DATE: September 4, 2019

SUBJECT: Discontinuance of MCI Levels

FROM: Battalion Chief Murphy

The use of MCI Levels when requesting resources through Verdugo has been officially discontinued.

As with any incident, request the specific number and type of resources needed and Verdugo will dispatch and/or request them from other area agencies.

The pocket card can continue to be utilized as a quick reference for the number of potential resources needed to mitigate an MCI.
