**Glendale Youth Alliance is excited to announce  
the 26th Annual Luncheon and Award Ceremony on October 23, 2019  
at Brandview Ballroom in Glendale!**

GYA is a California 501 (c)(3) nonprofit organization that provides comprehensive employment programs for youth ages 14-24. Since 1993, GYA has made a meaningful impact in the lives of over 10,500 youth by preparing them for the future workforce and breaking the cycles of poverty. GYA has over 26 years of experience in providing comprehensive services and pathways to employment to special populations of youth including: at-risk, foster, disabled, parenting, probation and homeless youth. These groups generally have a harder time entering the workforce. GYA not only provides employment opportunities, but also comprehensive services to meet their personal needs. By providing the skills and experience needed to remain above poverty levels, we are investing in a healthy and prosperous future for the youth and our community.
