SUPPORTING DOCUMENTS

The following documents are required to be submitted with this application:

- Copy of the itemized sales receipt or invoice for the charger
- Photograph of the installed charger
- Copy of labor receipt
- Copy of the final City of Glendale Building & Safety Permit (Does not apply to plug-in chargers)
- Copy of DMV Registration, car purchase, or lease agreement (Residential applications only)
- W9 Form (required for all Multi-family, HOA, and Commercial applications. Only required for residential applications if rebate is over \$600)

Send application and all supporting documents to:

Email: GWPrebates@GlendaleCA.gov

Fax: 1-818-240-6492

Mail:

Glendale Water & Power

Attn: Electric Vehicle Charging Station Rebate Program

141 N. Glendale Ave. Level 2

Glendale, CA 91206

PROGRAM TERMS & CONDITIONS

1. Applicant must be a GWP customer with an active GWP account.
2. Application must be signed, dated, and contain ALL supporting documentation.
3. GWP is not responsible for items lost or destroyed in the mail or by email.
4. Rebates are not guaranteed and some limitations apply.
5. Applications must be submitted no later than four months from the date of purchase and are accepted on a first-come, first served basis.
6. Rebates are issued in the form of a bill credit for residential customers which will appear in the GWP bill in 1 to 2 billing cycles after receiving a completed application and all required documentation. Commercial customers will be issued a reimbursement check.
7. Rebates are limited to two (2) per residential account, and max of \$20,000 for multi-family account or commercial account (per site/account/customer). If applicable, the applicant must have approval from the property manager, owner, or homeowners' association to install the charger.
8. Plug in chargers are eligible for incentives.
9. The rebate amount is for new equipment, installation and/or permit fees only and cannot exceed the lesser of the purchase price or \$3,000 for commercial/multi-family smart charging stations, \$1,500 for commercial/multi-family non-network chargers, \$500 for residential hardwired Wi-Fi enabled EV chargers, and \$200 for Non Wi-Fi residential charger.
10. The rebate is for a Level II (240V) EV charger and must utilize the SAE J1772 charging plug or Tesla's High Power Wall Connector and be UL or equivalent listed. Chargers with greater capacity will be considered on a case-by-case-basis.
11. The charger must have a final City of Glendale Building & Safety Division permit.
12. Chargers that are portable, resold, rebuilt, received from warranty insurance claims or won as a prize are not eligible for rebates under this program.
13. The electric vehicle must be DOT-approved for highway application. Golf carts, neighborhood carts, motorcycles, electric scooters or bicycles, and other low-speed vehicles are not eligible.
14. If requested, I will provide a GWP representative reasonable access to my residence or business to verify the installation and location of the EV charger. I understand that a rebate will not be issued if I refuse a verification inspection.
