

VERDUGO FIRE COMMUNICATIONS

NOTE 19-3

DATE: April 30, 2019

SUBJECT: Hollywood Burbank Airport
CAL OES Identifier
ARFF Unit Name and Response Terminology

FROM: Battalion Chief Murphy

CAL OES has assigned “HBA” as the three letter designator to the Hollywood Burbank Airport.

Effective May 1, 2019, the following changes will be made to HBA Aircraft Rescue and Firefighting (ARFF) unit identifiers and ARFF responses:

Unit Identifier:

Old Verbal	New Verbal	Will Display As
Crash 1	ARFF 117	AR117
Crash 2	ARFF 217	AR217
Crash 3	ARFF 317	AR317
Crash 4	ARFF 417	AR417

Response Terminology:

An ARFF unit responding as a single unit will be called “**ARFF x17**”.

A full response with Rescue 17 and 3 ARFF units will be called “**ARFF Taskforce 17**”.

The MDC will display “**ATF17, R17, ARx17, ARx17, ARx17**” in the unit list. The ATF17 is not a unit, but a CAD reminder for Verdugo.
