

Free Internal Containers Reduce Waste! Save Money on Your Bill!

To help you get *started* with recycling and/or organics service at your business, the City of Glendale is offering FREE Internal recycling and/or organics collection containers while supplies last.

Program Requirements

- Internal collection containers are limited to customers with special needs who show an effort to recycle at their business.
- These containers are provided to help start a business recycling and/or organics program
- Property must be serviced by the City of Glendale Integrated Waste Management Division
- Property must have recycling and/or organics recycling service from the City at the property
