### INVITATION TO BID

July 10, 2019

Potential Bidder/Pre-Qualified Contractor:

The City of Glendale, California is accepting bids until 2:00 P.M., July 31, 2019 for the **Verdugo Boulevard Rehabilitation Project, Specifications No. 3658R.**

The work shall be done in accordance with Specifications No. 3658R and Plan No. 1-3049, 1-3068, 49-238, 49-239, 49-244, 50-653, 50-654, 50-660, 52-59, C6894 with all appurtenant work as shown on the project plans and specifications, Standard Plans for Public Works Construction (SPPWC 2012 Edition), and the Standard Specifications for Public Works Construction (2015 Edition), including all supplements thereto issued prior to bid opening date.

**The scope of work generally includes the following:**

Selective removal and repair of broken and damaged curbs and gutters; driveway and alley approaches; sidewalks; and deteriorated asphaltic concrete pavement; Installation and reconstruction of curb ramps meeting current Americans with Disabilities Act guidelines; Surface grinding of existing asphalt concrete pavement; Placement of Asphalt Rubber Hot Mix (ARHM) surface course; Reconstruction of Public Works Facilities Parking Lot; Installation of substructures to provide power to the existing street light at Verdugo Blvd. and Valihi Way; Modification of traffic signal system at Verdugo Blvd. and Valihi Way; Modification of traffic signal system at Verdugo Blvd. and 2 Freeway (Off ramp); Installation of new traffic signal system at Verdugo Blvd. and Park Place; Installation of pavement striping and other pavement markings; Installation of Cable Barrier on Honolulu Avenue at Ocean View Boulevard intersection and on Honolulu Avenue at Wickham Way intersection; and Planting of 70 new street trees.

The Engineer's Estimate for this project is in the range of **\$2,550,000 and \$2,800,000.**

**Bond Requirements are as follows:**

Bid Bond:	10% of Bid Amount
Labor and Materials Bond:	100% of Contract Amount
Performance Bond:	100% of Contract Amount

If you are interested in bidding on this project, please obtain an electronic copy of the Bidding Documents (plans, specifications and proposal forms) on the City's and/or Ebidboard web sites:
