Fall 2024

Summer is almost over, but the fun continues, and the Community Services & Parks Department is making sure of it! We've planned a variety of fall programs for all ages and interests.

People of all ages can enjoy dance, sports, visual arts, fitness and wellness classes for all skill levels.

Preschoolers and their parents can enjoy Tot Time together. Youth can drop-in at Maple Park's Recreation Club, join us for Teen Night Out every Friday at Pacific Community Center, and look forward to our Thanksgiving and Winter break camps.

Families can enjoy the great outdoors by participating in our popular Trails & Open Space Programs or visiting the historical buildings in our parks. Don't forget to visit the Stone Barn Nature Center at Deukmejian Wilderness Park. Parents, if you need some time alone, we'll take care of the kids on select Friday nights at Pacific and Sparr Heights Community Centers as part of our Parent's Night Out/ Parent's Day Out program.

Seniors can participate in a variety of exercise classes virtually or in person, or meet up with friends at 3 of our community centers for activities, such as bingo, knit and chat, billiards, pickleball, table tennis, and much more.

A variety of human services are also available to seniors, youth and families, the homeless, and job seekers year round through the Community Services & Parks Department.

Don't miss out on Pacific Community Center & Park's Annual Fall Festival, taking place on October 26.

Look inside to find out more!

Respectfully,

A blue ink signature of Onnig Bulanikian.

Residency Status

The Community Services & Parks Department (CSP) offers reduced Glendale Resident rates for day camps to customers who reside within Glendale Unified School District boundaries and have provided the required proof of residency. Customers only need to verify residency once per year during any season, but must re-submit proof every summer regardless of which season residency status was last verified. **Proof of residency can be provided at the time of in-person camp registration, but in order to obtain Glendale Resident rates while registering online or by phone, residency status must be verified in advance.**

You can obtain residency status in advance of camp registration by emailing a copy of your two most recent utility bills or a copy of your current, executed rental agreement to our Customer Service Office at CSPCustomerService@GlendaleCA.gov. Please include your full name, valid address, and a copy of the proof in the email. Emails will be reviewed within two (2) business days, and you will receive an email response confirming residency when it has been completed.

Customers not verified as Glendale Residents at the time of registration will be charged non-resident rates and will NOT be refunded the difference for any non-resident rates paid, even if proof is provided at a later time. 2024 residency verification will begin on January 2, 2024, and continues throughout the year! Prior to registering for any of our camps, please make sure to complete the residency verification, especially if you wish to register online.

FACILITY DESCRIPTION

- The traditional teahouse was built in 1974 through the combined efforts of the Sister Cities of Glendale and Higashi-Osaka, Japan. It is one of the few traditional Japanese Teahouses open to the public in the United States.
- The Teahouse, which was designed by architect Hayahiko Takase, is a unique blending of western and eastern design and an apt expression of the spirit of cross-cultural community.
- Nestled at the foot of the Verdugo Mountains beside a koi pond in a charming Japanese-style garden setting, the Teahouse is in a unique position to outreach to the Community of Glendale and greater Los Angeles.

HISTORY

- The Teahouse represents the spirit of goodwill, lasting peace and friendship between the people of Japan and the United States.
- Given the name "Shoseian" or "Whispering Pine Teahouse" by Genshitsu Sen, the Fifteenth Grand Tea Master of the Urasenke School of Tea in Japan, the Teahouse is designated an official Tearoom. Dr. Yamazaki of Higashi-Osaka provided initial support for the Teahouse and Gardens.
- Through recent cooperative efforts by the City of Glendale and Friends of Shoseian, the Teahouse was refurbished and designated as Glendale Register of Historic Resources #46.

HISTORY

- Casa Adobe de San Rafael is registered as California Landmark #235 and Glendale Register of Historic Resources #3.
- The Casa was built around 1870 by Tomas Sanchez, former sheriff of Los Angeles County, using adobe blocks to form the walls, which were then covered with stucco.
- In 1875, the property was sold, left abandoned, and fell into a ruinous state.
- In 1930 the Casa was purchased by the California Medicinal Wine Company who planned to tear down the structure and remove the large eucalyptus trees on the property. Local neighbors and community members stopped the demolition and began a campaign to preserve the house as a historic landmark.
- The City of Glendale purchased the adobe in 1930 and by 1932 La Casa de Adobe de San Rafael was completely refurbished.
- Today, the adobe includes a Monterey-style corridor (covered porch), beautiful sunken garden, brick patio, sandy brown tile roof, and long narrow front windows adorned with teal shutters. Interior furnishings are from the 19th century.

Catalina Verdugo Adobe

2211 Bonita Drive, Glendale, CA 91208
 (818) 244-2841

HOURS OF OPERATION

Daily 8:00 AM- Dusk

Guided Tours: Scheduled Tours Only - Please call to schedule

Docent: Days of the Verdugos Heritage Association

FACILITY DESCRIPTION

- Amenities include a walking trail, a garden, and a shaded picnic area with wooden tables, benches, and electric outlets.
- Smoking, barbecues, and amplified sound are NOT permitted because of the historic nature of the facility.

