### ELECTION FORM

I \_\_\_\_\_ am the customer of record of the below property. I elect to receive the following form of compensation for the excess energy generated by my renewable energy system during the calendar year that this Election Form is submitted, and any future calendar years:

(Select One):

\_\_\_\_\_ Kilowatt hour credit to be applied to my account

\_\_\_\_\_ Financial credit to be applied to my account

I understand that I may change my election at any time by submitting a new Election Form to GWP. I further understand that GWP will rely on the latest Election Form that it has received from me as of December 31 of a calendar year, to determine the method of compensation for the net surplus energy, if any, that I generate during that same calendar year.

GWP Account Holder Name: \_\_\_\_\_

Account Number: \_\_\_\_\_

Service Address: \_\_\_\_\_

Interconnection Agreement Number: \_\_\_\_\_  
(To be assigned by GWP Engineering)

Signature of Customer of Record: \_\_\_\_\_

Date: \_\_\_\_\_

**In order to receive compensation or a credit for this calendar year, please e-mail, mail or hand-deliver this completed form by December 31 of this calendar year. This Election Form will remain valid for future calendar years unless a subsequent Election Form is submitted. Form must be e-mailed, mailed or hand delivered to:**
