

# Capital Projects Funds

Capital Projects Funds are used to account for financial resources that are restricted, committed, or assigned to expenditures for capital outlays of major capital facilities other than those financed by Proprietary Funds.

## CAPITAL PROJECTS FUNDS

- 4020 - State Gas Tax Fund - To account for monies received and expended from state gas tax allocations and Senate Bill 1 for street improvement purposes.
- 4030 - Landfill Postclosure Fund - To account for monies reserved for the post-closure maintenance cost of Scholl Canyon landfill.
- Development Impact Fee Funds:  
City Council adopted Ordinance No. 5575 on September 11, 2007, in accordance with California AB1600 later on codified under State Government Code section 66006, allowing the City to impose development impact fees on new residential, commercial, office and industrial developments to mitigate the cost of developing new or rehabilitating existing parks and recreational facilities, developing new libraries and/or adding to existing collections in order to maintain adequate parks and library services for those new residents. The Development Impact Fees are broken down into the following three funds:
  - 4050 - Parks Mitigation Fee Fund - To account for the parks revenue collected as impact fees and usage of these funds for allowed projects. In addition, this fund will also be used to guarantee adequate interest accumulation and disbursements of unused funds.
  - 4070 - Library Mitigation Fee Fund - To account for the library revenue collected as impact fees and usage of these funds for allowed projects. In addition, this fund will also be used to guarantee adequate interest accumulation and disbursement of unused funds.
  - 4080 - Parks Quimby Fee Fund - To account for the fees imposed for park or recreational purposes as a condition to the approval of a tentative map or parcel map and usage of these funds for allowed projects. In addition, this fund will also be used to guarantee adequate interest accumulation and disbursements of unused funds.
- 4090 - CIP Reimbursement Fund - To account for monies received and expended for CIP projects that are funded by non-City money, such as grants and joint ventures.
- 4100 - SF Corridor Tax Share Fund - County of Los Angeles' contribution (passback) to City of Glendale of 60% of County's share of tax increment (pass through) funds from the San Fernando Road Corridor Redevelopment Project Area to be used by the City to construct regional public improvement projects benefiting the County.
- 4120 - 2011 TABs Projects Fund - To account for capital improvement project expenses funded by the Glendale Successor Agency 2011 Tax Allocation Bonds (non-housing portion).