HISTORY

- The Catalina Verdugo Adobe is registered as California Historical Landmark #637 and Glendale Register of Historic Resources #1.
- The Adobe is the oldest structure in the City of Glendale. As with many early structures, the construction date of the Verdugo Adobe is uncertain. It is said the Adobe was built in 1828, but some research suggests that it dates to 1860.
- It was the home of Catalina Verdugo who, with her brother Julio, owned much of today's Northeast Glendale. Their father, Don Jose Maria Verdugo, was the original recipient of Rancho San Rafael, the Spanish land grant that encompassed large portions of Glendale, Burbank, and Eagle Rock.
- The grounds contain the remnants of the "Oak of Peace," under which a meeting was held in 1847 that led, a few days later, to the signing of the peace treaty, Treaty of Cahuenga, that ended the Mexican-American War.
- The Adobe originally consisted of the main room and the south wing. The north wing was added in the early 1900s, after it was sold to land developer F.P. Newport.
- In 1946, the property was sold to Dr. Ernest Bashor, and his family remained there until it was sold to the City of Glendale in 1989. It is fortunate that the historic value of the original house remained preserved.

The Brand Library is housed in the mansion Leslie Brand built in 1904 named El Miradero. A gallery and recital hall was added in 1969. Located in Brand Park, high in the foothills overlooking Glendale and the San Fernando Valley, the Library serves an ever-widening public interested in the arts.

The design of El Miradero is similar to the East Indian Pavilion built for the 1893 Columbian World Exposition held in Chicago and visited by Brand. The architecture is considered Saracenic, with crenellated arches, bulbous domes and minars combining characteristics of Spanish, Moorish, and Indian styles.

Brand died in the house in 1925. He bequeathed El Miradero to the City and Mrs. Brand lived in the house until her death in 1945. The will provided that the property be used exclusively for a public park and library. By 1956, the mansion had been converted into Brand Library.

Years later, in response to the need for more arts space, the City Council allocated funds to construct an addition to Brand Library that would include facilities for art exhibitions, lectures and concerts, as well as art and craft studios. The new addition was dedicated in October 1969.

Statue of Miss American Green Cross

Brand Park

1601 W. Mountain St., Glendale, CA 91201

Park Hours of Operation

Daily: 6:00 AM - 10:00 PM

The Statue of Miss American Green Cross is a 10-foot-high bronze cast statue located in Brand Park, adjacent to the Brand Library & Art Center. The statue was created by sculptor Frederick Willard Potter and dedicated in 1928. Verlyn Sumner was the model for the work. The American Green Cross Society was formally created as a successor to the American Reforestation Association on December 3, 1926. The American Green Cross was an organization dedicated to preserving the country's forests, with headquarters based in Glendale.

The statue was originally displayed at the Glendale High School campus. It was moved in the 1930s and remained lost for two decades. In 1954, the statue was discovered in a remote canyon in Brand Park, though its large base was not present.

The statue was designated as one of the original Glendale city landmarks in 1977, by which time it had become damaged by vandals, its arms lost, and its cross and logs deteriorated. It was placed in storage at the Brand Park maintenance yard in the early 1980s. It was restored by the city at a cost of \$60,000-\$65,000 with the assistance of sculptor Ron Pekar. Its base and arms were recreated based on a historic photograph. The renovated statue was dedicated in September 1992 at its new location adjacent to the Brand Library.

The statue was added as one of the inaugural entries on the Glendale Register of Historic Resources (GRHR No. 12) in 1997.

Park Hours of Operation

Daily: 7:00 AM – 10:00 PM

On December 8, 2015, the Glendale City Council approved official listing of the Adams Square Gas Station (originally the Richfield Oil Gas Station) on the Glendale Register of Historic Resources.

The 2015 landmark nomination, made by the City of Glendale's Historic Preservation Commission, was part of an initiative to facilitate formal designation of several significant City-owned properties. The Adams Square mini-park project was completed in 2007 by the City of Glendale in an effort to create a green space in the center of the local business district for the densely populated Adams Hill neighborhood, and to incorporate the historic 1936 Streamline Moderne Gas Station.

Rockhaven Sanitarium

2713 Honolulu Avenue, Montrose, CA 91020
(not open to the public)

Rockhaven is a rare surviving example of the sanitariums that once flourished in the Crescenta Valley. First opened in 1923 by Agnes Richard as a “home for the feeble-minded women,” and later known as the “Screen Actor’s Sanitarium,” Rockhaven housed several Hollywood celebrities, such as Billie Burke, Flo Zigfield, Clark Gable’s first wife, as well as Marilyn Monroe’s mother. Over time, Agnes Richards purchased several neighboring Craftsman - style houses, and in the late 1920s and 1930s built several Spanish Colonial Revival style buildings which were designed specifically for the purpose of medical care and patient accommodations, expanding the facility to an approximately 3.5 acre site.

The character of this property was as much defined by its landscape as it was by its buildings. The buildings were, and still are, connected by meandering landscaped pathways, intimate gardens, patios, courtyards and expansive perimeter gardens to create a home-like setting for the individual care of the patients. In 1966, Rockhaven was awarded for its landscaping by Los Angeles Beautiful, Incorporated.

The City purchased the property in 2008 from Ararat Home, who had purchased the property in 2001 to operate a convalescent facility. The facility remains closed to the public at this time due to safety concerns.

You can read more about the facility by visiting the City’s website, GlendaleCA.gov, and searching Rockhaven in the search bar.

Rossmoyne is one of Glendale’s most interesting historic neighborhoods, rich with some of our finest residential architecture. The area was developed by the Haddock-Nibley Company beginning in 1923 and was largely built out by 1950.

Nibley Park, donated to the city by the developer, is included in the district. The Royal Boulevard Historic District includes a portion of the second phase of the Rossmoyne development.
