

**DIVISIONAL DIRECTIVE #17-01**

**CITY OF GLENDALE  
INTERDEPARTMENTAL COMMUNICATION**

**DATE:** January 17, 2017

**TO:** Investigative Services Division

**FROM:** Captain Michael J. Rock

**SUBJECT:** Divisional Directive #17-01  
Audio Recording of Investigations

Effective immediately, investigative personnel shall not audio record any conversation with an attorney, who is acting in their official capacity representing a defendant, suspect, or person of interest in any matter being investigated by this department, unless the attorney is notified that the conversation is being recorded. This notification must be made before any type of audio recording device is activated. All other aspects of policy 426 remain in full force and effect.
