**NOTICE OF CONSTRUCTION ACTIVITY**

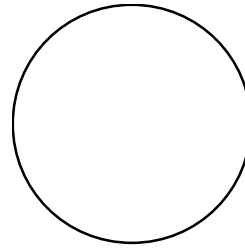

The City of Glendale has received a State funded grant to complete improvements at local schools to improve pedestrian and child safety. The improvements will take place in the immediate vicinity of the school.

While work is being completed, please remember:

- Access may be restricted between 7:00 AM to 7:00 PM. Street parking may not be allowed and signs will be posted accordingly at least 30 hours in advance of no parking enforcement.
- When access is restricted, detours will be set up to help you reach your destination.
- Parking will be available within a reasonable distance from your house.
- If work occurs on trash collection day on your street, trash will be picked-up as normal.
- Please refrain from using irrigation/sprinklers on the day of the work.

It is anticipated that the specific phase work will be completed within the dates specified and hope that it does not cause undue hardship.

We appreciate your cooperation and understanding while we work to improve your City.
