievance form, in duplicate, obtainable from the Human Resources Department. The supervisor will, within five (5) working days, enter their decision and the reasons for it, and return it to the employee. If the

employee is not satisfied with the answer given, they may appeal as follows:

2. **Step II - Department Head**

Within five (5) working days of receipt of the supervisor's answer, the employee will forward the grievance to their department head. The department head will, within five (5) working days, enter their decision, the reasons for it, and return it to the grievant. If the employee is not satisfied with the decision, they may appeal as follows:

3. **Step III - City Manager**

Within five (5) working days of receipt of the department head's answer, the employee will forward the grievance to the City Manager. The City Manager will, within five (5) working days, enter their decision, the reasons for it, and return it to the employee and to Fire Management. The decision of the City Manager is final and binding on all parties.

D. **General**

1. **Time Limits**

a. **Time Elapse**

If the time limit at any step should elapse, the decision rendered at the previous step will be understood to have been accepted. For example, if an employee does not forward a Step I decision to Step II within five (5) working days, it is understood that they have accepted the Step I decision and the matter is closed.

b. **Time Extension**

Time limits may be extended by mutual consent by parties involved or by the Director of Human Resources.

c. **Suppression Shift Employees**

Due to the unique work schedule of fire suppression shift employees, response time shall be ten (10) calendar days for each step of the grievance appeal process for both the grieved employee, and the Fire Supervisor and Fire Management.

2. **Grievance Settled - Form Distribution**

When a grievance is settled, the employee will keep the duplicate of the form, and the original will be placed in the grievance file in the Human Resources Department.

3. **Representation**

An employee utilizing this procedure may be represented or assisted by, not to exceed three, authorized representatives in the preparation, presentation and hearing of a grievance. The supervisor, department head and City Manager may also be accompanied by other persons in conferences or hearings. Witnesses may be called and questioned by both parties.

4. **Time of Hearings**

All grievances will be heard during working hours if practicable. Aggrieved employees, their representatives, and all witnesses will be given reasonable time off without loss of pay, and benefits for the purpose of presenting grievances.

5. **Grievances Not Appealable to Civil Service Commission**

The grievance procedure is not intended as a means of appealing actions under the jurisdiction of the Civil Service Commission (examination, demotion, suspension, removal, etc.).

**ARTICLE EIGHT****GENERAL PROVISIONS****I. WAIVER PROVISION ON BARGAINING DURING TERM AGREEMENT**

Except as specifically provided for in this agreement or by mutual agreement in writing during the terms of this Agreement, the Association and City hereby agree not to seek to negotiate or bargain with respect to any matters pertaining to rates, wages, hours, and terms and conditions of employment covered by this Memorandum of Understanding or in the negotiations leading thereto, and irrespective of whether or not matters were discussed or were even within the contemplation of the parties hereto during negotiations leading to this Agreement, and any rights in that respect are hereby expressly waived during the term of this agreement.

After the emergency is over, the Association shall have the right to meet with the City regarding the impact on employees of the suspension of these provisions in this Memorandum of Understanding.

**V. PROVISIONS OF MEMORANDUM**

**A. Sole and Entire Memorandum of Understanding**

It is the intent of the parties hereto that the provisions of this Memorandum of Understanding shall supersede all prior written agreements and Memorandums of Understanding, oral or written, expressed or implied, between the parties, and shall govern their entire relationship of any and all rights or claims which may be asserted hereunder or otherwise. This Memorandum of Understanding is not intended to cover any matters preempted by Federal or State Law or City Charter.

**B. Civil Service and Departmental Rules and Regulations**

1. It is understood and agreed that there exists within the City, in written form, Civil Service and Departmental Rules and Regulations.
2. Except as specifically modified by this Memorandum of Understanding (MOU), these rules and regulations and any subsequent amendments thereto, shall be in full force and effect.
3. Before any new or subsequent amendments to these Civil Service and/or departmental rules and regulations directly affecting wages, hours, and terms and conditions of employment, are implemented the City shall meet and confer with the Association regarding such changes.
4. Nothing provided herein shall prevent the City from implementing such rules and regulations changes provided it has met with the Association as required.

**VI. AMENDMENTS TO MEMORANDUM OF UNDERSTANDING**

The provision of this Memorandum of Understanding can be amended, supplemented, rescinded or otherwise altered only by mutual agreement in writing, hereafter signed by the designated representatives of the City and the Association.

**VII. TERM OF MEMORANDUM OF UNDERSTANDING**

The term of this Memorandum of Understanding shall be for the period of three (3) years commencing on July 1, 2018 and terminating after June 30, 2021.
