

Glendale Public Order No. 2020-16

Under City of Glendale Emergency Authority

Issue Date: August 27, 2020

Waiver of Permit Fees for Outdoor Dining (Extending Order)

Whereas, on March 16, 2020, the City Council of the City of Glendale, pursuant to Glendale Municipal Code Chapter 2.84, declared a local emergency. This was necessitated by the growing concern over the Coronavirus Disease 2019 (COVID-19), a severe acute respiratory illness caused by a novel (new) coronavirus. Symptoms of the virus include fever, cough, and shortness of breath, and infected individuals have experienced a range of outcomes, from mild sickness to severe illness and death. The number of confirmed cases has continued to escalate dramatically over a short period of time. The Centers for Disease Control and Prevention advises us that COVID-19 spreads easily from person to person and has issued guidelines recommending that the public adopt policies and routines to enable social distancing wherever possible. In addition, on March 16, 2020, the City Council also ordered the closure of and limitation of access to certain public establishments;

Whereas, the City of Glendale has redoubled its efforts to maintain hand hygiene, respiratory etiquette, and social distancing. It is absolutely critical that we as a City do everything we can to slow the pace of community spread and avoid unnecessary strain on our medical system. To aid in our efforts, under the emergency authorities vested in the Director of Emergency Services pursuant to Chapter 2.84 of the Glendale Municipal Code, to make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency, it is ordered that a series of temporary restrictions be placed on certain establishments throughout the City of Glendale in which large numbers of people tend to gather and remain in close proximity;

Whereas, on March 4, 2020, the Los Angeles County Board of Supervisors and the Department of Public Health declared a local and public health emergency in response to increased spread of coronavirus across the country; and the Glendale City Council adopted Resolution No. 20-29 consistent with County's Safer at Home orders, which closed all dine-in services at restaurants, except for delivery and take-out

Whereas, on May 15, 2020 Glendale's Resolution No. 20-29 - pertaining to restaurants, bars, nightclubs etc. - expired and said business and activities continued to be regulated under the County's Safer at Home orders.

Whereas, on or about May 26, 2020 revised its Safer at Home Orders to allow for partial re-opening of restaurants for dine-in services and retail stores for in-store shopping services if they meet certain county protocols;

Whereas, the City of Glendale is taking steps to offer direct assistance to the local economy in response to the economic impacts presented by COVID-19 by forming the Business Recovery Task Force and meeting with more than 40 stakeholders that represent important industry segments in Glendale, including retail, hospitality, office and healthcare;

Whereas, Task Force members weighed in on ways in which the City can support local businesses, among the recommendations included implementing the Al Fresco program which opens up private parking lots, on-street parking areas and sidewalks for additional outdoor dining and potentially retail activity in the future (“Al Fresco Program”); and

Whereas, implementation of the Al Fresco Program will benefit City business and residents by assisting restaurants to expand outdoor dining in order to expedite economic recovery while the County gradually implements its Reopening Safer at Work and in the Community orders;

Whereas, on June 16, 2020, the Director of Emergency Services adopted Public Order No. 2020-10, requiring the waiver of fees for permits for outdoor dining and, such order was ratified by Resolution No. 20-95 ending on August 31, 2020;

Now therefore, by virtue of the authority granted pursuant to Chapter 2.84 of the Glendale Municipal Code, the Director of Emergency Services issues the following order, is extended until December 31, 2020:

Section 1. For restaurant businesses that alter business operations in response to COVID-19 economic recovery efforts and require a temporary certificate of occupancy permit to accomplish those changes in operations identified below, the permit fees identified below are hereby waived:
